The Need for Revision David P. Owen, Jr., 2012-01-01 Can we have more teacher intellectuals in our classrooms This book demonstrates that we can But many things have to change before intellectual standards appear again in public schools David Owen attempts to show but not in outline form how we can revise our schools Can we escape the rut in which public education finds itself dominated by the inane tests the stifling reduction of school to job training and the insane transformation of a life affirming odyssey of the mind to clich s information gathering and slogans We can reclaim the beauty of an education if we join David and re vise our classrooms Education is uncertain risky wonderously adventurous yet schooling has become stale No tediously dreadful There is a need to revise Reject standardized tests Repeal pay for performance Eject No Child Left Behind before no child has a thoughtful mind left It is time to revise and David s book explains why Are we still interested in the mind soul and substance of the individual Does it matter who we are and become or just what we do If these questions still matter dwell carefully with David s ideas and transform yourself your students school community state nation and world It is time to revise them all John A Weaver Georgia
