Stuckey, 2001* *A Journey Into God* John Morris, 2013 A Journey into God gives us a personal insight into the life of the author from his childhood illness through to his calling to South Africa to work in the area of healing and reconciliation Contains personal photographs *Reflections on Biblical Themes by an Octogenarian* Reuben J. Swanson, 2007-01-01 Reflections on Biblical Themes by an Octogenarian represents the journey into faith by the author of the essays over the span of sixty years in the pastoral ministry and as a professor on college university and theological school levels There has been a continuing growth in understanding from the beginnings of a rather conservative religious background and training to a more mature appreciation and understanding of life This growth came about through the interchange in the classroom as a student in preparation for ministry then as a pastor in the everyday work experience and interchange with parishioners and especially in the interchange with students in the classroom This more mature understanding and growth is reflected in the essays presented in this volume on various themes as listed in the Table of Contents It is hoped that they will be of value to lay persons and to professionals in the life of the church and in the academic world and that they will stimulate thought and discussion in parishes and in institutions of higher learning Some of the viewpoints may seem to be controversial but how are we to grow intellectually and spiritually unless we wrestle seriously with the deep and profound questions of our faith and life These reflections are offered with the hope and prayer that they will stimulate discussion and growth in the life of the church

in both parish and academic settings **Evangelism and Pagan England** J. Ernest Rattenbury, 2017-09-15 Evangelism is a much wider term than Methodism but it may I think be justly claimed that Methodism is the outstanding historical result of the Evangelical Revival of the eighteenth century The movement is the mother at least amongst English speaking people of most modern evangelistic appeals Since one must begin somewhere I begin with the Church with which I am most familiar From the Introduction Reminiscences and Reflections of an Octogenarian Highlander Professor Duncan Campbell, (Pa, 2015-08-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Living Church** John Stott, 2021-04-30 What exactly is a living church Author John Stott explains We need more radically conservative churches conservative in the sense that they conserve what Scripture plainly requires but radical in relation to that combination of tradition and convention that we call culture Scripture is unchangeable but culture is not The Living Church brings together a number of characteristics of what the author calls authentic or living church The marks being clearly biblical are timeless and need to be preserved We are encouraged to become learning churches caring churches worshipping churches and evangelising churches John Stott unpacks the Bible s wisdom rigorously with a teacher s skill and applies it faithfully with a pastor s heart Becoming a living church is not an impossible goal **Reminiscences and Reflections of an Octogenarian Highlander** Duncan CAMPBELL (Editor of the "Northern Chronicle."), 1910
