Redneck Stomp

Irwin Stambler, Grelun Landon

Redneck Stomp:

"Redneck Woman" and the Gendered Poetics of Class Rebellion Nadine Hubbs, 2011-12-01 In 2004 Gretchen Wilson exploded onto the country music scene with Redneck Woman The blockbuster single led to the early release of her first CD and propelled it to triple platinum sales Gretchen Wilson celebrates a new kind Virile Woman on the country music scene but this subtle gender analysis reveals much more than immediately meets the eye This article appears in the 2011 Music issue of Southern Cultures Southern Cultures is published quarterly spring summer fall winter by the University of North Carolina Press The journal is sponsored by the University of North Carolina at Chapel Hill s Center for the Study of the American South *Rednecks, Queers, and Country Music* Nadine Hubbs, 2014-03-18 In her provocative new book Rednecks Queers and Country Music Nadine Hubbs looks at how class and gender identity play out in one of America s most culturally and politically charged forms of popular music Skillfully weaving historical inquiry with an examination of classed cultural repertoires and close listening to country songs Hubbs confronts the shifting and deeply entangled workings of taste sexuality and class politics In Hubbs s view the popular phrase I ll listen to anything but country allows middle class Americans to declare inclusive omnivore musical tastes with one crucial exclusion country a music linked to low status whites Throughout Rednecks Queers and Country Music Hubbs dissects this gesture examining how provincial white working people have emerged since the 1970s as the face of American bigotry particularly homophobia with country music their audible emblem Bringing together the redneck and the queer Hubbs challenges the conventional wisdom and historical amnesia that frame white working folk as a perpetual bigot class With a powerful combination of music criticism cultural critique and sociological analysis of contemporary class formation Nadine Hubbs zeroes in on flawed assumptions about how country music models and mirrors white working class identities She particularly shows how dismissive politically loaded middle class discourses devalue country s manifestations of working class culture politics and values and render working class acceptance of queerness invisible Lucid important and thought provoking this book is essential reading for students and scholars of American music gender and sexuality class and pop culture *Country Boys and Redneck Women* Diane Pecknold, Kristine M. McCusker, 2016-02-08 Country music boasts a long tradition of rich contradictory gender dynamics creating a world where Kitty Wells could play the demure housewife and the honky tonk angel simultaneously Dolly Parton could move from traditionalist girl singer to outspoken trans rights advocate and current radio playlists can alternate between the reckless masculinity of bro country and the adolescent girlishness of Taylor Swift In this follow up volume to A Boy Named Sue some of the leading authors in the field of country music studies reexamine the place of gender in country music considering the ways country artists and listeners have negotiated gender and sexuality through their music and how gender has shaped the way that music is made and heard In addition to shedding new light on such legends as Wells Parton Loretta Lynn and Charley Pride it traces more recent shifts in gender politics through the performances of such

contemporary luminaries as Swift Gretchen Wilson and Blake Shelton The book also explores the intersections of gender race class and nationality in a host of less expected contexts including the prisons of WWII era Texas where the members of the Goree All Girl String Band became the unlikelyst of radio stars the studios and offices of Plantation Records where Jeannie C Riley and Linda Martell challenged the social hierarchies of a changing South in the 1960s and the burgeoning cities of present day Brazil where college country has become one way of negotiating masculinity in an age of economic and social instability *Pages* Lydia King,2019-09-03 Cassie is a young girl who was just looking to make a little money for her senior year in high school She was surprised to learn that she could possibly get a job at the Main Cleveland Public Library in downtown Cleveland from a family member She was thrilled to land a job at the library She thought it would be a dream job only to discover the lying cheating prejudice hate filled atmosphere that dwell inside She will have to learn to maneuver through this poisonous twisted environment and learn to deal with a in your face life situations in the real world **Country**

Not only does it cover the complete chart careers of legendary country greats such as Johnny Cash, Tammy Wynette, Merle Haggard, Waylon Jennings, Alan Jackson, Garth Brooks, and Reba McEntire, it also introduces fresh country voices like Brad Paisley, Rascal Flatts, Cyndi Thomson, Tammy Cochran, Chris Cagle, Phil Vassar, and Trick Pony. This unique country compilation is a priceless gold mine of stats and facts, all presented in a handy, easy-to-use format. **Murder Ballads Old and New** Steven L. Jones,2023-09-12 Murder Ballads Old and New A Dark and Bloody Record is an exploration of an age-old topic: our human need to document the horrors of the world around us. The murder ballad here expanded to include songs about traumatic loss in modern variants and multiple styles including punk, post-punk, alt-country, and folk. The book is a graveyard stroll past tombs both well-kept and half-hidden. Murder Ballads Old and New excavates facts about killers, victims, and the folkloric storytellers who disseminated their tales in song. Author Steven L. Jones focuses the tragic ballad as an act of remembering and a soul reckoning with the ineffable. Songs examined range from obscure tunes from the founding days of the United States to familiar canonical songs learned in schoolrooms and honky-tonks. Jones tackles each song in a manner that's equal parts musicological, psychosocial, and genealogical as he uncovers stories that reveal larger contexts and maps the lineages of songs and themes. Forebears and ancestors. Murder Ballads Old and New includes a wide range of songs and performers from the relatively unknown Boiled in Lead, Freaky on the Loose, and the Hawaiians to the ironically famous Johnny Cash, Lou Reed, Sonic Youth. Highlights include tales of Muddy Waters' guitar sideman Pat Hare, whose incendiary blues boast "I'm Gonna Murder My Baby" proved grimly prophetic. And honky-tonk pioneer Eddie Noack, whose morbid stab at late-career rebirth "Psycho" couldn't match the bottomless tragedy of his own life. As well as Depression-era holdup man Pretty Boy Floyd, Schubert's mythical Erlking, and the Manson Family. Murder Ballads Old and New is a compelling delve into the perennial American fascination with True Crime. Includes archival and historical black and white images. **Joel Whitburn's Top Pop Singles 1955-2002** Joel Whitburn,2003 Book A full 48 years in the making, Joel Whitburn's Top Pop Singles 1955-2002 10th Edition is by far the biggest and best edition of our bestseller we've ever

published From vinyl 45s to CD singles to album tracks here and only here are the more than 25 000 titles and 6 000 artists that appeared on Billboard s Pop music charts from January 1955 through December 2002 Painstakingly researched and brimming with basic chart facts detailed artist and title data plus great new features and format changes that make it more useful than ever Billboard ,1995-02-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Billboard ,1995-01-14 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Grammy Magazine** ,2001
