Reform And Transformation In Communist Systems:

Reform and Transformation in Communist Systems Ilpyong J. Kim, Jane Shapiro Zacek, 1991 **The Transformation Of Communist Systems** Bernard Chavance, Charles Hauss, Mark Selden, 1994-10-20 Through a comparative and historical analysis of change in the socialist and postsocialist systems of the Soviet bloc and China this timely and original book clarifies the pitfalls in the formidable transition to a market economy Bernard Chavance provides a succinct analysis of the politics and economies of Eastern Europe from the creation of the Stalinist system through three major waves of reform to the ultimate dismantling of most socialist governments Exploring the link between the one party regime and the growing rigidity of socialist economic systems the author analyzes the failure of both incremental and radical reforms to adapt to new economic challenges thus leading to the ultimate collapse of communist regimes in Europe

Adaptation And Transformation In Communist And Post-communist Systems Sabrina Petra Ramet, 2019-03-04 This book tackles different aspects of the adaptive and transformative process in communist and post communist systems in Eastern Europe offering competing models which locate the explanatory variable in different places and account for the unfolding of change in different ways **The Political Economy of Asian Transition from Communism** Sujian Guo, 2017-11-28 A comparative study of the political economy of the transition from communism in East and Southeast Asian countries China North Korea Vietnam Laos and Cambodia addressing the key theoretical questions generated from the debate between shock therapists and gradualists While accurately defining the pre reform model this book explores the causal variables that have contributed to reform efforts within Asia examining the significance of the sequencing of political and economic transition and the interplay between politics and the economy in determining variations in transition outcomes Comparing the real world experiences of transition nations in communist Asia with Eastern Europe prominent questions are brought to the fore will market capitalism or market socialism prevail after the grand failure of communism This book makes an important contribution to the political economy theory of comparative communist and post communist studies and provides detailed analytical insights that will prove influential in future theoretical work **Reform of the Socialist System in Central and Eastern Europe** Martin J. Bull, Mike Ingham, 2016-07-27 This book analyzes the reform of the socialist system in Central and Eastern Europe and the former Soviet Union Uniquely it adopts a multi disciplinary perspective which includes authors from both Western Europe and the former Communist world The volume contains analyses of the prospects for civil society economic reform and privatisation theories of economic transition and the role of the state political change and the persistence of former Communist parties the prospects for democracy in the former Soviet Union and gender aspects of labour market reform *The Political Logic of Economic Reform in China* Susan L. Shirk, 2023-04-28 In the past decade China was able to carry out economic reform without political reform while the Soviet Union attempted the opposite strategy How did China succeed at economic market reform without changing communist rule Susan Shirk shows that Chinese

communist political institutions are more flexible and less centralized than their Soviet counterparts were Shirk pioneers a rational choice institutional approach to analyze policy making in a non democratic authoritarian country and to explain the history of Chinese market reforms from 1979 to the present Drawing on extensive interviews with high level Chinese officials she pieces together detailed histories of economic reform policy decisions and shows how the political logic of Chinese communist institutions shaped those decisions Combining theoretical ambition with the flavor of on the ground policy making in Beijing this book is a major contribution to the study of reform in China and other communist countries This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1994 In the past decade China was able to carry out economic reform without political reform while the Soviet Union attempted the opposite strategy How did China succeed at economic market reform without changing communist rule Susan Shirk shows that China

[Seven Years that Changed the World](#) Archie Brown,2007-04-19 A rigorously argued and lively interpretation of the transformation of the Soviet system written by a leading authority on Soviet politics This thoroughly researched book draws on new archival sources and puts perestroika in fresh perspective

The Political Economy of Dual Transformations David L. Bartlett,2010-05-06 In the early 1990s scholars voiced skepticism about the capacity of Eastern Europe s new democracies to manage simultaneous political and economic reform They argued that the surge of popular participation following democratization would thwart efforts by successor governments to enact market reforms that imposed high costs on major elements of post Communist society David Bartlett challenges the conventional wisdom regarding the hazards of dual transformations far from hindering marketization democratization facilitated it Bartlett argues that the transition to democracy in East Central Europe lowered the political barriers to market reforms by weakening the ability of actors most vulnerable to marketization to manipulate the existing institutional structure to stop or slow down the process Although the analysis focuses on Hungary whose long history of market reforms makes it an ideal vehicle for assessing the impact of institutional change on reform policy the author shows how his findings call into question the use of shock therapy and arguments based on the experience in East Asia that economic development and democratization are incompatible This book will appeal to economists political scientists and others interested in transition problems in formerly communist countries democratic transitions and the politics of stabilization and adjustment David L Bartlett is Assistant Professor of Political Science Vanderbilt University

The Routledge International Handbook of European Social Transformations Peeter Vihalemm,Anu Masso,Signe Opermann,2017-11-22 This book focuses on social transformations as one of the central topics in the social sciences The study of European social transformations is very valuable in the context of universal discussions within social sciences explaining invariable universal attributes of societies and examining changing

attributes The book consists of 20 chapters on European social transformations written from the perspectives of distinguished scholars from such disciplines as economics political science educational science geography media and communication studies public management and administration social psychology and sociology The temporal and spatial range of the book is wide including such global changes as time space compression focusing particularly on change processes in Europe during the last two decades The book consists of four main parts beginning with an overview of the theoretical and methodological approaches and then focusing separately on post communist transformations institutional drivers of social transformations in the European Union and European transformations in the context of global processes The book presents current theoretical empirical and methodological approaches that complement the scientific literature on social transformations This book is both an invaluable resource for scholars and an indispensable teaching tool for use in the classroom and will be of interest to students academics and policy makers studying how this diverse region has changed over recent years

Globalization against Democracy Guoguang Wu, 2017-04-27 This book explores how global capitalism has reconfigured state market relations and how interactions among capital labor and consumption threaten democracy It is for specialists in political economy political science economics sociology international relations and development studies and for supplemental use on undergraduate and graduate courses on globalization capitalism development and democracy

Policy Making in China Kenneth Lieberthal, Michel Oksenberg, 2020-11-10 The description for this book Policy Making in China will be forthcoming

Transformations of Post-Communist States W. Kostecki, K. Zukrowska, B. Goralczyk, 2000-04-07 Post communist transformation differs from any previous experience of societies in transition by its scope speed international framework and complicity It contains elements of democratization marketization nation building and the creation of a new international environment in the framework of globalization The contributors give an internal perspective of these highly complicated processes in a comparative form and using a multidisciplinary approach

The Polish Road from Socialism: The Economics, Sociology and Politics of Transition Walter D. Connor, Piotr Ploszajski, 2019-07-26 What the contributors to this volume offer is neither a romantic version of the course of Polish history nor a jubilant account of the recovery of national independence and political choice Rather they offer a variety of tough minded analytic perspectives on what comes when the party is over not just the PSPR but the celebration marking its downfall They focus on Poland's movement toward an internationally competitive market economy a political democracy in which plural interests compete and the constitution of a civil society that both tolerates and ameliorates conflict The multidisciplinary contributors include Jan Muzel Keith Crane Benjamin Slay Kazimierz Poznanski Jan Bossak Wojciech Bienkowski Włodzimierz Wesolowski Edmund Wnuk Lipinski Adam Sarapata Andrzej Sicinski Piotr Lukasiewicz Krzysztof Nowak David S. Mason Andrzej Rychard Krzysztof Jasiewicz Jack Bielasiak Janusz Reykowski Stanisław Gebethner Mirosława Marody Edmund Mokrzycki and Michael D. Kennedy

25 Years of Transformations of Higher Education Systems in Post-Soviet Countries Jeroen Huisman, Anna Smolentseva, Isak

Froumin,2018-04-24 This book is open access under a CC BY 4 0 license This open access book is a result of the first ever study of the transformations of the higher education institutional landscape in fifteen former USSR countries after the dissolution of the Soviet Union in 1991 It explores how the single Soviet model that developed across the vast and diverse territory of the Soviet Union over several decades has evolved into fifteen unique national systems systems that have responded to national and global developments while still bearing some traces of the past The book is distinctive as it presents a comprehensive analysis of the reforms and transformations in the region in the last 25 years and it focuses on institutional landscape through the evolution of the institutional types established and developed in Pre Soviet Soviet and Post Soviet time It also embraces all fifteen countries of the former USSR and provides a comparative analysis of transformations of institutional landscape across Post Soviet systems It will be highly relevant for students and researchers in the fields of higher education and and sociology particularly those with an interest in historical and comparative studies

Social Transformation and State Governance in China Xianglin Xu,2020-06-08 This volume is a selection of Chinese political scholar Xianglin Xu s published works spanning nearly 20 years of research that explore and discuss the socio economic transition in China under state political reform Contextualized within the decades following the 80s the author analyzes patterns observed from empirical studies and breaks down the underlining reasoning conditions and functionalities behind the incremental reform policies pushed forward by the Party and government The collection is broken up into four sections the first provides a general framework and theoretical historical introduction to social transition research in the case of China the second section discusses the underpinning logic behind political reform in China and practical concerns the third section follows with discussions on reform policy practices within China including application and trajectory the final section concludes with an analysis of reform within state institutional infrastructure and policy innovation *The Political Economy of China's Great Transformation* Xingyuan Feng,Christer Ljungwall,Sujian Guo,2016-07-15 The Political Economy of China s Great Transformation consists of three parts first covering the current political transformation providing a general political background for the socio economic fiscal and urban and rural transformation The book analyses the economic transformation and addresses the shortcomings of existing interpretations of the Chinese Miracle and develops a new multi dimensional framework In addition it shows how the private sector has been developing and what a major role it is playing in pushing forward the overall economic development The book also focuses on the analysis of China s fiscal transformation With the set of refined principles of fiscal federalism that the author has developed it examines the problems of Chinese fiscal federalism in contrast to them It further elaborates on topics such as the local government debt and explains why further reforms are necessary making this book a very comprehensive read to understand China s progress *Local Government Reforms in Countries in Transition* Frederick A. Lazin,Matt Evans,Vincent Hoffmann-Martinot,2008-05-01 Local Government Reforms in Countries in Transition explores the impacts that the end of the Cold War and increased globalization have had on

government around the world The decentralization of national governments has led to a greater role for local governments public administration and democratic representation are the new arena of local governments the world over Focusing not only on countries from the former Soviet Union but also on Israel China South Africa and Egypt the contributors to this volume present a truly global investigation of countries experiencing governmental transformation

Economic Reforms in the Socialist World Stanislaw Gomulka, Yong-Chool Ha, Se-wŏn Kim, First Published in 1990 Routledge is an imprint of Taylor Francis an Informa company *Inside the Mechanisms of Romanian Modernization* Florin Grancea, 2006-09-05 This book analyzes in the relation with the Romanian modernity the transformations of the Romanian public sphere political system and journalism from the beginning of the 19th Century up to 2005 The argumentation starts from the idea that the Romanian Enlightenment never had the chance to reach its purpose the creation of the individual as a human category As a consequence of this historical fact the Romanian modernity was not explored in all its dimensions and was not congruent with its western model of development Only after late 90 s signs for a surpassing historical backwardness were seen in Romania and only after the integration into EU become sure From this perspective this book looks onto the change in the modernization engine of Romania in late 90 s This change is happening as a transgression from a three steps modernization model in which the role of the elite is central to a two steps modernization model in which the role of the elite is minimal Because the three steps modernization model fits the idea of an acclamatory public sphere while the two steps modernization engine fits the concept of civil public sphere this book proves that the Romanian democracy is evolving from its totalitarian background to become a participative democracy The only question unanswered yet is if the elite and the mass media are willing to let Romania and its citizens to breakup the ties with the totalitarian past

Populism and Accountability Antonio Maria Baggio, Maria-Gabriella Baldarelli, Samuel O. Idowu, 2023-01-28 This book takes into consideration the development of different forms of populism in various countries with democratic political systems over the past two decades Despite the diversity existing between current populisms common elements have emerged the tendency to diminish the role of political representation the centrality of the charismatic leader the nationalistic idealization of people that undermine international agreements How do these phenomena affect the instruments rules and culture of democracy Why does populism receive strong acclaim How can leaders respond to the real needs that can be at the basis of populisms without abandoning democratic principles Using an interdisciplinary approach which emphasizes accountability and responsibility this book addresses these and other issues facing current and future corporate leaders The chapters offer suggestions on how to choose between major worthy causes how to effectively measure the outcomes of social responsible action and how to navigate the challenges of accountability Providing practical tools to combat the root of populism in business and community this book is intended for practitioners researchers and students of business and management politics and other related disciplines such as public administration social science and the humanities
