What's Right with Preaching Today? Mike Graves, André Resner, 2021-03-09 In 1928 when Riverside Church NYC pastor Harry Emerson Fosdick asked the question in Harpers Magazine What s the Matter with Preaching Today he did not know that one response to that question had just entered the world in Humboldt Tennessee Fred B Craddock revolutionized preaching theory and practice by flipping pulpit logic from deductive to inductive often called the preaching as storytelling revolution and in so doing brought renewed interest and impact to the practice of preaching effectively rescuing it from an often tedious and moralizing fate With Fred preaching was anything but boring Rather it was an exciting and enlightening ride that led to the renewal of faith To honor Craddock s legacy Mike Graves and Andre Resner invited ten leading voices in homiletics to identify something that is right about preaching today In addition they issued a call to a wide variety of people to contribute stories about Fred s impact on their lives and ministries Twenty seven remembrances of Fred are included here throughout the book If you appreciate effective and engaging preaching as either a preacher or listener the essays and remembrances here will speak to you and provide encouragement about preaching s present and future With contributions from Ronald J Allen Barbara K Lundblad Alyce McKenzie Debra J Mumford Luke Powery Andre Resner Richard Ward Dawn Ottoni Wilhelm Paul Scott Wilson
