Reform Of The Playboy:

Reform Of The Playboy Mary Lyons, Mayu Takayama, 2020-07-10 Harriet can't believe it when a handsome lawyer steals a kiss from her and tells her that her lips are sweet. How had this happened? Upon inheriting a mansion from her great aunt, Harriet had considered selling it, but in the end, she decided to renovate and rent out the upper floors. Her tenant is Finn, the man who kissed her. He's a troublemaker hosting one party after another with countless women coming and going. Harriet goes to tell him that enough is enough, but Finn has other plans. **Reform of the Playboy** Mary Lyons, 1999 Finn Maclean has a reputation as a ruthless playboy, but his temporary landlady Harriet makes it clear she has no intention of joining Finn's harem. Finn is intrigued; Harriet might be immune to his charms, but she's the one woman he'll stop at nothing to have. **How Sex Became a Civil Liberty** Leigh Ann Wheeler, 2013 *How Sex Became a Civil Liberty* shows how we came to see sexual expression, sexual practice, and sexual privacy as fundamental rights enshrined in the Constitution thanks to the work of ACLU leaders and attorneys who forged legal principles that advanced the sexual revolution. **The Spiral Road** Huang Shu-min, Shu-Min Huang, 2019-09-10 The leading Party cadre of Lin Village in Southeast China describes in this book forty years of turbulent events that affected individuals and families in the village: the downfall of the landlords during the Land Reform, the rise of poor peasants to political power, the political fanaticism of the Great Leap Forward, and the Great Proletarian Cultural Revolution, and recent efforts to restore rational pragmatic policies in China's countryside. The magnitude of change in Lin Village since 1949 has been considerable. Most villagers have benefited from tangible improvements in agriculture, education, and medicine, and they have developed a sense of political participation and integration into the national political arena. Significantly, while these dynamic changes have been taking place, the observance of cultural tradition has persisted. Attempts made by the government to change feudalistic beliefs and practices have yet to make any lasting impression on village life. More than an account of one village, this book documents for readers the cataclysmic changes of China's entire post-liberation era, detailing their effects in a personalized style. An American anthropologist of Chinese descent, Huang Shu-min employs participant observation and personal interviews to shape this unique view of rural China today and to delineate some of the misconceptions held by Western academics. ***Leadership and Sexuality*** James K. Beggan, Scott T. Allison, 2018-02-23 Although both leadership and sexuality are important and heavily researched topics, there is little work that addresses the interaction of the two areas. *Leadership and Sexuality: Power, Principles, and Processes* is a scholarly synthesis of leadership principles with issues related to sexuality and sexual policy making. The authors' multi-disciplinary analysis of the topic examines sexuality in the context of many different kinds of leadership, exploring both the good and the bad aspects of leadership and sexuality. **A Man's World? Political Masculinities in Literature and Culture** Kathleen Starck, 2014-07-24 Political institutions and practices such as the state, parliament, citizenship, and nationality, the vote, the military, and the making and implementation of laws have traditionally

been treated as if they were un gendered and guided exclusively by objective reasoning and rationality Rationality and reason though have been habitually ascribed to masculinity a fact which has often been ignored in favour of the apparent gender inclusiveness of the realm of politics In contrast to this view this book explores the interdependence of the construction of masculinities on the one hand and the emerging maintenance and modification of concepts such as the state citizenship nationality and nationalism democracy and militarism on the other Illustrating the great amount of research activity in the field of political masculinities the book offers many perspectives in its attempt to shed light on different modes of representing and constructing political masculinities across time and space Findings from the fields of political science history media studies literature and film studies as well as cultural studies encourage an interdisciplinary debate of political masculinities in Europe and the United States from the nineteenth to the twenty first century

Spoiling for a Fight Micah L. Sifry,2013-01-11 More Americans now identify as political independents than as either Democrats or Republicans Tired of the two party gridlock the pandering and the lack of vision they ve turned in increasing numbers to independent and third party candidates In 1998 for the first time in decades a third party candidate who was not a refugee from one of the two major parties Jesse Ventura won election to state wide office as the governor of Minnesota In 2000 the public was riveted by the Reform Party s implosion over Patrick Buchanan s presidential candidacy and by Ralph Nader s Green Party run which infuriated many Democrats but energized hundreds of thousands of disaffected voters in stadium sized super rallies What are the prospects for new third party efforts Combining the close in personal reporting and learned analysis one can only get by covering this beat for years Micah L Sifry s Spoiling for a Fight exposes both the unfair obstacles and the viable opportunities facing today s leading independent parties Third party candidates continue be denied a fighting chance by discriminatory ballot access unequal campaign financing winner take all races and derisive media coverage Yet after years of grassroots organizing third parties are making major inroads At the local level efforts like Chicago s New Party and New York s Working Families Party have upset urban political machines while gaining positions on county councils and school boards Third party activists are true believers in democracy and if America s closed two party system is ever to be reformed it will be thanks to their efforts
