River Sound Poems

W. S. Merwin

River Sound Poems:

The River Sound William Stanley Merwin, 1999 A collection of poems by a Pulitzer Prize winner In Testimony a poem on old age he writes of people who would give anything to glimpse a place where they were small or in love once and be able to capture in that second sight what in the plain original they missed and this time get it right **The river sound** ,2009

Meditative Poems by Korean Monks Jaihiun Kim, 2002 This work is a chronological anthology of Korean Zen poetry spanning the 6th through 20th centuries In his introduction the translator distinguishes Zen from other forms of Buddhism and places it in its historical context These intuitive poems chronicle the spiritual search as well as the awakening of each Zen Master **American Poets and Poetry** Jeffrey Gray, Mary McAleer Balkun, James McCorkle, 2015-03-10 The ethnically diverse scope broad chronological coverage and mix of biographical critical historical political and cultural entries make this the most useful and exciting poetry reference of its kind for students today American poetry springs up out of all walks of life its poems are maternal as well as paternal stuff d with the stuff that is coarse and stuff d with the stuff that is fine as Walt Whitman wrote adding Of every hue and caste am I of every rank and religion Written for high school and undergraduate students this two volume encyclopedia covers U S poetry from the Colonial era to the present offering full treatments of hundreds of key poets of the American canon What sets this reference apart is that it also discusses events movements schools and poetic approaches placing poets in their social historical political cultural and critical contexts and showing how their works mirror the eras in which they were written Readers will learn about surrealism ekphrastic poetry pastoral elegy the Black Mountain poets and language poetry There are long and rich entries on modernism and postmodernism as well as entries related to the formal and technical dimensions of American poetry Particular attention is paid to women poets and poets from various ethnic groups Poets such as Amiri Baraka Nathaniel Mackey Natasha Trethewey and Tracy Smith are featured The encyclopedia also contains entries on a wide selection of Latino and Native American poets and substantial coverage of the avant garde and experimental movements and provides sidebars that illuminate key points **Desire and Infinity in W. S. Merwin's Poetry** Feng Dong, 2021-12-15 In the first monograph on W S Merwin to appear since his death in 2019 Feng Dong focuses on the dialectical movement of desire and infinity that ensouls the poet s entire oeuvre His analysis foregrounds what Merwin calls the other side of despair the opposite of humans articulated personal and social agonies Feng finds these presences in Merwin s evocations of what lingers on the edge of constantly updated socio symbolic frameworks surreal encounters spiritual ecstasies and abyssal freedoms By examining Merwin s lifelong engagement with psychic fantasies anonymous holiness entities both natural and supernatural and ghostly ancestors Feng uncovers a precarious relation with the unarticulated unrealized side of existence Drawing on theories from Lacan i ek Levinas and Heidegger **Desire and Infinity in W S Merwin's Poetry** reads a metaphysical possibility into the poet s work at the intersection between contemporary poetics philosophy and psychoanalysis **Encyclopedia of American Poetry: The Twentieth**

Century Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States

Reading W.S. Merwin in a New Century Cheri Colby Langdell, 2023-01-01 This edited collection explores the work of highly awarded and twice American Poet Laureate W S Merwin Spanning Merwin s early career his mid career success his Hawaiian epic his eco poetry his lesser known later poetry and the influence of Buddhism on his work the volume offers new perspectives on Merwin as a major poet Exploring his works across the twentieth and twenty first century this collection presents Merwin as a necessary and contemporary poet It emphasizes contemporary readings of Merwin as an environmental advocate showing how his poetry seeks to help each reader re establish an intimate relationship with the natural world It also highlights how Merwin s work presents our place in history as a pivotal moment of transition into a new era of international cooperation This volume both celebrates his life and writing and takes scholarship on his work forward into the new century

Life-Writing, Genre and Criticism in the Texts of Sylvia Townsend Warner and Valentine Ackland Ailsa Granne, 2020-05-27 Sylvia Townsend Warner has increasingly become recognized as a significant and distinctive talent amongst twentieth century authors This volume explores her remarkable relationship with Valentine Ackland her partner for forty years by closely examining their letters and diaries alongside a selection of their other texts in particular their poetry This analysis reveals the crucial role their writing played in establishing maintaining and defending their intimacy and describes the emergence of an alternative textual world upon which they became wholly reliant Examining how Warner and Ackland exploited the distance between their lived life and their accounts of it gives rise to many fascinating and untold stories Furthermore in investigating the fluidity of the boundaries between letters diaries and fiction this book also provides a fresh perspective on these life writing forms Warner and Ackland s need to speak as women writers and lovers shaped their texts so that they became not simply records of events nor acts of communication but complex documents in which love is won and lost myths are created and lives are changed as will be the perspectives of those who read this book *Bill Moyers*

Journal Bill Moyers, 2013-06-04 A companion volume to the Emmy Award winning PBS series interviews with an essential voice in our national conversation Brian Williams MSNBC anchor This provocative and absorbing Star Tribune companion book to Bill Moyer s acclaimed PBS series invites readers into conversations with some of the most captivating voices on the scene today in what Kirkus Reviews calls a glittering array of discussions From Jon Stewart on politics and media to Michael Pollan on food The Wire creator David Simon on the mean streets of our cities James Cone and Shelby Steele on race in the

age of Obama Robert Bly and Nikki Giovanni on the power of poetry Barbara Ehrenreich on the hard times of working Americans and Karen Armstrong on faith and compassion Moyers' own intelligence and insight match that of his guests and their discussions animate many of the most salient issues of our time With extensive commentary from Moyers marked by his customary respect intelligence curiosity humor and graciousness here are the debates cultural currents and above all lively minds that shape the conversation of democracy Booklist In an era of much instant and ephemeral talk it is a pleasurable thing to hold this book of ideas Publishers Weekly Moyers has always been about something beyond the moment Or put another way while everyone else in the media has been exploring topography Moyers has been exploring geology Los Angeles Times

Selected Poems Seán Ó Ríordáin, 2019-02-12 The first bilingual volume of poems by leading Irish twentieth century poet Seán Ó Ríordáin In the mid twentieth century a new generation of poets writing in Irish emerged led by the young Seán Ó Ríordáin among others Ó Ríordáin's work has stood the test of time well and he continues to engage today's Irish readers and writers This well rounded selection of poems brings most of Ó Ríordáin's works to English language readers for the first time The poems appear in their original Irish alongside English translations by some of Ireland's leading poets Also included for the first time in English is Ó Ríordáin's essay What Is Poetry considered an extraordinary touchstone of critical insight for poets and literary commentators The volume reflects Ó Ríordáin's seven main concerns poetry and its place in the artist's life the plural self the relationship between the individual and society gender relations the nature of animals Ireland its language and culture and mortality

Conversations with W. S. Merwin Michael Wutz, Hal Crimmel, 2015-05-21 Conversations with W S Merwin is the first collection of interviews with former United States Poet Laureate W S Merwin b 1927 Spanning almost six decades of conversations the collection touches on such topics as Merwin's early influences Robert Graves and Ezra Pound his location within the twin poles of Walt Whitman and Henry David Thoreau and his extraordinary work as a translator as well as his decades long interest in environmental conservation Anticipating the current sustainability movement and the debates surrounding major and minor literatures Merwin was and still is a visionary He is among the most distinguished poets translators and thinkers in the United States A major link between the period of literary modernism and its contemporary extensions Merwin has been a force in American letters for many decades and his translations from the Spanish French Italian Japanese and other languages have earned him unanimous praise and admiration Merwin also wrote at the forefront of literature's environmental advocacy and early on articulated concerns about ecology and sustainability Conversations with W S Merwin offers insight into the various dimensions of Merwin's thought by treating his interviews as a self standing category in his oeuvre More than casual narratives that interpret the occasional poem or relay an occasional experience they afford literary and cultural historians a view into the larger throughlines of Merwin's thinking

Summer Doorways W. S. Merwin, 2015-12-01 America today is a mobile society Many of us travel abroad and few of us live in the towns or cities where we were born It wasn't always so Travel from America to Europe became a commonplace an ordinary

commodity some time ago but when I first went such departure was still surrounded with an atmosphere of adventure and improvisation and my youth and inexperience and my all but complete lack of money heightened that vertiginous sensation writes W S Merwin Twenty one married and graduated from Princeton the poet embarked on his first visit to Europe in 1948 when life and traditions on the continent were still adjusting to the postwar landscape Summer Doorways captures Merwin at a similarly pivotal time before he won the Yale Younger Poets Award in 1952 for his first book A Mask for Janus the moment was as the author writes an entire age just before it was gone like a summer

Books and Beyond Kenneth Womack, 2008-10-30 There is a strong interest in reading for pleasure or self improvement in America as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey's Although recent government reports show a decline in recreational reading the same reports show a strong correlation between interest in reading and academic achievement This set provides a snapshot of the current state of popular American literature including various types and genres The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk fantasy literature flash fiction GLBTQ literature graphic novels manga and anime and zines Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre's reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Reading in America for pleasure and knowledge continues to be popular even while other media compete for attention While students continue to read many of the standard classics new genres have emerged These have captured the attention of general readers and are also playing a critical role in the language arts classroom This book maps the state of popular literature and reading in America today including the growth of new genres such as cyberpunk zines flash fiction GLBTQ literature and other topics Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre's critical reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Students will find this book a valuable guide to what they're reading today and will appreciate its illumination of popular culture and contemporary social issues

The Virginia Quarterly Review, 2001 The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste

Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study *The Later Affluence of W. B. Yeats and Wallace Stevens* E.

Clarke,2011-12-01 Surveying the later work of W B Yeats and Wallace Stevens Edward Clarke unfolds their very last poems and considers the two poets relations with western literature and tradition This book shows how these two latecomers transform the ways in which we read earlier poets Unframed Originals W. S. Merwin,2019-04-20 In this haunting

elegantly written memoir W S Merwin recalls in utterly unsentimental prose his youth growing up in a repressed Presbyterian household in the small river towns of New Jersey and Pennsylvania The complex portrait that emerges of a family without language or history transforms the story of their isolated lives into the development of a writer s conscience and a warning about the fate of a middle class eager to obliterate origins This book is superbly written offering deep glimpses into the complexities and mysteries of family bonds with just that distancing from people and events necessary for artistic control Edmund Fuller Wall Street Journal **The Late Poetry of the Lake Poets** Tim Fulford,2013-10-31 This

book explores the significance of the late poems of the Lake Poets and the establishment of their later careers *Collected Poems* Robert Bly,2018-12-18 Gathering more than sixty years of poetry Collected Poems showcases the brilliant career of a great American transcendentalist New York Times An extraordinary culmination for Robert Bly s lifelong intellectual adventure Collected Poems presents the full magnitude of his body of work for the first time Bly has long been the voice of transcendentalism and meditative mysticism for his generation every stage of his work is warmed by his devotion to the art of poetry and his affection for the varied worlds that inspire him Influenced by Emerson and Thoreau alongside spiritual traditions from Sufism to Gnosticism he is a poet moved by mysteries speaking the language of images Collected Poems gathers the fourteen volumes of his impressive oeuvre into one place including his imagistic debut Silence in the Snowy Fields 1962 the clear eyed truth telling of his National Book Award winning collection The Light Around the Body 1967 the masterful prose poems of The Morning Glory 1975 and the fiercely introspective uniquely American ghazals of his latest collection Talking into the Ear of a Donkey 2011 A monumental poetic achievement Collected Poems makes clear why poets and lovers of poetry have long looked to Robert Bly for emotional authenticity moral authority and artistic inspiration A *Concordance to the Poems of Edmund Spenser* Charles Grosvenor Osgood,1915
