Upper West Side Story Peter Salwen, 1989 As any resident restaurateur or realtor will tell you New York's Upper West Side that swath of Manhattan between Central Park and the Hudson River from roughly Columbus Circle to Columbia University is the place for fashionable dining dwelling and dressing up But the Young Urban Professionals now discovering the area and many oldtimers too might be surprised to learn that other colonists had preceded them by two or three hundred years Dutch farmers and English gentry with names like Theunis Idens van Huys Hendrick Hendrickon Bosch Charles Ward Apthorpe and Oliver De Lancey The names of many later residents are more familiar Edgar Allan Poe William Tecumseh Sherman Lillian Russell Diamond Jim Brady Florenz Ziegfeld Arturo Toscanini Fanny Brice William Randolph Hearst Theodore Dreiser Lewis Mumford Humphrey Bogart he was a child there Lauren Bacall so was she Gertrude Stein Mae West Leonard Bernstein John Lennon Quite a neighborhood And Peter Salwen's *Upper West Side Story* is quite a book an engaging often hilarious history of this fabulous city within a city It is a treasury of colorful biographies of farmers tycoons thieves and artists It is an architectural grand tour of the Dakota the Ansonia Lincoln Center and the romantic residential skyscrapers of Central Park West It is a compendium of Manhattan lore and delightful as well as occasionally horrifying trivia enough to turn even a casual browser into the Compleat Upper West Sider The story of this

dynamic neighborhood begins with the colonial period when merchant princes commanded royal views of the Hudson until the approach of Washington's troops drove them from their mansions and continues through the bucolic nineteenth century when the Bloomingdale Lunatic Asylum at 116th and Broadway site of today's Columbia University was the Upper West Side's prime tourist attraction. By the turn of the twentieth century the fashionable West End as the neighborhood was then known boasted extravagant mansions and private homes, grand parks and equestrian boulevards and its own unique theatrical and night life. Author Peter Salwen chronicles those high living years and the half century of inexorable decline that followed with its poverty and often sensational crime and brings us up to date with a lively account of the 1980s galloping renaissance. This book is living history, an unfinished story generously illustrated with vintage engravings and photos of the buildings and people great and humble, those still with us and those that are no more. Also included are special walking tours to suit all levels of ambition and energy and a who's who of famous and infamous residents and where they lived. Dust jacket

The Fire in Fiction Donald Maass, 2009-05-06 Discover the Difference Between a So So Manuscript and a Novel Readers Can't Forget We've all read them, novels by our favorite authors that disappoint. Uninspired and lifeless, we wonder what happened. Was the author in a hurry? Did she have a bad year? Has he lost interest altogether? Something similar is true of a great many unpublished manuscripts. They are okay stories that never take flight. They don't grip the imagination, let alone the heart. They merit only a shrug and a polite dismissal by agents and editors. It doesn't have to be that way. In *The Fire in Fiction*, successful literary agent and author Donald Maass shows you not only how to infuse your story with deep conviction and fiery passion but how to do it over and over again. The book features techniques for capturing a special time and place, creating characters whose lives matter, nailing multiple impact plot turns, making the supernatural real, infusing issues into fiction, and more. Story enriching exercises at the end of every chapter show you how to apply the practical tools just covered to your own work. Rich examples drawn from contemporary novels as diverse as *The Lake House*, *Water for Elephants*, and *Jennifer Government* illustrate how various techniques work in actual stories. Plus Maass introduces an original technique that any novelist can use any time in any scene in any novel, even on the most uninspired day, to take the most powerful experiences from your personal life and turn those experiences directly into powerful fiction. Tap into *The Fire in Fiction* and supercharge your story with originality and spark.

Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs, the first edition of *The Encyclopedia of New York City* was a success by every measure, earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published.
