Reforming the European Union Daniel Finke, 2012-07-29
For decades the European Union tried changing its institutions but achieved only unsatisfying political compromises and modest incremental treaty revisions In late 2009 however the EU was successfully reformed through the Treaty of Lisbon *Reforming the European Union* examines how political leaders ratified this treaty against all odds and shows how this victory involved all stages of treaty reform negotiations from the initial proposal to referendums in several European countries The authors emphasize the strategic role of political leadership and domestic politics and they use state of the art methodology applying a comprehensive data set for actors reform preferences They look at how political leaders reacted to apparent failures of the process by recreating or changing the rules of the game While domestic actors played a significant role in the process their influence over the outcome was limited as leaders ignored negative referendums and plowed ahead with intended reforms The book's empirical analyses shed light on critical episodes strategic agenda setting during the European Convention the choice of ratification instrument intergovernmental bargaining dynamics and the reaction of the German Council presidency to the negative referendums in France the Netherlands and Ireland

Reforming the European Union G.Wyn Rees, N. (Department Of Law, University Of Leicester) Neuwahl, P. (Department Of Politics, University Of Leicester) Lynch, 2014-05-12
Analyses the likely future of the EU following next year's Intergovernmental Conference IGC which is likely to be even more significant for the future of Europe than the Maastricht Treaty Since Maastricht it has become clear that future developments are less certain with regard to the EU and integration The IGC will have to try and resolve tensions such as widening Europe to include former communist countries whilst also trying to deepen Europe with increased political and economic integration providing a framework which is acceptable to a core of countries Benelux Germany France who favour more integration and an early move to monetary union with countries such as the UK which does not

Reforming the European Commission Michael W. Bauer, 2013-10-18
Many international and supranational organisations have lately been busy modernising their internal administration But nowhere has management change received a similar amount of attention than in the case of the European Commission Although the perception prevails that the Commission has been losing out in recent years this vivid interest academic as well as public in the so called Kinnock reform suggests that this organisation still remains at the heart of the Union The proposition of this book thus is simple If it remains true that the Commission is an essential part within the admittedly complex equation of EU policy making changes of the administration basis of this actor are likely to have broader implications Consequently this special issue poses three crucial questions about the recent administrative reform of the European Commission why was such a comprehensive reform possible what are its specific implications for the Commission

as an organisation and what is the likely impact for the policy process In short this book puts the organisational base of EU policy making centre stage In the quest for answers the authors of the subsequent chapters take distinct perspectives use various research strategies and methods and attempt to solve diverse empirical puzzles But all attempt to add to our understanding of this organisational base and how to systematically study it This book was published as a special issue of the Journal of European Public Policy

Report on the State of the European Union J. Fitoussi, J. Le Cacheux, 2007-01-30 The Report on the State of the European Union examines the progress of European integration and focuses on economic aspects of the process This second volume in the series explores the four crises of contemporary Europe those of growth trust inequalities and unity

Reforming the European Union, 2005 **Report on the State of the European Union: Reforming the European Union** Jean-Paul Fitoussi, Fiorella Padoa-Schioppa, 2005 **From Actors to Reforms in European Higher Education** Manja Klemenčič, 2022-09-05 This volume addresses the conceptions of actors and actorhood in higher education research It explores the range of actors that are or should be recognized and theorized in higher education research the processes that shape actorhood in the higher education reforms and explores the relations between the actors and higher education reforms Drawing on a range of theoretical frameworks and research projects the volume provides in depth analyses of higher education actors and reform issues through institutional system or international comparative perspective The volume celebrates and is in conversation with the intellectual contributions of Professor Pavel Zgaga whose work advances our understanding of actors and actorhood in higher education and higher education reforms

Reforming the Treaty on European Union Alfred E. Kellermann, Bruno de Witte, Deirdre M. Curtin, Jan A. Winter, 2023-07-10 The studies collected in this work are the updated and revised versions of the reports and commentaries presented at an international conference on European Law held in September 1995 The aim of the conference was to stimulate informed reflection and debate on a number of fundamental issues relating to the impending revision of the Treaty on European Union and to discuss the sort of sensible legal options and realistic avenues of thought that could assist those involved with the work of the actual Intergovernmental Council IGC The contributions are grouped around three major themes an exploration of the framework of the revision debate general institutional questions the general architecture of the Union and the scope of the powers of the Community and the Union Questions that are addressed in this work are among others Is it possible in the near future to simplify the procedure for amending the Treaty on European Union Is the objective of the European Union in the long term to become a European superstate a constitutional order of States or merely an advanced type of international organization What are the chances and pitfalls of allowing increased differentiated integration The book concludes with a comprehensive summing up and annexed are the Reflection Group's Report of 5 December 1995 as well as an extensive table of legal provisions and a table of cases

Widening the European Union Bernard Steunenberg, 2003-08-27 The proposed enlargement of the European Union to include countries from Central and Eastern

Europe has become an important political issue Widening the European Union focuses on those institutional reforms of the Union that may be necessary to make the enlargement possible The institutional structure originally designed for the Union of just six states might not be suitable for a EU of twenty seven or more member states An overview of current rational choice theories of institutional change is provided before the volume focuses on several aspects of institutional reforms in the Union Widening the European Union contains contributions from a distinguished team of European academics This book is a valuable resource to students of the European Union with an interest in its politics and policy enlargement and institutional reform

Reforming Europe Constantine Arvanitopoulos, 2010-04-06 In the 2009 elections the European centre right emerged victorious thus affirming its political domination in contemporary European politics The aim of this book is not to provide an analysis of the factors that contributed to the EPP's political prevalence Instead it is to help this large political family maintain its vigour of political thought and policy prescriptions The book provides a forum for prominent centre right thinkers to debate the major European problems of our times with particular emphasis on the management of the financial crisis and the next institutional steps regarding the European integration project It assembles the views of politicians academics and think tank fellows from different national backgrounds and dissimilar ideological perspectives who unfold their vision for Europe's future Overall the book attempts to both highlight and stimulate the centre right contribution to the discussion of Europe's main contemporary challenges

Reforming the European Convention on Human Rights

Council of Europe. Steering Committee for Human Rights, Council of Europe, 2009-01-01 The European ministerial conference on human rights meeting in Rome on the 50th anniversary of the Convention for the Protection of Human Rights and Fundamental Freedoms emphasised two crucial elements the responsibility of member states Parties to the Convention to ensure constantly that their law and practice conform to the Convention and to execute the judgments of the European Court of Human Rights that urgent measures be taken to assist the Court in carrying out its functions given the ever increasing number of applications An in depth reflection should be started as soon as possible on the various possibilities and options with a view to ensuring the effectiveness of the Court in the light of this new situation The Rome conference has sparked intensive work Ever since January 2001 the intergovernmental co operation activities of the Steering Committee for Human Rights CDDH of the Council of Europe have concentrated on developing normative instruments of which the most important has been Protocol No 14 to the Convention This work has benefited greatly from high level debates during a series of round table discussions within working groups and at seminars organised mainly by the successive presidencies of the Committee of Ministers The present volume contains a record of this work

An American Constitution for Europe Jeffrey P.

Cajka, 2016-12-30 The European Union foresaw a united prosperous Europe free of military conflict That view has been muddled by the economic collapse of 2008 the revived aggressiveness of Russia and a refugee crisis that has divided the Union and caused Britain to begin the process of leaving Although the problems faced by the United States after the

American Revolution were different the forces that threaten to collapse the EU were also present in early America At the 1789 US Constitutional Convention the delegates made their system of government stronger In short this book presents a Constitution for The Federation of European Nations FEN based on the US Constitution but including some areas that appeal to Europeans and excluding those that still cause problems in the US Reforming the European Union Irina Tanasescu,Dartmouth College. Master of Arts in Liberal Studies Program,2004 *National Parliaments Within the Enlarged European Union* John O'Brennan,Tapio Raunio,2007-06-11 This book presents a wide range of perspectives on the role of national parliaments in EU politics and policy making looking at efforts to address perceived democratic and information deficits *Theory and reform in the EU* Dimitris N. Chrysoschoou,Michael J. Tsinisizelis,Stelios Stavridis,Kostas Ifantis,2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license This substantially updated and revised edition offers a comprehensive overview of the challenges confronting the political system as well as the international politics of the European Union It draws from a spectrum of regional integration theories to determine what the Union actually is and how it is developing examining the constitutional politics of the European Union from the Single European Act to the Treaty of Nice and beyond The ongoing debate on the future of Europe links together the questions of democracy and legitimacy competences and rights and the prospects for European polity building The aim is to contribute to a better understanding of the emerging European polity and the questions that further treaty reform generates for the future of the regional system The authors also assess the evolving European security architecture the limits and possibilities of a genuine European foreign security and defence policy and the role of the EU in the post Cold War international system Common themes involve debates about stability and instability continuity and change multipolarity and leadership co operation and discord power capabilities and patterns of behaviour The book traces the defining features of the new order in Europe and incorporates an analysis of the post September 11th context **The Budget of the European Union and German European Policy** Peter Becker,2024-07-18 This book presents in detail the negotiations on the budget of the European Union which take place every seven years and discusses the central elements of this European budgetary system The author explains the various interests and the resulting distributional conflicts traces the genesis of this highly complex process discusses the system of inflows and reflows and sheds particular light on German European policy **Brexit and the Future of the European Union** Federico Fabbrini,2020 This volume aims to explore the implications of Brexit for the ongoing debate on the future of Europe first by mapping the process of UK withdrawal from the EU through the Brexit referendum negotiations and extensions and then by exploring effect of Brexit on the EU institutions treaties and integration processes **EU Strategies on Governance Reform** Wil Hout,2013-09-13 This book discusses the European Union s approach to governance reform in its development assistance relationships with various groups of developing countries A group of expert authors outline the general features of the position on governance taken by

the EU which is currently the major multilateral donor of development assistance and discuss the implementation of EU policies in a set of cases the group of African Caribbean and Pacific ACP states the New Partnership for Africa s Development NEPAD Southeastern Europe Central Asia the Euro Mediterranean Latin America and fragile states The contributions to the book argue that the EU s position on governance reform particularly since the adoption of the European Consensus on Development in 2005 has had distinctly neoliberal overtones The EU s governance related strategies have been instrumental to deepening market based reform in aid receiving countries Policies on state building adopted by the EU reflect mainly the interests of and ideas embraced by the EU and its member states To an important extent the rhetoric accompanying EU policies does not match with the political and social dynamics inherent in governance structures on the ground in many of its aid recipient partner countries This book was published as a special issue of Third World Quarterly

Reforming European Data Protection Law Serge Gutwirth, Ronald Leenes, Paul de Hert, 2014-11-17 This book on privacy and data protection offers readers conceptual analysis as well as thoughtful discussion of issues practices and solutions It features results of the seventh annual International Conference on Computers Privacy and Data Protection CPDP 2014 held in Brussels January 2014 The book first examines profiling a persistent core issue of data protection and privacy It covers the emergence of profiling technologies on line behavioral tracking and the impact of profiling on fundamental rights and values Next the book looks at preventing privacy risks and harms through impact assessments It contains discussions on the tools and methodologies for impact assessments as well as case studies The book then goes on to cover the purported trade off between privacy and security ways to support privacy and data protection and the controversial right to be forgotten which offers individuals a means to oppose the often persistent digital memory of the web Written during the process of the fundamental revision of the current EU data protection law by the Data Protection Package proposed by the European Commission this interdisciplinary book presents both daring and prospective approaches It will serve as an insightful resource for readers with an interest in privacy and data protection
