Austin, 2012-08-15 The Religious Society of Friends and its service organization the American Friends Service Committee AFSC have long been known for their peace and justice activism The abolitionist work of Friends during the antebellum era has been well documented and their contemporary anti war and anti racism work is familiar to activists around the world Quaker Brotherhood is the first extensive study of the AFSC s interracial activism in the first half of the twentieth century filling a major gap in scholarship on the Quakers race relations work from the AFSC s founding in 1917 to the beginnings of the civil rights movement in the early 1950s Allan W Austin tracks the evolution of key AFSC projects such as the Interracial Section and the American Interracial Peace Committee which demonstrate the tentativeness of the Friends activism in the 1920s as well as efforts in the 1930s to make scholarly ideas and activist work more theologically relevant for Friends Documenting the AFSC s efforts to help European and Japanese American refugees during World War II Austin shows that by 1950 Quakers in the AFSC had honed a distinctly Friendly approach to interracial relations that combined scholarly understandings of race with their religious views In tracing the transformation of one of the most influential social activist groups in the United States over the first half of the twentieth century Quaker Brotherhood presents Friends in a thoughtful thorough and even handed manner Austin portrays the history of the AFSC and race highlighting the organization s boldness in some aspects and its timidity in others as an ongoing struggle that provides a foundation for understanding how shared agency might function in an imperfect and often racist world Highlighting the complicated and sometimes controversial connections between Quakers and race during this era Austin uncovers important aspects of the history of Friends pacifism feminism American religion immigration ethnicity and the early roots of multiculturalism Social Worker
