Palestine And Israel:

Understanding the Palestinian-Israeli Conflict Phyllis Bennis, 2012-12-28 If you have ever wondered Why is there so much violence in the Middle East Who are the Palestinians What are the occupied territories or What does Israel want then this is the book for you With straightforward language Phyllis Bennis longtime analyst of the region answers basic questions about Israel and Israelis Palestine and Palestinians the US and the Middle East Zionism and anti-Semitism about complex issues ranging from the Oslo peace process to the election of Hamas to the Goldstone Report and the Palestinians UN initiatives Together her answers provide a comprehensive understanding of the longstanding Palestinian Israeli conflict This new edition includes sections on the continuing settlement crisis the UN statehood bid and UNESCO Palestine in the Arab Spring BDS and the Palestinian nonviolent movements the Israeli elections and what's ahead Sections include The Crisis The Other Players The Role of the US the UN the Arab States and Europe Recent History Rising Violence Looking Backward 1900 1991 The Future

The Israel-Palestine Conflict Neil Caplan, 2019-09-11 One of the 10 Must Read Histories of the Palestine Israel Conflict Ian Black Literary Hub on the 100th anniversary of the Balfour Declaration The new edition of the acclaimed text that explores the issues continuing to define the Israeli Palestinian conflict Numerous instances of competing sometimes incompatible narratives of controversial events are found throughout history Perhaps the starkest example of such contradictory representations is the decades long conflict between Israel and Palestine For over 140 years Israelis Palestinians and scores of peacemakers have failed to establish a sustainable mutually acceptable solution The Israel Palestine Conflict introduces the historical basis of the dispute and explores both the tangible issues and intangible factors that have blocked a peaceful resolution Author Neil Caplan helps readers understand the complexities and contradictions of the conflict and why the histories of Palestine and Israel are so fiercely contested Now in its second edition this book has been thoroughly updated to reflect the events that have transpired since its original publication Fresh insights consider the impact of current global and regional instability and violence on the prospects of peace and reconciliation New discussions address recent debates over two state versus one state solutions growing polarization in public discourse outside of the Middle East the role of public intellectuals and the growing trend of merging scholarship with advocacy Part of the Wiley Blackwell Contested Histories series this clear and accessible volume Offers a balanced non polemic approach to current academic discussions and political debates on the Israel Palestine conflict Highlights eleven core arguments viewed by the author as unwinnable Encourages readers to go beyond simply assigning blame in the conflict Explores the major historiographical debates arising from the dispute Includes updated references and additional maps Already a standard text for courses on the history and politics of the Middle East The Israel Palestine Conflict is an indispensable resource for students scholars and interested general readers

One Land, Two States Mark LeVine, Mathias Mossberg, 2014-06-20 One Land Two States imagines a new vision for Israel and Palestine in a situation where the peace process has failed to deliver an

end of conflict If the land cannot be shared by geographical division and if a one state solution remains unacceptable the book asks can the land be shared in some other way Leading Palestinian and Israeli experts along with international diplomats and scholars answer this timely question by examining a scenario with two parallel state structures both covering the whole territory between the Mediterranean and the Jordan River allowing for shared rather than competing claims of sovereignty Such a political architecture would radically transform the nature and stakes of the Israel Palestine conflict open up for Israelis to remain in the West Bank and maintain their security position enable Palestinians to settle in all of historic Palestine and transform Jerusalem into a capital for both of full equality and independence all without disturbing the demographic balance of each state Exploring themes of security resistance diaspora globalism and religion as well as forms of political and economic power that are not dependent on claims of exclusive territorial sovereignty this pioneering book offers new ideas for the resolution of conflicts worldwide

One Country Ali Abunimah,2007-08-21 A provocative approach to the Israeli Palestinian conflict one state for two peoples that is sure to touch nerves on all sides The Israeli Palestinian war has been called the world s most intractable conflict It is by now a commonplace that the only way to end the violence is to divide the territory in two and all efforts at a resolution have come down to haggling over who gets what Will Israel hand over 90 percent of the West Bank or only 60 percent Will a Palestinian state include any part of Jerusalem Clear eyed sharply reasoned and compassionate One Country proposes a radical alternative to revive an old and neglected idea of one state shared by two peoples Ali Abunimah shows how the two are by now so intertwined geographically and economically that separation cannot lead to the security Israelis need or the rights Palestinians must have He reveals the bankruptcy of the two state approach takes on the objections and taboos that stand in the way of a binational solution and demonstrates that sharing the territory will bring benefits for all The absence of other workable options has only lead to ever greater extremism it is time Abunimah suggests for Palestinians and Israelis to imagine a different future and a different relationship

The Palestine-Israel Conflict Gregory Harms,Todd M Ferry,2012-06-14 The Palestine Israel conflict is the most notorious and ingrained conflict of the twentieth and now twenty first century Yet the way it is reported in the media is often confusing leading many to assume the hostilities stretch back to an ancient period The Palestine Israel Conflict is the first book to provide a clear accessible and annotated introduction that covers the full history of the region from Biblical times until today Perfect for the general reader as well as students it offers a comprehensive yet lucid rendering of the conflict setting it in its proper historical context Harms and Ferry show how today s violence is very much a product of recent history with its roots in the twentieth century This balanced account is now fully up to date including the ongoing situation in Gaza making it a valuable resource for anyone who wants a clear guide to the conflict between Israel and the Palestinian territories and its place in the history of Middle Eastern affairs

Israel and Palestine Dr King,John King,2005-11-02 Israel and Palestine lie at the heart of today s conflicts in the Middle East This book answers key questions such as When and how did the modern

conflict begin Are the arguments between Israelis and Palestinians close to being settled How does the conflict affect the rest of the Middle East and the world *Palestine and Israel* John B. Quigley,1990 The dispute over Palestine between the Palestinian Arabs and the Israelis is one of the most volatile and intractable conflicts in the world today Palestine and Israel examines the history of this battle from the perspective of international law and it argues that a long term solution to the conflict must protect legitimate interests to remain viable an element the author believes has so far been seriously neglected This extensively documented work details the complex politics and agonizing struggles that have characterized the clash between Jews and Arabs examining in depth the competing claims to Palestine and the extent to which legitimate interests remain to be fulfilled Beginning with the early Zionist settlement in Palestine that rose from the effort by Jews to escape long standing discrimination in Europe Qigley investigates the origins of the dispute including the British occupation of Palestine the British Mandate and the involvement of the United Nations He examines the 1948 War the establishment of Israel and explores the legal and political status of Jews there After a detailed analysis of the 1967 War and Israel s occupation of the West Bank and Gaza Strip he concludes with recommendations for resolving the conflict including discussions of the responsibility of other states for the persisting injustice the role of other states in settling the dispute and steps to a possible solution

The Israel-Palestine Conflict Elizabeth Matthews,2011-03-21 The conflict between the Israelis and the Palestinians is considered intractable by many and is frequently characterised by the violence between the two sides In attempts at peace the starting point for negotiations is a cessation of violence beneath this however lies a plethora of other issues to be addressed This unique text brings together Israeli and Palestinian viewpoints on a number of key issues and topics making clear the points of agreement as well as the views that divide The chapters deal first with three issues that require compromise and resolution for a peace treaty to be realized water refugees and borders territory and settlements and then with three important concepts that can either impede or promote peace democracy human rights and peace culture and education Thus the book provides an invaluable opportunity to understand at least in part the divergent and even convergent interests and understandings of Israelis and Palestinians on issues and concepts important to the peace process As such it will be a valuable resource for courses on conflict resolution the Middle East peace process and political science

The Palestinian-Israeli Conflict: A Very Short Introduction Martin Bunton,2013-08-29 The conflict between Palestine and Israel is one of the most highly publicized and bitter struggles in history In this accessible and stimulating Very Short Introduction Martin Bunton clearly explains the history of the problem reducing it to its very essence a modern territorial contest between two nations and one geographical territory Adopting a fresh and original approach each section covers a twenty year span to highlight the historical complexity of the conflict throughout successive decades Each chapter starts with an examination of the relationships among people and events that marked particular years as historical moments in the evolution of the conflict including the 1897 Basle Congress the 1917 Balfour Declaration and British occupation of Palestine

and the 1947 UN Partition Plan and the war for Palestine Providing a clear and fair exploration of the main issues Bunton explores not only the historical basis of the conflict but also looks at how and why partition has been so difficult and how efforts to restore peace continue today ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Culture and Conflict in Palestine/Israel Tamir Sorek,2021-12-26 While the scholarly study of culture as a politically contested sphere in Palestine Israel has become an established field over the past two decades this volume highlights some particular understudied aspects of it the relations between Arab identity Mizrahi identity and Israeli nationalism the nightclub scene as a field of encounter appropriation and exclusion an analysis of the institutional and political conditions of Palestinian cinema the implications of the intersectional relationship between gender ethnicity and national identity in the field of popular culture and the concrete relations between particular aesthetic forms and symbolic power The authors come from diverse disciplines including anthropology architecture ethnomusicology history sociology and political science The chapters in this book were originally published as a special issue of Ethnic and Racial Studies

Palestine/Israel Marwan Bishara,2002-09 Sharon s election The Second Intifada Suicide bombings Israel s reoccupation of the West Bank President Bush s demand that Palestinians choose a new leadership In this new edition Marwan Bishara a leading Palestinian commentator analyses the situation since the failed Oslo Accords and argues that peace without justice is impossible Israel may not yet recognise this fact but one day it will have to in the same way as de Klerk a decade ago had to do in apartheid South Africa

Theologies of Liberation in Palestine-Israel Nur Masalha,Lisa Isherwood,2014-04-29 This collection of essays concerns the development of contextualized theologies of liberation in Palestine and the indigenous Palestinian people s struggle for justice and liberation The work is innovative because of its inclusion of indigenous perspectives within its remit and the introduction of new concepts such as civil liberation theology The collection offers other ways to look at biblical discourses and their impact on the ongoing conflict ways to live peace ways to be ethical when visiting these conflicted lands understandings of resource ethics and even a new way to understand how we approach our understanding of liberation theology Contributors include well known scholars from Muslim Jewish Christian Palestinian Israeli Indian American and British contexts This work goes beyond standard academic collections It is aimed not only at scholars and students but also at peace activists and policymakers It should be of use not only in academic courses but also for practitioners of conflict resolution peace and reconciliation

Struggle and Survival in Palestine/Israel Mark LeVine,Gershon Shafir,2012-09 This book is a collection of narratives collects from family archives interviews and published memoirs They tell the stories of everyday people living a conflict ridden world emphasizing individual interaction introducing marginal voices alongside more renowned ones defying typical definition of Israelis and

Palestinians **Palestine, Israel, and the Politics of Popular Culture** Rebecca L. Stein, Ted Swedenburg, 2005-07-13

This important volume rethinks the conventional parameters of Middle East studies through attention to popular cultural forms producers and communities of consumers The volume has a broad historical scope ranging from the late Ottoman period to the second Palestinian uprising with a focus on cultural forms and processes in Israel Palestine and the refugee camps of the Arab Middle East The contributors consider how Palestinian and Israeli popular culture influences and is influenced by political economic social and historical processes in the region At the same time they follow the circulation of Palestinian and Israeli cultural commodities and imaginations across borders and checkpoints and within the global marketplace The volume is interdisciplinary including the work of anthropologists historians sociologists political scientists ethnomusicologists and Americanist and literary studies scholars Contributors examine popular music of the Palestinian resistance ethno racial passing in Israeli cinema Arab Jewish rock Euro Israeli tourism to the Arab Middle East Internet communities in the Palestinian diaspora caf culture in early twentieth century Jerusalem and more Together they suggest new ways of conceptualizing Palestinian and Israeli political culture Contributors Livia Alexander Carol Bardenstein Elliott Colla Amy Horowitz Laleh Khalili Mary Layoun Mark LeVine Joseph Massad Melani McAlister Ilan Papp Rebecca L Stein Ted Swedenburg Salim Tamari Reporting Palestine-Israel in British Newspapers Nadia R. Sirhan, 2021-08-28

This book examines the portrayal of the Palestinian Israeli conflict by looking at the language used in its reporting and how this can in turn influence public opinion The book explores how language use helps frame an event to elicit a particular interpretation from the reader and how this can be manipulated to introduce bias Sirhan begins the book by examining the history of the conflict and the many persistent myths that surround it She analyses how five events in the conflict two in which the Palestinians are victims two in which the Israelis are victims and Operation Cast Lead are reported in five British newspapers The Daily Mail The Guardian The Independent The Daily Telegraph and The Times By looking at these events across a range of newspapers the book investigates differences in the way that the media report each side before exploring what factors motivate these differences including issues of bias censorship lobbying and propaganda **Decolonial Solidarity in**

Palestine-Israel Teodora Todorova, 2021-06-17 Recent years have seen the Israeli state become ever more extreme in its treatment of Palestinians manifested both in legislation stripping Palestinians of their rights and in the escalating scale and violence of the Israeli occupation But this hard line stance has in turn provoked a new spirit of dissent among a growing number of Israeli scholars and civil society activists As well as recognising Palestinian claims to justice and self determination this new dissent is characterised by calls for genuine decolonisation and an end to partition as opposed to the now discredited two state solution Through the analytical lens of settler colonial studies this book examines the impact of this new decolonial solidarity through case studies of three activist groups Zochrot Anarchists Against the Wall and the Israeli Committee Against House Demolitions ICAHD In doing so Todorova extends the framework of settler colonial studies beyond

scholarly analysis and into the realm of activist practice She also looks at how decolonial solidarity has shaped and been influenced by the writings of both Palestinian and Israeli theorists The book shows that new forms of civil society activism bringing together Palestinian and Israeli activists can rejuvenate the resistance to occupation and the Israeli state's growing authoritarianism

What is Palestine-Israel? Sonia Weaver, 2017-05-10 The deep fissures and complicated history of Palestine Israel can make this area of the Middle East difficult to understand What is Palestine Israel offers concise answers to complex questions and revealing glimpses into peacebuilding efforts underway in the region Organized around the most frequently asked questions about Palestine Israel former Middle East worker Sonia K Weaver presents straightforward treatment of the crisis theological discussions around the conflict and a window into the crucial peacebuilding work occurring in the region While the book grew out of the experience of Mennonite Central Committee MCC a relief development and peacebuilding ministry of Anabaptist churches it also pays attention to the work of other mission and peace agencies in the country Organized by theme What is Palestine Israel offers helpful maps and photographs that give readers an intimate view of the area and profiles of Palestinian and Israeli peacebuilders Includes resources for further study

Palestine and the Arab-Israeli Conflict Charles D. Smith, 2020-08-18 Palestine and the Arab Israeli Conflict provides a comprehensive balanced and accessible narrative of a complex historical topic The narrative is supported by more than 40 primary documents that highlight perspectives from all sides of the struggle Throughout the book the author examines how underlying issues group motives religious and cross cultural clashes diplomacy and imperialism and the arrival of the modern era shaped this volatile region Maps photographs chronologies public opinion polls and discussion questions help facilitate student understanding A fully updated final chapter makes this the most current history of the topic

Israel's Colonial Project in Palestine Elia Zureik, 2015-11-19 Colonialism has three foundational concerns violence territory and population control all of which rest on racist discourse and practice Placing the Zionist project in Israel Palestine within the context of settler colonialism reveals strategies and goals behind the region's rules of governance that have included violence repressive state laws and racialized forms of surveillance In *Israel's Colonial Project in Palestine Brutal Pursuit* Elia Zureik revisits and reworks fundamental ideas that informed his first work on colonialism and Palestine three decades ago Focusing on the means of control that are at the centre of Israel's actions toward Palestine this book applies Michel Foucault's work on biopolitics to colonialism and to the situation in Israel Palestine in particular It reveals how racism plays a central role in colonialism and biopolitics and how surveillance in all its forms becomes the indispensable tool of governance It goes on to analyse territoriality in light of biopolitics with the dispossession of indigenous people and population transfer advancing the state's agenda and justified as in the interests of national security The book incorporates sociological historical and postcolonial studies into an informed and original examination of the Zionist project in Palestine from the establishment of Israel through to the actions and decisions of the present day Israeli government Providing new perspectives on settler

colonialism informed by Foucault's theory and with particular focus on the role played by state surveillance in controlling the Palestinian population this book is a valuable resource for students and scholars interested in the Arab Israeli Conflict and Colonialism *Israel's Palestinians* Ilan Peleg, Dov Waxman, 2011-05-30 Arguing that a comprehensive and lasting solution to the Israeli Palestinian conflict depends on a resolution of the Jewish Palestinian conflict within Israel as much as it does on resolving the conflict between Israel and Palestinians in the Occupied Territories this timely book explores the causes and consequences of the growing conflict between Israel's Jewish majority and its Palestinian Arab minority It warns that if Jewish Arab relations in Israel continue to deteriorate this will pose a serious threat to the stability of Israel to the quality of Israeli democracy and to the potential for peace in the Middle East The book examines the views and attitudes of both the Palestinian minority and the Jewish majority as well as the Israeli state's historic approach to its Arab citizens Drawing upon the experience of other states with national minorities the authors put forward specific proposals for safeguarding and enhancing the rights of the Palestinian minority while maintaining the country's Jewish identity

Right here, we have countless ebook **Palestine And Israel** and collections to check out. We additionally meet the expense of variant types and next type of the books to browse. The up to standard book, fiction, history, novel, scientific research, as competently as various extra sorts of books are readily friendly here.
