Race and Criminal Justice Hindpal Singh Bhui, 2008-12-18 The social landscape of race and ethnicity within contemporary Britain has become increasingly diverse and complex The old exclusive research emphasis in criminology on the outcomes of social inequalities and policies is now challenged by an appreciation of how race and ethnicity are constructed and other theoretical perspectives This collection of papers will introduce students to these subjects and do so usefully by addressing contemporary themes that must be given attention by criminologists Professor Simon Holdaway University of Sheffield This collection provides useful and up to date information on the response of police prosecution prisons and probation services to the challenges of increasing ethnic diversity It is an excellent source for students and practitioners concerned with reforming policy and improving practice Professor David J Smith University of Edinburgh London School of Economics This text delivers a comprehensive overview of race and ethnicity across the criminal justice system It unpacks terms such as race diversity and multiculturalism to equip students with a thorough understanding of this complex subject area Featuring chapters by leading experts Race and Criminal Justice provides a specialist introduction to each area of the criminal justice system including police prosecution prisons and probation It also features stimulating discussion of contemporary issues such as criminal justice responses to refugees and asylum seekers and the experiences of Muslims within the criminal justice system post 9 11 and 7 7 Each chapter follows a consistent structure offering an overview of key theories relating to the study of race ethnicity and criminal justice analysis of research policy and practice chapter summaries and further reading to support understanding

Working with Refugees and Asylum Seekers in Moldova, 2004 **Asylum Seekers and Refugees in the Contemporary World** David J. Whittaker, 2006-03-10 Examining a number of case studies including Palestinian Afghan and Iraqi refugees David J Whittaker's book provides a balanced introduction to this very controversial subject Fuelled by extensive coverage in the media the issue of asylum seekers and refugees is one of the most talked about subjects in contemporary politics Whittaker cuts through the emotive language to give an objective introduction to the subject Asylum Seekers and Refugees in the Contemporary World discusses the international as well as national implications of the issue and

the book looks in detail at the issue as it has affected Britain and Europe in particular as well as including material on the UN and its response to the refugee problem Including a final statement on the British government s 2005 proposals for dealing with refugees this volume is essential reading for all students of the history of the modern world and is ideal for newcomers to the subject *Let Me Be a Refugee* Rebecca Hamlin,2014-08-19 International law provides states with a common

definition of a refugee as well as guidelines outlining how asylum claims should be decided Yet even across nations with many commonalities the processes of determining refugee status look strikingly different This book compares the refugee status determination RSD regimes of three popular asylum seeker destinations the United States Canada and Australia Though they exhibit similarly high levels of political resistance to accepting asylum seekers refugees access three very different systems none of which are totally restrictive or expansive once across their borders These differences are significant both in terms of asylum seekers experience of the process and in terms of their likelihood of being designated as refugees Based on a multi method analysis of all three countries including a year of fieldwork with in depth interviews of policy makers and asylum seeker advocates observations of refugee status determination hearings and a large scale case analysis Rebecca Hamlin finds that cross national differences have less to do with political debates over admission and border control policy than with how insulated administrative decision making is from either political interference or judicial review Administrative justice is conceptualized and organized differently in every state and so states vary in how they draw the line between refugee and non refugee **An Assessment of the Protection of Refugees and Asylum-seekers in**
