George Shillington,2019-10-14 The Fourth Gospel otherwise known as the gospel of the beloved disciple of Jesus has captivated the imagination of myriads of people worldwide Echoing one of its major themes namely water this gospel has been described as one in which a child can wade and an elephant can swim Of the four gospels in the New Testament this one stands out from the other three at several levels In the Fourth Gospel the extraordinary acts of Jesus are labeled consistently as signs not miracles In the second major part however the signs give way to reality found uniquely in the life and death of Jesus on behalf of benighted humanity He is the true light that enlightens every one and every thing There are no parables in the Fourth Gospel A parable is something that is literally

thrown alongside the ordinary world of the day The Fourth Evangelist focuses on truth one of its major themes There are puzzling pieces mixed in with the good news which serves to make this gospel captivating to the reader Through all of the complex twists and turns in this gospel the theme of love shines forth brilliantly especially so in the second half The Works of T. Tebbutt, 2022-01-28 John's Gospel can be both inspiring and bewildering This book enables insight into the Gospel in a fresh way How is it that we respond to it as we do

Understanding is enhanced by studying the text and by being aware of the kind of responses we make. Reading and working with it will deepen fellowship and skill in pastoral care. John's text is mined for gems of insight into ourselves and as a rich resource of ample illustrative material for preachers and teachers. This book elucidates chapters five to nine of the Gospel, presenting insights that involve us in the story. The content derives from years of teaching John's Gospel in workshops and reflection groups in varying church contexts. Guidance is given in working in this way and in how we can share our insights with each other in the light of the text. This experience of John's Gospel is illuminated using recent ways of reading. What the story means is conveyed in detailed Bible study. It becomes real for us. How this happens is explored by understanding the process of reading and by observing our reactions to the text. John's Christ becomes central to who we are.
