

Lost Trails of the Cimarron

Second Edition

Harry E. Chrisman
Foreword by Jim Hoy

Lost Trails Of The Cimarron

Robert K. DeArment

Lost Trails Of The Cimarron:

Lost Trails of the Cimarron Harry E. Chrisman, 1998-09-01 *Lost Trails of the Cimarron* is Harry Chrisman's folk history of nineteenth century Cimarron country southwestern Kansas southeastern Colorado and the neutral strip of Oklahoma and the Texas Panhandle Buffalo hunters entered the area in violation of the Medicine Lodge Treaty followed by cowboys and settlers who formed a vast economy based on grass and beef the beginnings of prominent cattle ranches such as the Westmoreland Hitch Outfit Chrisman details the history of the outlaws and ruffians of No Man's Land and trail drives to Dodge City and beyond Numerous illustrations accompany the anecdotes and stories of various frontier personalities A new foreword by Jim Hoy also appears in this edition

Lost Trails of the Cimarron Harry E. Chrisman, 1964-01-01 Stories of buffalo hunters and cattlemen in the High Plains of the Southwest in 1870 and 1880

Holy Ground, Healing Water Donald J. Blakeslee, 2010 Most people would not consider north central Kansas Waconda Lake to be extraordinary The lake completed in 1969 by the federal Bureau of Reclamation for flood control irrigation and water supply purposes sits amid a region known when it is thought of at all for agriculture and perhaps to a few as the home of The World's Largest Ball of Twine in nearby Cawker City Yet to the native people living in this region in the centuries before Anglo incursion this was a place of great spiritual power and mystic significance Waconda Spring now beneath the waters of the lake was held as sacred a place where connection with the spirit world was possible Nearby a giant snake symbol carved into the earth by native peoples likely the ancestors of today's Wichitas signified a similar place of reverence and totemic power All that began to change on July 6 1870 when Charles DeRudio an officer in the 7th U S Cavalry who had served with George Armstrong Custer purchased a tract on the north bank of the Solomon River a tract that included Waconda Spring DeRudio had little regard for the sacred properties of his acrea instead he viewed the mineral spring as a way to make money In *Holy Ground Healing Water Cultural Landscapes at Waconda Springs Kansas* anthropologist Donald J Blakeslee traces the usage and attendant meanings of this area beginning with prehistoric sites dating between AD 1000 and 1250 and continuing to the present day Addressing all the sites at Waconda Lake regardless of age or cultural affiliation Blakeslee tells a dramatic story that looks back from the humdrum present through the romantic haze of the nineteenth century to an older landscape one that is more wonderful by far than what the modern imagination can conceive

The Northern Cheyenne Exodus in History and Memory Ramon Powers, James N. Leiker, 2012-09-13 The exodus of the Northern Cheyennes in 1878 and 1879 an attempt to flee from Indian Territory to their Montana homeland is an important event in American Indian history It is equally important in the history of towns like Oberlin Kansas where Cheyenne warriors killed more than forty settlers The Cheyennes in turn suffered losses through violent encounters with the U S Army More than a century later the story remains familiar because it has been told by historians and novelists and on film In *The Northern Cheyenne Exodus in History and Memory* James N Leiker and Ramon Powers explore how the event has been remembered told and retold They examine the recollections of Indians and settlers

and their descendants and they consider local history mass media treatments and literature to draw thought provoking conclusions about how this story has changed over time The Cheyennes journey has always been recounted in melodramatic stereotypes and for the last fifty years most versions have featured noble savages trying to reclaim their birthright Here Leiker and Powers deconstruct those stereotypes and transcend them pointing out that history is never so simple The Cheyennes flight they write had left white and Indian bones alike scattered along its route from Oklahoma to Montana In this view the descendants of the Cheyennes and the settlers they encountered are all westerners who need history as a way of explaining the bones and arrowheads that littered the plains Leiker and Powers depict a rural West whose diverse peoples Euro American and Native American alike seek to preserve their heritage through memory and history Anyone who lives in the contemporary Great Plains or who wants to understand the West as a whole will find this book compelling

The Outlaw Statesman Mike Tower, 2007 The m lange of works dealing with personalities emerging from the Lincoln County New Mexico War have treated Fred Waite shabbily Although many writers have termed him the best friend of Billy the Kid he has never been properly researched From the earliest work Waite has been portrayed as a minor character drifting into Lincoln just in time to get hired into a shooting war and who then faded into obscurity The truth as presented in this book is far different for Waite was a wealthy adventurer drawn into the conflict by circumstance rather than a rogue hireling It s even probable he was an investor in John Tunstall s grand design for dominating Southeast New Mexico Moreover after this adventure he did not pale into the background Rather Fred Waite the outlaw while battling Federal attempts to dismantle his people s government brightened into the dynamic and respected statesman F Tecumseh Waite It s a remarkable story one you owe to yourself to read

Black Cowboys in the American West Bruce A. Glasrud, Michael N. Searles, 2016-09-28 Who were the black cowboys They were drovers foremen fiddlers cowpunchers cattle rustlers cooks and singers They worked as wranglers riders ropers bulldoggers and bronc busters They came from varied backgrounds some grew up in slavery while free blacks often got their start in Texas and Mexico Most who joined the long trail drives were men but black women also rode and worked on western ranches and farms The first overview of the subject in more than fifty years Black Cowboys in the American West surveys the life and work of these cattle drivers from the years before the Civil War through the turn of the twentieth century Including both classic previously published articles and exciting new research this collection also features select accounts of twentieth century rodeos music people and films Arranged in three sections Cowboys on the Range Performing Cowboys and Outriders of the Black Cowboys the thirteen chapters illuminate the great diversity of the black cowboy experience Like all ranch hands and riders African American cowboys lived hard dangerous lives But black drovers were expected to do the roughest most dangerous work and to do it without complaint They faced discrimination out west albeit less than in the South which many had left in search of autonomy and freedom As cowboys they could escape the brutal violence visited on African Americans in many southern communities and northern cities Black cowhands remain an

integral part of life in the West the descendants of African Americans who ventured west and helped settle and establish black communities This long overdue examination of nineteenth and twentieth century black cowboys ensures that they and their many stories and experiences will continue to be known and told Victorian West Clarence Robert Haywood,1991 In this fascinating social history Haywood unravels the web of values ideas and philosophies that tied East to West Journal of American History Violence in the Hill Country Nicholas Keefauver Roland,2021-02-09 In the nineteenth century Texas s advancing western frontier was the site of one of America s longest conflicts between white settlers and native peoples The Texas Hill Country functioned as a kind of borderland within the larger borderland of Texas itself a vast and fluid area where during the Civil War the slaveholding South and the nominally free labor West collided As in many borderlands Nicholas Roland argues the Hill Country was marked by violence as one set of peoples states and systems eventually displaced others In this painstakingly researched book Roland analyzes patterns of violence in the Texas Hill Country to examine the cultural and political priorities of white settlers and their interaction with the century defining process of national integration and state building in the Civil War era He traces the role of violence in the region from the eve of the Civil War through secession and the Indian wars and into Reconstruction Revealing a bitter history of warfare criminality divided communities political violence vengeance killings and economic struggle Roland positions the Texas Hill Country as emblematic of the Southwest of its time Bat Masterson Robert K. DeArment,2014-04-14 The colorful figures of the western American frontier the Indian fighters the mountain men the outlaws and the lawmen have been romanticized for more than a hundred years by writers who found it easier to invent history than the research it Bat Masterson was one such character who cast a long shadow across the pages of western history as it has been routinely depicted A legend in his own time he was called in a television series produced in the 1960 s A legend he has become one firmly fixed in the popular imagination But in his own time W B Masterson was a man a less than perfect creature subject to the same temptations and vices as his fellows albeit one who through circumstance and inclination led an exciting life in an exciting time and place As buffalo hunter army scout peace officer professional gambler sportsman promoter and newspaperman Masterson s career was stormy and eventful Surprising to many readers will be the account of Masterson s career after his peace officer days during his employment as a sports writer and columnist The gun toting western peace officer reputed to have killed more men than Billy the Kid not so says DeArment spent his last years happily in New York City writing for a nationally known newspaper This book the product of more than twenty years of research separates fact from fiction to extricate the story of his life from the legend that has enmeshed it It is the most complete biography of Bat Masterson ever written Running Out Lucas Bessire,2022-10-04 Finalist for the National Book Award An intimate reckoning with aquifer depletion in America s heartland The Ogallala aquifer has nourished life on the American Great Plains for millennia But less than a century of unsustainable irrigation farming has taxed much of the aquifer beyond repair The imminent depletion of the Ogallala and other aquifers around the

world is a defining planetary crisis of our times Running Out offers a uniquely personal account of aquifer depletion and the deeper layers through which it gains meaning and force Anthropologist Lucas Bessire journeyed back to western Kansas where five generations of his family lived as irrigation farmers and ranchers to try to make sense of this vital resource and its loss His search for water across the drying High Plains brings the reader face to face with the stark realities of industrial agriculture eroding democratic norms and surreal interpretations of a looming disaster Yet the destination is far from predictable as the book seeks to move beyond the words and genres through which destruction is often known Instead this journey into the morass of eradication offers a series of unexpected discoveries about what it means to inherit the troubled legacies of the past and how we can take responsibility for a more inclusive sustainable future An urgent and unsettling meditation on environmental change Running Out is a revelatory account of family complicity loss and what it means to find your way back home

Bad Company and Burnt Powder Bob Alexander, 2014-07-15 Bad Company and Burnt Powder is a collection of twelve stories of when things turned Western in the nineteenth century Southwest Each chapter deals with a different character or episode in the Wild West involving various lawmen Texas Rangers outlaws feudists vigilantes lawyers and judges Covered herein are the stories of Cal Aten John Hittson the Millican boys Gid Taylor and Jim and Tom Murphy Alf Rushing Bob Meldrum and Noah Wilkerson P C Baird Gus Chenoweth Jim Dunaway John Kinney Elbert Hanks and Boyd White and Eddie Aten Within these pages the reader will meet a nineteen year old Texas Ranger figuratively dying to shoot his gun He does get to shoot at people but soon realizes what he thought was a bargain exacted a steep price Another tale is of an old school cowman who shut down illicit traffic in stolen livestock that had existed for years on the Llano Estacado He was tough salty and had no quarter for cow thieves or sympathy for any mealy mouthed politicians He cleaned house maybe not too nicely but unarguably successful he was Then there is the tale of an accomplished and unbeaten fugitive well known and identified for murder of a Texas peace officer But the Texas Rangers couldn't find him County sheriffs wouldn't hold him Slipping away from bounty hunters he hit Owlhoot Trail

Six-Guns and Saddle Leather Ramon Frederick Adams, 1998-02-25 Authoritative guide to everything in print about lawmen and the lawless from Billy the Kid to the painted ladies of frontier cow towns Nearly 2 500 entries taken from newspapers court records and more

The Great Pictorial History of World Crime Jay Robert Nash, 2004-04-29 The vast and mysterious world of criminals from ancient times through the 21st century is vividly captured in The Great Pictorial History of World Crime This unique and staggering reference work chronicles every major criminal act from every era A definitive reference source to worldwide crime this unparalleled survey is organized into sixteen chapters Assassination Bigamy Burglary Cannibalism Celebrity Slayings Drugs Fraud Gangs Gangsters and Organized Crime Kidnapping Mass Murder Piracy Robbery Secret Criminal Societies Serial Killers Terrorism Unsolved Homicides Each chapter begins with an essay that introduces the topic and provides a concise overview of the historical social and political significance of the crime Subjects are further developed crime by crime through descriptive entries

covering the criminal acts modus operandi criminal background information and motives along with insightful anecdotes In addition to being a being a vital and informative historical and sociological reference work The Great Pictorial History of World Crime features more than 2 500 illustrations More than a chronicle of chilling events these two volumes provide gripping reading for anyone interested in true crime law enforcement criminology and criminal justice Ghost Towns of Oklahoma John Wesley Morris,1977 Lists 130 ghost towns in alphabetical order and includes descriptions of each **The War on Powder River** Helena Huntington Smith,1966-01-01 Account of the Wyoming range war of the Johnson County Stock Growers Association against homesteading cowboys and small ranchers **Trails South** C. Robert Haywood,2006 History of the trails from Dodge City Kansas to points in Oklahoma and Texas used primarily for trade from 1880 through the turn of the century *Chronicles of Oklahoma* ,1925 *Black Cowboys and Early Cattle Drives: On the Trails from Texas to Montana* Nancy K. Williams,2023 Dust and Determination After the Civil War emancipated slaves who didn t want to pick cotton or operate an elevator headed west to find work and a new life Charles Goodnight and Oliver Loving drove two thousand longhorns across southern Texas blazing a trail to Bosque Redondo in New Mexico In 1866 the new Goodnight Loving Trail was crowded with cattle headed for a government market By the 1870s twenty five percent of the over thirty five thousand cowboys in the West were black They were part of trail crews that drove more than twenty seven million cattle on the Goodnight Loving Trail Western Trail Chisholm Trail and Shawnee Trail They were paid equally and their skill and ability brought them earned respect and prestige Author Nancy Williams recounts their lasting legacy Deadly Dozen Robert K. DeArment,2012-11-27 Think gunfighter and Wyatt Earp or Billy the Kid may come to mind but what of Jim Moon Joel Fowler Zack Light A host of other figures helped forge the gunfighter persona but their stories have been lost to time In a sequel to his Deadly Dozen celebrated western historian Robert K DeArment now offers more biographical portraits of lesser known gunfighters men who perhaps weren t glorified in legend or song but who were rightfully notorious in their day DeArment has tracked down stories of gunmen from throughout the West characters you won t find in any of today s western history encyclopedias but whose careers are colorfully described here Photos of the men and telling quotations from primary sources make these characters come alive In giving these men their due DeArment takes readers back to the gunfighter culture spawned in part by the upheavals of the Civil War to a time when deadly duels were part of the social fabric of frontier towns and the Code of the West was real His vignettes offer telling insights into conditions on the frontier that created the gunfighters of legend These overlooked shooters never won national headlines but made their own contributions to the blood and thunder of the Old West people less than legends but all the more fascinating because they were real Readers who enjoyed DeArment s Deadly Dozen will find this book equally captivating as gripping as a showdown twelve times over

Black Cowboys and Early Cattle Drives Mrs. Nancy K. Williams,2023-06-19 Dust and Determination After the Civil War emancipated slaves who didn t want to pick cotton or operate an elevator headed west to find work and a new life

Charles Goodnight and Oliver Loving drove two thousand longhorns across southern Texas blazing a trail to Bosque Redondo in New Mexico In 1866 the new Goodnight Loving Trail was crowded with cattle headed for a government market By the 1870s twenty five percent of the over thirty five thousand cowboys in the West were black They were part of trail crews that drove more than twenty seven million cattle on the Goodnight Loving Trail Western Trail Chisholm Trail and Shawnee Trail They were paid equally and their skill and ability brought them earned respect and prestige Author Nancy Williams recounts their lasting legacy

Lost Trails Of The Cimarron: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. Lost Trails Of The Cimarron : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Lost Trails Of The Cimarron : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Lost Trails Of The Cimarron : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
