Reflections Taken From A Christioan Womans Journal Of Survival:

Reflections Helen Jorgensen, 1999-07-01 Journal of Theology for Southern Africa, 2003 Raw Survival Ian Rozga, 2021-07-15 Has your world been shattered by grief Is pain pulling you under the waves of despair and threatening to hold you there Take heart rescue is possible Hope is possible Whether you re grieving the loss of an infant child grown child spouse or elderly parent Raw Survival is for you Rozga's bold authenticity relatable humor and passion for Jesus will inspire you to pour another cup of coffee and spend a few more minutes in these pages as you join her powerful story of survival and learn How to identify common challenges of the first days first year and even years after experiencing loss so you can move forward knowing that you re not alone How to celebrate every step toward healing How to reengage in the important life events of others How to use God's Word to crush lies that threaten to keep you trapped in despair How to use daily prayer as a tool for authentic healing The New Woman's Survival Sourcebook Kirsten Grimstad, Susan Rennie, 1975 **Iournal** of Moral Theology, Volume 2, Number 2 Christopher P. Vogt, 2013-09-06 The Church and the World Vol 2 no 2 June 2013 The JMT focuses on Catholic moral theology It is concerned with contemporary issues as well as our deeply rooted tradition of inquiry about the moral life JMT s mission is to publish scholarly articles in the field of moral theology as well as theological treatments of related topics in philosophy economics political philosophy and psychology The JMT is sponsored by the Fr James M Forker Professorship of Catholic Social Teaching and the College of Liberal Arts at Mount St Mary s **She Comes to Take Her Rights** Srimati Basu,1999-01-01 Using the contemporary workings of property law University in India through the lives and thoughts of middle class and poor women this is a study of the ways in which cultural practices and particularly notions of gender ideology guide the workings of law It urges a close reading of decisions by women that appear to be contrary to material interests and that reinforce patriarchal ideologies Hailed as a radical moment for gender equality the Hindu Succession Act was passed in India in 1956 theoretically giving Hindu women the right to equal inheritance of their parents self acquired property However in the years since the act's existence its provisions have scarcely been utilized Using interview data drawn from middle class and poor neighborhoods in Delhi this book explores the complexity of women's decisions with regard to family property in this context. The book shows that it is not passivity ignorance of the law naivet about wealth or unthinking adherence to gender prescriptions that guides women s decisions but rather an intricate negotiation of kinship and an optimization of socioeconomic and emotional needs An examination of recent legal cases also reveals that the formal legal realm can be hospitable to women s rights based claims but judgments are still coded in terms of customary provisions despite legal criteria to the contrary Journal of Moral Theology, Volume 12, Special Issue 1 Meghan J.
