Elenchus of Biblica, 1988 Evangelicos en America Latina Jean-Pierre Bastian, 1995 Taking Up the Mantle J. Daniel Salinas, 2017-01-14 In Taking Up the Mantle Dr Daniel Salinas helps the reader understand the development of Latin American evangelical theological thought over the past hundred years Salinas challenges new generations to pick up the task of contextually living out the biblical message learning from the example of the godly men and women that came before them History is full of faithful servants who read their Bibles and their surroundings to communicate the message for the church and the world and this double listening as John Stott referred to it is required today From the Panama Congress of 1916 to the end of the millennium this book introduces us to figures from the Latin American church and encourages us to continue their legacy today International Mission Bibliography Norman E. Thomas, 2003-10-16 This massive reference is the key to finding the most important works on missiology published from 1960 2000 Representing the research of more than 30 sub editors in mission related disciplines including history theology social aspects education evangelism spirituality and political life and includes sections on Africa the Americas Asia Europe and Oceania Complete publication details and ISBNs are given for each entry *La función profética de la educación teológica evangélica en América Latina* David Suazo Jiménez, 2016-04-26 La importancia de educar como una función profética es sin duda un tema crucial y de máxima actualidad En un entorno eclesial un tanto caótico y alarmante donde numerosos autoproclamados profetas con falsas predicciones doctrinas dudosas y a veces incluso conductas cuestionables ponen en entredicho la realidad de ese ministerio bíblico y desacreditan ante el mundo la imagen del verdadero evangelio **El pensamiento filosófico latinoamericano, del Caribe y "latino" (1300-2000)** Enrique Dussel, Eduardo Mendieta, Carmen Bohórquez, 2009 Esta obra fue proyectada más que como un libro como el inicio de un movimiento filosófico continental Es decir los autores de las contribuciones toman conciencia de que la tarea que han asumido es de tal envergadura que no pueden sino cumplirla parcialmente Los trabajos a lo largo y ancho de toda la región latinoamericana sobrepasan a los especialistas de la historia o de temas expuestos en el orden nacional Esto no se logra en corto tiempo exige a los de perseverancia en la que los autores adquieren conciencia de los límites de la presente empresa Por ello mucho más que el lector son los mismos editores y autores de esta obra los que tienen conciencia de que sólo se ha iniciado la extracción de un precioso metal de una rica mina casi inexplorada en su conjunto **Prisons, Inmates and Governance in Latin America** Máximo Sozzo, 2022-04-29 This edited collection addresses the topic of prison governance which is crucial to our understanding of contemporary prisons in Latin America It presents social research from Nicaragua the Dominican Republic Venezuela Colombia Ecuador Brazil Peru Uruguay and Argentina to examine the practices of governance by the prisoners themselves in each unique setting in detail High levels of variation in the governance practices are found to exist not only between countries but also within the same country between prisons and within the same prison and between different areas The chapters make important contributions to the theoretical

concepts and arguments that can be used to interpret the emergence dynamics and effects of these practices in the institutions of confinement of the region The book also addresses the complex task of explaining why these types of practices of governance happen in Latin American prisons as some of them appear to be a legacy of a remote past but others have arisen more recently It makes a vital contribution to the fundamental debate for prison policies in Latin America about the alternatives that can be promoted

**A Gospel for the Poor** David C. Kirkpatrick,2019-07-12 In 1974 the International Congress on World Evangelization met in Lausanne Switzerland Gathering together nearly 2 500 Protestant evangelical leaders from more than 150 countries and 135 denominations it rivaled Vatican II in terms of its influence But as David C Kirkpatrick argues in A Gospel for the Poor the Lausanne Congress was most influential because for the first time theologians from the Global South gained a place at the table of the world s evangelical leadership bringing their nascent brand of social Christianity with them Leading up to this momentous occasion after World War II there emerged in various parts of the world an embryonic yet discernible progressive coalition of thinkers who were embedded in global evangelical organizations and educational institutions such as the InterVarsity Christian Fellowship the International Fellowship of Evangelical Students and the International Fellowship of Evangelical Mission Theologians Within these groups Latin Americans had an especially strong voice for they had honed their theology as a religious minority having defined it against two perceived ideological excesses Marxist inflected Catholic liberation theology and the conservative political loyalties of the U S Religious Right In this context transnational conversations provoked the rise of progressive evangelical politics the explosion of Christian mission and relief organizations and the infusion of social justice into the very mission of evangelicals around the world and across a broad spectrum of denominations Drawing upon bilingual interviews and archives and personal papers from three continents Kirkpatrick adopts a transnational perspective to tell the story of how a Cold War generation of progressive Latin Americans including seminal figures such as Ecuadorian Ren Padilla and Peruvian Samuel Escobar developed named and exported their version of social Christianity to an evolving coalition of global evangelicals
