Oden, 2014-02-19 The Revelation to John with its vivid images and portraits of conflict leading up to the formation of a new heaven and a new earth was widely read even as it was variously interpreted in the early church Drawing heavily on both Eastern and Western ancient commentators much appearing in English for the first time this ACCS volume is a treasure trove of early interpretation

Heaven Upon Earth Jeffrey K. Jue, 2006-02-28 This book contributes to the ongoing revision of early modern British history by examining the apocalyptic tradition through the life and writings of Joseph Mede 1586-1638 The history of the British apocalyptic tradition has yet to undergo a thorough revision Past studies followed a historiographical paradigm which associated millenarianism with a revolutionary agenda A careful study of Joseph Mede one of the key individuals responsible for the rebirth of millenarianism in England suggests a different picture of seventeenth century apocalypticism The roots of Mede's apocalyptic thought are not found in extreme activism but in the detailed study of the Apocalypse with the aid of ancient Christian and Jewish sources Mede's legacy illustrates the geographical prevalence and long term sustainability of his interpretations This volume shows that the continual discussion of millenarian ideas reveals a vibrant tradition that cannot be reconstructed to fit within one simple historiographical narrative
