Emanuel Swedenborg

River Of Heaven:

The River of Heaven Garrett Kaoru Hongo, 1988 A native Hawaiian of Japanese ancestry draws on his own exotic background for this collection of poems which also evokes a strong sense of realism *Lotus and Chrysanthemum* Joseph Lewis French, 1927 *Tao Te Ching: a guide to the interpretation of the foundational book of Taoism* Shantena Augusto Sabbadini, 2013-04-01 The Tao Te Ching is the foundational text of Taoism Traditionally considered the work of the Old Master Lao Tzu a senior contemporary of Confucius this 2500 years old text is a poetic and supremely concise formulation of some of humanity s highest wisdom Revered as a basic book of spiritual guidance throughout Chinese history it has become a beloved inspirational work in the West The present work is meant to help the Western reader to penetrate the depth and subtlety of Lao Tzu s wisdom without requiring a knowledge of the Chinese language Readers are offered a choice between various interpretations and are guided in non technical terms to explore how they originate More importantly they are also offered the possibility to hold all the various resonances of the text simultaneously just as a Chinese reader would and thus access the original wealth of meaning in a way no ordinary translation could convey **The Apocalypse Explained, According to the Spiritual Sense** Emanuel Swedenborg, 1871 **River of Heaven** Lee Martin, 2008-04-15 You have to know the rest of my story the part I can t yet bring myself to say A story of a boy I knew a long time ago and a brother I loved and then lost Past and present collide in Lee Martin s highly anticipated novel of a man his brother and the dark secret that both connects and divides them Haunting and beautifully wrought *River of Heaven* weaves a story of love and loss confession and redemption and the mystery buried with a boy named Dewey Finn On an April evening in 1955 Dewey died on the railroad tracks outside Mt Gilead Illinois and the mystery of his death still confounds the people of this small town *River of Heaven* begins some fifty years later and centers on the story of Dewey s boyhood friend Sam Brady whose solitary adult life is much formed by what really went on in the days leading up to that evening at the tracks It s a story he d do anything to keep from telling but when his brother Cal returns to Mt Gilead after decades of self exile it threatens to come to the surface A Pulitzer Prize finalist for *The Bright Forever* Lee Martin masterfully conveys with a voice that is at once distinct and lyrical one man s struggle to come to terms with the outcome of his life Powerful and captivating *River of Heaven* is about the high cost of living a lie the chains that bind us to our past and the obligations we have to those we love *The International*, 1918 **Revelation Unsealed** James L. Resseguie, 2021-10-11 This narrative commentary systematically examines John s Apocalypse from a narrative critical perspective After an introduction to narrative criticism the volume focuses on point of view setting rhetoric character and plot in the Book of Revelation The rhetorical and symbolic significance of numerals are discussed at length as are the multifaceted characters in the book such as demonic animals locust beasts dragon birds and apocalyptic animals lamb four living creatures The symbolic significance of topographical architectural agricultural and other settings is emphasized The final chapter of the book is a summary of some of the major theological themes of Revelation The

River of Redemption Krista Schlyer, 2018-11-26 Incorporating seven years of photography and research Krista Schlyer portrays life along the Anacostia River a Washington DC waterway rich in history and biodiversity that has nonetheless lingered for years in obscurity and neglect in our nation's capital River of Redemption offers an experience of the river that reveals its eons of natural history centuries of destruction and decades of restoration efforts The story of the Anacostia echoes the story of rivers across America Inspired by Aldo Leopold's classic book A Sand County Almanac Krista Schlyer evokes a consciousness of time and place taking readers through the seasons in the watershed as well as through the river's complex history and ecology As with rivers nationwide the ways we've changed the Anacostia affect the people and wildlife that inhabit its shores from the headwaters in Maryland past its confluence with the Potomac River and ultimately to the Chesapeake Bay Centuries of abuse at the hands of people who have altered the landscape and mistreated the waterway have transformed it into a polluted toxic soup unfit for swimming or fishing The forgotten river is both a reminder of the worst humanity can do to the natural landscape and a wellspring of memory that offers a roadmap back to health and well being for watershed residents human and non human alike Blending stunning photography with informative and poignant text River of Redemption offers the opportunity to reinvent our role in urban ecology and to redeem our relationship with this national river and watersheds nationwide

I Was Just Thinking Ted Cole, 2020-04-06 Life is messy Sometimes we lose touch with God in the mess but usually he is found in the mess Over a period of forty years as a pastor I have had to deal with families in distress children who were unmanageable divorces suicides racism men and women who have sought release from toxic religion religious bigotry Christian judgmentalism tragic loss of loved ones disenchantment with organized religion and youth and adults who wavered between

faith and doubt and feeling guilty about it I have had conversations with atheists and agnostics who were interested in spirituality but could not find a church or a form of Christianity that would listen to their stories and their struggle to find peace outside themselves I have stood next to hospital beds watching patients slowly lose touch with life and reality These short stories represent God winks I received when thinking about the raw edges of life stories sprinkled with both humor and honest reflection
