Diamond,2010-06 Stan Diamond s adventurous travel to remote corners of the world provides inspiration to the prospective and seasoned traveler alike As a life long educator his observations about the value and meaning of such travel are thoughtful and informative while his encounters with all kinds of people in unusual places offer knowledge humor surprise and joy Stan s memoir begins with his childhood thumbing through pictures in an old World Book Encyclopedia and continues through his development as an enthusiastic voyager to some of the least likely destinations imaginable So what else is there to worry about beside disease and sanitation running out of gas or unavailability of medical care Well maybe rockslides and landslides storms and floods frozen roads and crazy drivers marauding bandits and slippery

thieves insurrections and civil wars spewing volcanoes and other such precarious hazards one might stumble upon Frankly I do not have any good advice for the reader about such things Just try to avoid them if you can Stan Diamond spent most of his life teaching children directing schools and writing about his educational ideas In his retirement he transformed those skills to become a popular lecturer consultant and author He lives in Philadelphia Pennsylvania with his wife Beverly

experience **Bill Clinton: An American Journey** Nigel Hamilton, 2003-09-30 Bill Clinton forty second president of the United States is the quintessential baby boomer on the one hand blessed with a near genius IQ on the other beset by character flaws that made his presidency a veritable soap opera of high ideals distressing incompetence model financial stewardship and domestic misbehavior In an era of cultural civil war the Clinton administration fed the public an almost daily diet of scandal and misfortune Who is Bill Clinton though and how did this baby boom saga begin Clinton s upbringing in Arkansas and his student years at Georgetown Oxford and Yale universities help us to see his life not only as a personal story but as the story of modern America Behind the closed doors of the house on the hill above Park Avenue in Hot Springs the struggle between Clinton s stepfather and mother became ultimately unbearable causing Virginia to move out and divorce Roger Clinton Dreading confrontation Bill Clinton excelled in almost every field save athletics But the fabled success of the scholarship boy would be marred by the decisions he came to make regarding Vietnam and military service choices that haunt him to this day We watch with a mixture of alarm fascination and awe as Bill Clinton does so much that is right and so much that is wrong He sets his cap for the star student at Yale young Hillary Rodham seducing her with his dreams of a better America and an aw shucks grin Wherever he goes he charms and disarms young and old men and women and more women He becomes a law professor straight out of college he contests a congressional election in his twenties and almost wins it He becomes attorney general of his state and within two years is set to become the youngest ever governor of Arkansas at only thirty two Yet always there is a curse a drive toward personal self destruction and with that the destruction of all those who are helping him on his legendary path His affair with Gennifer Flowers strains his marriage and later nearly scuttles his bid for the presidency He is thrown out of the governor s office after only one term and suffers a life shaking crisis of confidence Though with the stalwart help of a female chief of staff he regains his crown it is clear that Bill Clinton s charismatic career is a ceaseless tightrope walk above the forces that threaten to pull him down the most potent of them residing in his own being Imbued with sympathy deep intelligence and the storyteller s art this extraordinary biography helps us at last to understand the real Bill Clinton as he stumbles and withdraws from the 1988 presidential nomination race but enters it four years later to make one of the most astonishing bids for the presidency in the twentieth century the climax of this gripping political social and scandalous journey
