New Critical Perspectives On Martin Walser

Marco Casella

New Critical Perspectives On Martin Walser:

New Critical Perspectives on Martin Walser Frank Pilipp, 1994 Critical essays on contemporary German novelist Martin Walser born 1927 is one of the most prolific contemporary German novelists and one with a place in world literature His work provides an astute critical commentary in novelistic form on postwar Germany The present volume comprises essays by eleven Walser experts on various aspects of his writings with concentration on the novels of the last 15 years books such as Runaway Horse 1978 The Inner Man 1979 The Swan Villa 1980 Letter to Lord Liszt 1982 and In Defense of Childhood 1991 Parallels and influences discussed in these studies include Schiller Richardson Hofmannsthal Kafka Thomas Mann Marcel Proust Updike Brecht and Walter Kempowski **Encyclopedia of the World Novel, 1900 to the Present** Michael David Sollars, Arbolina Llamas Jennings, 2015-04-22 Praise for the print edition a useful and engaging reference to the vast world of the novel in world literature **Ambivalent Literary Farewells to the German Democratic Republic** John David Pizer, 2021-08-02 This study reverses the question implicit in title of Christa Wolf's now canonical 1990 novella Was bleibt What remains looking instead at what was lost during the process of German reunification It argues that in their work during and after the Wende most literary authors from both East and West Germany responded ambivalently to the reunification Many felt on the one hand a keen sense of loss as the GDR dissolved and an expanded Federal Republic summarily absorbed former Eastern Germany They mourned the ideals of democratic socialism tolerance and internationalism that the GDR had held dear as well as the country's rich cultural life On the other hand however they recognized that the GDR was a fundamentally corrupt surveillance state whose industry weighed heavily on the environment while failing to buoy the country's economy By looking at works by some of the most important authors from either side of the border this study shows that those who unequivocally embraced the reunification were clearly in the minority Aging and Old-Age Style in Günter Grass, Ruth Klüger, Christa Wolf, and Martin Walser Stuart Taberner, 2013 Explores the performance of aging in the late style of Günter Grass Ruth Klüger Christa Wolf and Martin Walser Demographers say that by the year 2060 every seventh person in Germany will be aged eighty or older and every third person over sixty five The prediction for other Western countries is scarcely different Indeed the aging society is seen by some as a graver threat than even global warming with potentially unmanageable tensions relating to intergenerational relationships work and benefits and flows of people This book explores the representation and performance of aging in recent late style German language fiction It situates the authors chosen as case studies Günter Grass Ruth Klüger Christa Wolf and Martin Walser in their biographical and social contexts and explores the significance of their aesthetic figuring of aging for debates raging both in Germany and internationally In particular the book looks at gender generations and trauma and their impact on how writers narrativize aging Finally it examines the timeliness of these different representations and late style performances of aging in the context of the shift of social political and economic power away from the declining societies of the West to the ascendant societies of

the East Stuart Taberner is Professor of Contemporary German Literature Culture and Society at the University of Leeds

The Facts on File Companion to the World Novel Michael Sollars, Arbolina Llamas Jennings, 2008 *The Political Psychology of the White Collar Worker in Martin Walser's Novels* Franz Oswald, 1998 This study evaluates the reception of Martin Walser's novels by critics and reviewers between 1957 and 1978 in West Germany East Germany Britain and the USA It demonstrates the connection between the aesthetic responses and the political positions of the critics The novel *Jenseits der Liebe* is identified as both a turning point in Walser's development and as a case of inconsistent reception by critics Walser's treatment of the political psychology of the salaried employee with its deep loyalty conflicts disturbed the critics more profoundly than the identity problems of his earlier and later heroes **The Cambridge Companion to the Modern German Novel** Graham Bartram, 2004-04-05 The Cambridge Companion to the Modern German Novel first published in 2004 provides a broad ranging introduction to the major trends in the development of the German novel from the 1890s to the present Written by an international team of experts it encompasses both modernist and realist traditions and also includes a look back to the roots of the modern novel in the Bildungsroman of the late eighteenth and nineteenth centuries The structure is broadly chronological but thematically focused chapters examine topics such as gender anxiety images of the city war and women's writing within each chapter key works are selected for close attention Unique in its combination of breadth of coverage and detailed analysis of individual works and featuring a chronology and guides to further reading this Companion will be indispensable to students and teachers *MLA International Bibliography of Books and Articles on the Modern Languages and Literatures*, 1994 *The Burden of the Past* Thomas A. Kovach, Martin Walser, 2008 English translation analysis and contextualization of Walser's notorious but little examined Peace Prize speech and related writings The German novelist Martin Walser's 1998 speech upon accepting the Peace Prize of the German Book Trade remains a milestone in recent German efforts to come to terms with the Nazi past The day after the speech Ignatz Bubis leader of Germany's Jewish community attacked Walser for inciting dangerous right wing sentiment with controversial passages including the notorious statement Auschwitz is not suited to be a moral bludgeon thus igniting the protracted public battle of opinions known as the Walser Bubis Debate The speech continues to loom large in Germany's struggle to acknowledge responsibility for Nazi crimes yet escape a suffocating burden of remembrance But in spite of its notoriety little attention has been paid to what the speech actually says as opposed to the public outcry and debate that followed it This book presents the text of the speech along with several of Walser's other essays and speeches about the Holocaust and its impact on German identity in English translation It examines them as texts a process that involves a discussion of literary complexities and an attempt to distinguish valid criticism of German intellectual life from what is justifiably problematic And it places this textual examination in the context of Walser's and other postwar German intellectuals' attempts to deal with the Nazi past of German Jewish relations in the postwar era and of the once hidden and now due in part to Walser's speech increasingly open

discourse about Germans as victims during and immediately after the Nazi era Thomas A Kovach is Professor of German Studies at the University of Arizona **SAIS Review**, 1999 **Monatshefte**, 1974 *German Culture and the Uncomfortable Past* Helmut Schmitz, 2017-07-05 Beginning with the question of the role of the past in the shaping of a contemporary identity this volume spans three generations of German and Austrian writers and explores changes and shifts in the aesthetics of Vergangenheitsbewältigung coming to terms with the past The purpose of the book is to assess contemporary German literary representations of National Socialism in a wider context of these current debates The contributors address questions arising from a shift over the last decade triggered by a generation change questions of personal and national identity in Germany and Austria and the aesthetics of memory One of the central questions that emerges in relation to the Hitler youth generation is that of biography as examined through Günter Grass and Martin Walser's conflicting views on the subject of National Socialism Other themes explored here are the conflict between the post war generations and the contributions of that conflict to West German mentality and the growing historical distance and its influence on the aesthetics of representation *Martin Walser in Perspective* K. Stuart Parkes, Fritz Wefelmeyer, 2004 Revised versions of papers most of which were presented at a conference held at the Institute of Germanic Studies London England in May 2002 **Historical Dictionary of Postwar German Literature** William Grange, 2009-07-09 Some authors strongly criticized attempts to rebuild a German literary culture in the aftermath of World War II while others actively committed themselves to dealing with the German past There are writers in Austria and Switzerland that find other contradictions of contemporary life troubling while some find them funny or even worth celebrating German postwar literature has in the minds of some observers developed a kind of split personality In view of the traumatic monstrosities of the previous century that development may seem logical to some The Historical Dictionary of Postwar German Literature is devoted to modern literature produced in the German language whether from Germany Austria Switzerland or writers using German in other countries This volume covers an extensive period of time beginning in 1945 at what was called zero hour for German literature and proceeds into the 21st century concluding in 2008 This is done through a list of acronyms and abbreviations a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on writers such as Nobel Prize winners Heinrich Böll Günter Grass Elias Canetti Elfriede Jelinek and W G Sebald There are also entries on individual works genres movements literary styles and forms **Cyclopedia of World Authors: Scot-Z. Indexes** Frank Northen Magill, 2004 **JEGP, Journal of English and Germanic Philology** Gustaf E. Karsten, 1997 **Hans-Ulrich Treichel** David Basker, 2004 A critical evaluation of the work of Hans Ulrich Treichel a popular contemporary German poet and writer comprising nine unpublished poems an outline of his life an interview in German five critical essays one in German and a detailed bibliography *Moderna språk*, 2007 **Arbeit und Melancholie** Nerea Vöing, 2019-07-30 Erschließung Depression Burnout Folgeprobleme von Erwerbsarbeit werden in literarischen

Auseinandersetzungen zunehmend zum Sujet Wilhelm Genazinos Angestellte Karen Duves Taxifahrerin Fr d ric Beigbeders Werber Ter zia Moras Salesmanager sie alle werden als ersch pft bis verzweifelte Figuren gezeichnet und offenbaren dar ber eine implizite Kritik an ver nderten Anforderungen der Arbeitsgesellschaft Auf der Basis kulturgeschichtlicher berlegungen und anhand ausgew hlte Texte der Gegenwartsliteratur zeichnet Nerea V ings komparatistische Studie nach wie ausgerechnet die seit der Antike zur Feindin der Arbeit stilisierte Melancholie zum Vehikel dieser kritischen Darstellung werden konnte

Critical Survey of Drama: Giangiorgio Trissino - Arnold Zweig, Essays Carl Edmund Rollyson, Frank Northen Magill, 2003 Combines updates and expands two earlier Salem Press reference sets Critical survey of drama Rev ed English language series published in 1994 and Critical survey of drama Foreign language series published in 1986 This new 8 vol set contains 602 essays of which 538 discuss individual dramatists and 64 cover broad overview topics The dramatist profiles contain more than 310 photographs and drawings

As recognized, adventure as with ease as experience practically lesson, amusement, as skillfully as concurrence can be gotten by just checking out a books **New Critical Perspectives On Martin Walser** plus it is not directly done, you could put up with even more roughly speaking this life, in relation to the world.

We allow you this proper as competently as easy mannerism to acquire those all. We have the funds for New Critical Perspectives On Martin Walser and numerous ebook collections from fictions to scientific research in any way. in the course of them is this New Critical Perspectives On Martin Walser that can be your partner.
