

Lost History Of Gettysburg

Lawrence Lee Hewitt, Thomas E. Schott

Lost History Of Gettysburg:

The Lost History of Gettysburg James K. P. Scott, 2002-07 Hysteria was sweeping through the Union like a firestorm in the summer of 1863. Once again the Army of Northern Virginia led by General Robert E. Lee was invading the North. Exploiting the momentum of the victories of Fredericksburg and Chancellorsville, Lee's campaign into Pennsylvania was calculated to deliver the final blow that would sunder the Union and bring independence to the Confederacy. The Lost History of Gettysburg is Colonel James K. P. Scott's amazing account of the high water mark of the Confederacy. A veteran of the Army of the Potomac whose unit fought at Gettysburg, Colonel Scott captures in rich detail the spirit of the time in all its sweeping drama.

Gettysburg's Forgotten Cavalry Actions Eric J. Wittenberg, 2011-10-27 An award-winning historical study of the important role played by Union and Confederate horse soldiers on the Civil War battlefield at Gettysburg. The Union army's victory at Gettysburg, Pennsylvania, on July 3, 1863, is widely considered to have been the turning point in America's War between the States. But the valuable contributions of the mounted troops, both Northern and Rebel, in the decisive three-day conflict have gone largely unrecognized. Acclaimed Civil War historian Eric J. Wittenberg now gives the cavalries their proper due. In *Gettysburg's Forgotten Cavalry Actions*, Wittenberg explores three important mounted engagements undertaken during the battle and how they influenced the final outcome. The courageous but doomed response by Brig. Gen. Elon J. Farnsworth's cavalry brigade in the wake of Pickett's Charge is recreated in fascinating detail, revealing the fatal flaws in the general's plan to lead his riders against entrenched Confederate infantry and artillery. The tenacious assault led by Brig. Gen. Wesley Merritt on South Cavalry Field is also examined, as is the strategic victory at Fairfield by Southern troops that nearly destroyed the Sixth US Cavalry and left Hagerstown Road open, enabling General Lee's eventual retreat. Winner of the prestigious Bachelier Coddington Award for historical works concerning the Battle of Gettysburg, Eric J. Wittenberg's *Gettysburg's Forgotten Cavalry Actions* rights a long-standing wrong by lifting these all-important engagements out of obscurity. A must-read for Civil War buffs everywhere, it completes the story of the battle that changed American history forever.

Rebels against the Confederacy Barton A. Myers, 2014-10-13 In this groundbreaking study, Barton A. Myers analyzes the secret world of hundreds of white and black Southern Unionists as they struggled for survival in a new Confederate world. Resisted the imposition of Confederate military and civil authority, began a diffuse underground movement to destroy the Confederacy, joined the United States Army as soldiers and waged a series of violent guerrilla battles at the local level against other Southerners. Myers also details the work of Confederates as they struggled to build a new nation at the local level and maintain control over manpower, labor, agricultural and financial resources which Southern Unionists possessed. The story is not solely one of triumph over adversity but also one of persecution and ultimately erasure of these dissidents by the postwar South's Lost Cause mythologizers.

The Enduring Lost Cause Edward R. Crowther, 2023-08-18 Marking the fortieth anniversary of Charles Reagan Wilson's classic *Baptized in Blood: The Religion of the Lost Cause, 1865*

1920 this volume collects essays by such scholars as Carolyn Rene Dupont Sandy Dwayne Martin Keith Harper and Wilson himself to show how various aspects of the Lost Cause ideology persist into the present The Enduring Lost Cause examines the lasting legacy of a belief system that sought to vindicate the antebellum South and the Confederate fight to preserve it Contributors treat such topics as symbolism the perpetuation of the Lost Cause in education and the effects of the Lost Cause on gender and religion as well as examining ways the ideology has changed over time The twelve essays gathered here help the reader understand the development of a cultural phenomenon that affected generations of southerners and northerners alike arising out of the efforts of former Confederates to make sense of their defeat even at the expense of often mythologizing it From fresh looks at towering figures of the Lost Cause to reexamining the role of African Americans in disseminating the ideology in the form of a religious explanation for suffering the essayists carefully analyze the tensions between the past and the present true belief and commercialization continuity and change Ultimately the narrative of the Lost Cause persists worldwide merging with American exceptionalism to become a pillar of the conservative wing of US politics as well as a lasting cultural legacy The Enduring Lost Cause provides a window into this world helping us to understand the present in the context of the past

Sherman's Forgotten General Brian C. Melton, 2007 Biography of Union major general Henry W Slocum Author explores Slocum's attitudes and tactics while serving under various Civil War generals such as George McClellan Joseph Fighting Joe Hooker and William Tecumseh Sherman Provided by publisher

Causes Won, Lost, and Forgotten Gary W. Gallagher, 2008-04-07 More than 60 000 books have been published on the Civil War Most Americans though get their ideas about the war why it was fought what was won what was lost not from books but from movies television and other popular media In an engaging and accessible survey Gary W Gallagher guides readers through the stories told in recent film and art showing how these stories have both reflected and influenced the political social and racial currents of their times

Inventing Custer Edward Caudill, Paul Ashdown, 2015-09-03 Custer's Last Stand remains one of the most iconic events in American history and culture Had Custer prevailed at the Little Bighorn the victory would have been noteworthy at the moment worthy of a few newspaper headlines In defeat however tactically inconsequential in the larger conflict Custer became legend In *Inventing Custer* The Making of an American Legend Edward Caudill and Paul Ashdown bridge the gap between the Custer who lived and the one we've immortalized and mythologized into legend While too many books about Custer treat the Civil War period only as a prelude to the Little Bighorn Caudill and Ashdown present him as a product of the Civil War Reconstruction Era and the Plains Indian Wars They explain how Custer became mythic shaped by the press and changing sentiments toward American Indians and show the many ways the myth has evolved and will continue to evolve as the United States continues to change

Lee and His Generals Lawrence Lee Hewitt, Thomas E. Schott, 2012-06-25 A legendary professor at Louisiana State University T Harry Williams not only produced such acclaimed works as *Lincoln and the Radicals* *Lincoln and His Generals* and a biography of Huey Long that won both the

Pulitzer Prize and the National Book Award but he also mentored generations of students who became distinguished historians in their own right In this collection ten of those former students along with one author greatly inspired by Williams's example offer incisive essays that honor both Williams and his career long dedication to sound imaginative scholarship and broad historical inquiry The opening and closing essays fittingly enough deal with Williams himself a biographical sketch by Frank J Wetta and a piece by Roger Spiller that place Williams in larger historical perspective among writers on Civil War generalship The bulk of the book focuses on Robert E Lee and a number of the commanders who served under him starting with Charles Roland's seminal article The Generalship of Robert E Lee the only one in the collection that has been previously published Among the essays that follow Roland's are contributions by Brian Holden Reid on the ebb and flow of Lee's reputation George C Rable on Stonewall Jackson's deep religious commitment A Wilson Greene on P G T Beauregard's role in the Petersburg Campaign and William L Richter on James Longstreet as postwar pariah Together these gifted historians raise a host of penetrating and original questions about how we are to understand America's defining conflict in our own time just as T Harry Williams did in his And by encompassing such varied subjects as military history religion and historiography Lee and His Generals demonstrates once more what a fertile field Civil War scholarship remains Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University Most recently he and Arthur W Bergeron now deceased coedited three volumes of essays under the collective title Confederate Generals in the Western Theater Thomas E Schott served for many years as a historian for the U S Air Force and U S Special Operations Command He is the author of Alexander H Stephens of Georgia A Biography which won both the Society of American Historians Award and the Jefferson Davis Award

Blue & Gray Magazine, 1999 **Remembering the Forgotten Merton** William J. Meegan, 2023-02-08

This is the first book written about John Paul Merton Thomas Merton's younger brother Neither scholar nor saint the life of John Paul Merton illustrates there is more than one way to live a meaningful and holy life His was a quietly incubating spirituality guided by his law of love He began life singing in a crib and ended his life praying as he lay dying in a dinghy in the English Channel during World War II This book examines the relationship he had with his famous brother Thomas especially in the years before Tom became a monk It examines among other topics the relationship between Thomas the intellectual and John Paul the action oriented younger brother As a teenager John Paul earned the nickname Wildman and as an adult he learned to live life to the fullest on his own terms The bumps and bruises of his life orphaned at twelve years of age dismissed from Cornell without his degree and frustrated in his effort to serve in World War II as a fighter pilot were faced head on He lived life as an optimist without losing sight of the reality of his world Most importantly John Paul's journey of hidden holiness can inspire each of us as we too journey onward

Lost History Of Gettysburg Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is truly remarkable.
