Reflecting On Social Work:

Reflective Practice in Social Work Christine Knott, Terry Scragg, 2010-04-16 Reflective practice is a key element of learning and development on social work courses This fully updated new edition explores a range of approaches to reflective practice and includes sections on gender reflecting on emotion and using reflection as a catalyst for change as well as asking the fundamental question what is reflective practice Written in three parts this essential guide starts with a broad exploration of reflection drawing on some key texts that have informed its development It then moves on to real practice issues including the management of social work practice and interprofessional working

Reflective Practice For Social Workers: A Handbook For Developing Professional Confidence Bruce, Linda, 2013-04-01 This book demystifies the reflective process and provides a straight forward knowledge base to enhance professional development

Reflective Social Work Practice Manohar Pawar, Bill Anscombe, 2014-10-08 Reflective Social Work Practice demonstrates how social workers can creatively and consciously combine thinking doing and being when working with individuals families groups communities and organisations and when undertaking research It discusses conceptual and theoretical aspects of reflective practice and presents a new cohesive reflective social work practice model It explores the themes of thinking theory doing practice and being virtues By defining being in terms of virtues the authors provide new perspectives for improved learning and practice in social work Each chapter features reflective exercises examples review questions and activities to engage and challenge readers Extended case studies throughout illustrate how a holistic approach to social work can enhance practice and enrich the quality of services delivered to people and communities Written by authors with extensive professional experience in social work Reflective Social Work Practice is an invaluable resource for social work human services and welfare students educators and practitioners alike

Postmodern Social Work Ken Moffatt, 2019-09-24 How should social workers adapt to a time of widespread instability and uncertainty How can social work practice account for the ever increasing infiltration of technology and media images into our daily lives and mental states In this book Ken Moffatt turns to postmodern philosophy s grappling with late capitalism and the omnipresence of technology in order to develop a new approach to reflective social work practice and critical pedagogy Postmodern Social Work attempts to reconcile postmodern thinkers with the realities of teaching social work to diverse student populations in a precarious era Moffatt advocates an ideal of reflective practice that allows social workers to combine direct experience social welfare and social justice Through a series of interlocking essays focused on the theoretical underpinnings of reflective practice in the context of social work education he explores the implications of postmodern theory for social work practice Drawing on thinkers such as Michel Foucault Judith Butler Julia Kristeva Gilles Deleuze and Félix Guattari Moffatt lays out a path forward for reflective social work providing new ways of thinking that collapse old categories and integrate direct practice with community engagement and social analysis Postmodern Social Work offers an approach to practice and teaching that considers the shifting landscape of social change

while remaining true to social work's primary concerns of inclusion and justice Reflective Social Work Practice Richard Ingram, Jane Fenton, Ann Hodson, 2017-09-16 This book provides social workers with a framework for reflecting on their day to day practice Using a social worker's diary as a starting point it provides valuable insight into how reflection enhances skills and how factors such as values and emotions can shape social work practice **Handbook of Reflection and Reflective Inquiry** Nona Lyons, 2010-04-07 Philosophers have warned of the perils of a life spent without reflection but what constitutes reflective inquiry and why it's necessary in our lives can be an elusive concept Synthesizing ideas from minds as diverse as John Dewey and Paulo Freire the Handbook of Reflection and Reflective Inquiry presents reflective thought in its most vital aspects not as a fanciful or nostalgic exercise but as a powerful means of seeing familiar events anew encouraging critical thinking and crucial insight teaching and learning In its opening pages two seasoned educators Maxine Greene and Lee Shulman discuss reflective inquiry as a form of active attention Thoreau's wide awakesness an act of consciousness and a process by which people can understand themselves their work particularly in the form of life projects and others Building on this foundation the Handbook analyzes through the work of 40 internationally oriented authors Definitional issues concerning reflection what it is and is not Worldwide social and moral conditions contributing to the growing interest in reflective inquiry in professional education Reflection as promoted across professional educational domains including K 12 education teacher education occupational therapy and the law Methods of facilitating and scaffolding reflective engagement Current pedagogical and research practices in reflection Approaches to assessing reflective inquiry Educators across the professions as well as adult educators counselors and psychologists and curriculum developers concerned with adult learning will find the Handbook of Reflection and Reflective Inquiry an invaluable teaching tool for challenging times *Reflective Practice in Education and Social Work* Robyn Ewing, Fran Waugh, David L. Smith, 2021-12-14 This book offers unique interdisciplinary insights into developing connections between reflective practice and employability particularly through the lenses of the education and social work professions It recognises the various meanings that can be applied to the notion of reflection and examines the challenges of using reflective practice in the workplace The chapters explore the tensions that arise from preparing professionals to be agents of change and concerned with social justice and equity Further the book provides much needed perspective on how diverse positions can be identified and leveraged and shared meanings negotiated in the creation of meaningful professional learning resources for early career teachers and social workers and across the career continuum Bringing together contributions from internationally renowned scholars *Reflective Practice in Education and Social Work* is essential reading for early career and experienced professionals in education and social work academics and practitioners seeking further professional development in reflective practice Reflective Practice Cards Siobhan Maclean, 2016

Demystifying Critical Reflection Namala Tilakaratna, Eszter Szenes, 2024-01-24 Drawing on Legitimation Code Theory LCT this volume reveals the knowledge practices and language of critical reflection in a range of different subjects making

clear how it can be taught and learned Critical thinking is widely held to be a key attribute required for successfully living learning and earning in modern societies Universities now list critical thinking as a key graduate quality and use critical reflection as a way of teaching students how to become reflective and ethical professionals Yet what critical reflection actually involves remains vague in research teaching practice and assessment Studies draw on LCT a fast growing framework for revealing the knowledge practices that enable educational success and the individual chapters focus on a diverse range of contexts across the disciplinary map including education science arts sociology and nursing The book further connects research and practice by presenting in depth analyses of critical reflection and providing practical insights into how LCT can be used to design pedagogic interventions The book offers a rich resource for both scholars and teachers who want to demystify critical reflection and prepare university students for the modern workplace

Reflections on Valuing Wellbeing in Higher Education Narelle Lemon, 2022-08-29 This book focuses on the lived experiences of higher education professionals working in the face of stress pressure and the threat of burnout and how acts of self care and wellbeing can support develop and maintain a sense of self In considering the place of self care in higher education we are challenged with the tension that exists when it comes to the valuing of self care and our individual and collective wellbeing In *Reflections on Valuing Wellbeing in Higher Education* authors present and explore the ways in which they manage and reframe their wellbeing and self care through mindfulness compassion connection to breath reflection demonstrating individual and collective embodiment and resistance to neoliberalism and environmental destruction Covering various contexts of higher education such as learning and teaching research leadership and engagement this book offers practical strategies grounded in literature and evidence based research The self in self care is relational It is not just about self We need others for inspiration motivation and indeed the act This book will be of great interest to professionals and researchers specifically interested in studies in higher education wellbeing and or identity as well as those navigating a career in higher education

Learning Critical Reflection Laura Béres, Jan Fook, 2019-08-13 *Learning Critical Reflection* documents the actual learning experiences of social work students and practitioners It explores how a more in depth understanding of the process of learning combined with an analysis of how to critically reflect will help improve the learning process The contributors are all professionals who have learnt in a formalised way how to critically reflect on their practice They speak in depth and with feeling about their experiences how downsides and upsides worked together to transform the way they understood themselves their professional identity and their practice Existing literature about critical reflection is reviewed identifying the details of learning and pulling no punches in

recognising the difficulty and complexity of becoming transformed through this learning process The editors of this book also contribute their own reflections on learning how to teach critical reflection and include the findings of a research study conducted on students learning Edited by two experienced educators this book showcases the process of learning from the perspective of the learners in order that educators and students managers supervisors and frontline practitioners alike may make the most of opportunities to critically reflect in both educational and workplace settings It should be considered essential reading for social work students practitioners and educators

Practising Critical Reflection to Develop

Emancipatory Change Christine Morley, 2016-04-08 Overwhelmingly critical practitioners working across a range of human service fields who are committed to emancipatory and progressive social change ideals report feeling powerless alienated from the means of change and hopeless about their capacities to make a difference in the lives of the individuals groups or communities with whom they work because of restrictive contexts that ultimately determine the nature and parameters of their work This ground breaking book addresses this dilemma by demonstrating how critical reflection as an educational tool enables practitioners to envision possibilities for change The legal system particularly in its response to sexual assault provides a perfect example of this type of context and this volume explores the work of sexual assault practitioners that are engaged in supporting victims survivors of sexual assault through the legal process By reshaping ideas that have previously been considered as predominantly theoretical and abstract Morley's work provides an innovative framework that enables social work and human services practitioners to find hope agency and practical strategies to work towards change despite operating in contexts that appear immutably oppressive

Researching Critical Reflection Jan Fook, Val Collington, Fiona Ross, Gillian Ruch, Linden West, 2015-10-05 Critical reflection helps professionals to learn directly from their practice experience so that they can improve their own work in an ongoing and flexible way something essential in today's complex and changing organisations It allows change to be managed in a way which enables individuals to preserve a sense of what is fundamentally important to them as professionals It is particularly important as it can also help make sense of some fundamental issues and so also has implications for how we live our lives However more systematic research on critical reflection is needed to help us understand what works best for professionals in different settings This timely work explores how critical reflection is researched evaluated and used as a research method itself with the aim of improving how it is taught and practised in a rigorous and transferable way Developing a more comprehensive and multi disciplinary view of the current state of critical reflection and the research directions which need to be taken the book is divided into four parts It Provides an overview of different perspectives on critical reflection and stimulates dialogue between them Establishes some common platforms from which to develop further research directions Identifies the major issues in evaluating critical reflection teaching and main methods for doing so Contributes to social science methodological innovations by exploring how methods based on critical reflection can be used for researching professional practice Contains contributions from academics

who are internationally known and highly experienced in different aspects of critical reflection Researching Critical Reflection is an important reference for all students practitioners and researchers including in the areas of education management health and social work who engage with critical reflection to develop their practice Being Critically Reflective Fiona Gardner,2014-07-04 Many students and practitioners are familiar with critical reflection but struggle to make space for it in their everyday practice This book provides an accessible and practical introduction not only to doing critical reflection but to being critically reflective It demonstrates how reflective capacity can be developed in different practice contexts and applied productively to supervision teamwork and interprofessional working It outlines the different theoretical underpinnings and methods of critical reflection exploring the use of visual images writing techniques and group meetings It is rich with engaging case studies and questions for the reader that will help them to make critical reflection an integral part of their everyday practice This book is an ideal guide to dealing with challenge and change across a range of social and healthcare services including social work nursing youth and community work counselling and allied healthcare professions *Practising Critical Reflection: a Resource Handbook* Jan Fook,Fiona Gardner,2007-09-16 How can professionals learn more easily from their own experience How can critical reflection be performed in a structured way How can professionals maintain a critically reflective stance when contexts may be restrictive Critical reflection in professional practice is popular across many different professions as a way of ensuring ongoing scrutiny and improved practice skills This accessible handbook focuses on a description and analysis of the theoretical input as well as the approach involved in critical reflection It also demonstrates some skills strategies and tools which might be used to practise it The cross disciplinary approach taken by the authors will appeal to a wide range of students and professionals and combines neatly with useful discussion of the complex educational and professional issues which arise from the practice of critical reflection An innovative website containing a variety of useful resources accompanies the book www.openup.co.uk/fookgardner Resources include Extracts from workshops interviews and lectures Additional articles and readings Sample material for workshop preparation Throughout the book the authors provide pertinent examples from their own practice referring to relevant literature providing annotated bibliographies and noting where additional resource materials are available to provide further illustration Practising Critical Reflection is key reading for a variety of students across social work health sciences and nursing as well as health care and social welfare professionals Pacific Rim Objective Measurement Symposium (PROMS) 2015 Conference Proceedings Quan Zhang,2016-08-06 This book collects and organizes the original studies presented at PROMS 2015 conference on theories and applications of Rasch model It provides useful examples of the Rasch model used to address practical measurement problems across a range of different disciplines including Item Response Theory IRT philosophy of measurement dimensionality the role of fit statistics and residuals application educational application language testing health related research business and industrial application and Rasch based computer software PROMS 2015 Pacific
