Miracles of Jesus According to John Stephen S. Kim, 2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God s message and His messenger s In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God s work in and for every believer will be fully and ultimately realized in the everlasting life

Pastor John, Volume II Brian N. Tebbutt, 2022-01-28 John s Gospel can be both inspiring and bewildering This book enables insight into the Gospel in a fresh way How is it that we respond to it as we do Understanding is enhanced by studying the text and by being aware of the kind of responses we make Reading and working with it will deepen fellowship and skill in pastoral care John s text is mined for gems of insight into ourselves and as a rich resource of ample illustrative material for preachers and teachers This book elucidates chapters five to nine of the Gospel presenting insights that involve us in the story The content derives from years of teaching John s Gospel in workshops and reflection groups in varying church contexts Guidance is given in working in this way and in how we can share our insights with each other in the light of the text This experience of John s Gospel is illuminated using recent ways of reading What the story means is conveyed in detailed Bible study It becomes real for us How this happens is explored by understanding the process of reading and by observing our reactions to the text John s Christ becomes central to who we are
