## **River Of Angry Dogs A Memoir:**

**The River of Angry Dogs** Mira Hamermesh, 2004-03-20 This moving memoir gives a vivid account of award winning film maker Mira Hammermesh's remarkable life *A Lover of Unreason* Yehuda Koren, 2014-06-04 Assia was my true wife and the best friend I ever had wrote Ted Hughes after his lover surrendered her life and that of their young daughter in 1969 six years after Sylvia Plath had suffered a similar fate Diva she devil enchantress muse Lillith Jezebel Assia inspired many epithets during her life The tragic story of Sylvia Plath and Ted Hughes has always been related from one of two points of view hers or his Missing for over four decades had been a third that of Hughes's mistress This first biography of Assia Wevill views afresh the Plath Hughes relationship and at the same time recounts the journey that shaped her life Wevill's is a complex story formed as it is by the pull of often contrary forces **The Children of Raquette Lake** Mira

Rothenberg, 2012-04-10 The Children of Raquette Lake One Summer That Helped Change the Course of Treatment for Autism is an inspiring account of author Mira Rothenberg's experience with eleven autistic and schizophrenic children during the summer of 1958 In order to avoid the regression that often occurred during the summer months Rothenberg a trained psychologist and her colleagues Zev Spanier and Tev Goldsman decided to bring their young patients to a camp in Raquette Lake located in the Adirondack region of Northern New York As Rothenberg explains this was a time when severely disturbed children were considered untreatable and often sent to live out their lives in institutions where their needs were neglected and ignored Many of Rothenberg's patients exhibited signs of abuse and emotional trauma On the island Rothenberg Spanier and Goldsman discovered that by applying what was then an unconventional treatment of loving care and tolerance their young patients improved and were able to heal many of the emotional and physical issues associated with their conditions Written like a narrative journal that follows the children's progress from week to week The Children of Raquette Lake is interwoven with personal histories and fascinating case stories that demonstrate the healing power of the human heart The book also provides a valuable list of resources for therapists and parents of autistic children *Lives Revised* Julie Goodspeed-Chadwick, 2025-09-12 Winner of the 2025 Lewis P Simpson Award In *Lives Revised* Julie Goodspeed Chadwick engages the entangled life stories of Assia Wevill Ted Hughes and Sylvia Plath to recover details nuances and perspectives excluded from previous biographies Based on extensive archival work at the British Library and Emory University as well as unpublished materials in private hands Goodspeed Chadwick considers how biographical storylines are constructed reconceived and dismantled across decades of research and interpretation Her work plumbs the practical challenges and interpretive possibilities of biographies that engage with difficult subjects such as Wevill Hughes and Plath particularly given the personal traumas tragic ends and competing legacies involved Drawing on documents and recordings only recently made available to researchers *Lives Revised* Assia Wevill Ted Hughes and Sylvia Plath recovers previously inaccessible accounts about its subjects contextualizes them within the critical traditions of feminism and trauma studies and

asks readers and scholars to rethink previous conclusions about three complex figures in literary and cultural history
