

A person stands in a dark, misty forest, looking up at two large, glowing, oval-shaped portals that resemble galaxies or nebulae. The portals are filled with vibrant colors like blue, orange, and purple, and are surrounded by a soft, ethereal light. The person is silhouetted against the bright light of the portals. The overall atmosphere is magical and dreamlike.

Since 1995, Steve McVey's Grace Walk (over 250,000 sold) has inspired Christians to leave behind performance and fear-based Christianity and embrace God in all His generosity and grace. Steve's devotional draws on Scripture and the Grace Walk message, enabling readers to take in life-changing teaching piece by piece and day by day. This power-packed book will lead believers to understand who they are in Christ, help them relax and delight in Jesus' love and friendship, and find that He will do more through them and in them than they could ever do for Him or for themselves.

The Great Heart Way Ilia Shinko Perez, Gerry Shishin Wick, 2013-02-08. Self-compassion, positive social relations, an enduring sense of freedom and peace—they're essential parts of our everyday lives or should be. But each of us struggles with difficult emotions and mental blockages; we might lash out when we should know better or regress in negatively familiar situations or struggle with our confidence. These types of problematic reactions occur and recur when we're unkind to and negligent of our inner selves. The Great Heart Way offers us all a way to heal inner wounds and transform our difficult emotions. Anyone can try it, and everyone should. Using clear language and personal anecdotes, The Great Heart Way shows how to follow the Great Heart Method, an efficacious program for healing and self-fulfillment. The Method is easily incorporated into busy schedules; it can take less than 30 minutes per day and is accessible to all, regardless of spiritual background. The Great Heart Way gives readers the tools to safely work through uncovered emotional pain and establish a healthier, happier, and well-balanced way of thinking.
