The Challenges of Born-Digital Fiction Dene Grigar, Mariusz Pisarski, 2024-03-13 The Challenges of Born Digital Fiction Editions Translations and Emulations addresses the growing concern about how best to maintain and extend the accessibility of early interactive novels and hypertext fiction or narratives These forms of born digital literature were produced before or shortly after the mainstreaming of the World Wide Web with proprietary software and on formats now obsolete Preserving and extending them for a broad study by scholars of book culture literary studies and digital culture necessitate they are migrated translated and emulated yet these activities can impact the integrity of the reader experience Thus this Element centers on three key challenges facing such efforts 1 precision of references identifying correct editions and versions of migrated works in scholarship 2 enhanced media translation approaching translation informed by the changing media context in a collaborative environment and 3 media integrity relying on emulation as the prime mode for long term preservation of born digital novels

River Run J. S. James, 2019-11-12 An explosive debut mystery for readers of Christine Carbo and Paul Doiron featuring a newly minted deputy thrust into the cutthroat world of hunting This waterfowl season the hunters become the hunted Newly promoted sheriff's deputy Delia Chavez has worked hard to get where she is Without any family to speak of law enforcement is all she has But just a few days into her new job Delia finds the body of a hunter washed up on the bank of the Willamette River missing his trigger finger Soon more bodies are found all hunters without their trigger fingers Waterfowl season often means clashes between hunters and animal rights activists but could someone be killing to make a statement Petrified but invigorated by the opportunity Delia dives head first into the case Soon she catches a whiff of something foul and it's not the dead bodies man or bird What starts off looking like a simple case of a ruthless vigilante quickly devolves into something much more complex Facing evasive killers who stop at nothing to conceal their crimes Delia must bring the criminals to justice because everyone knows if you're not the predator you're prey *River Run*

Red Andrew Ward, 2006-10-31 On April 12 1864 on the Tennessee banks of the Mississippi River a force of more than 3 000 Confederate cavalymen under General Nathan Bedford Forrest stormed Fort Pillow overwhelming a garrison of some 350 Southern white Unionists and over 300 former slaves turned artillerymen By the next day hundreds of Federals were dead over 60 black soldiers had been captured and re-enslaved and over 100 white soldiers had been marched off to their doom at Andersonville Confederates called this bloody battle and its aftermath a hard won victory Northerners deemed it premeditated slaughter To this day Fort Pillow remains one of the most controversial battles in American history *River Run Red* vividly depicts the incompetence and corruption of Union occupation in Tennessee the horrors of guerrilla warfare the legacy of slavery and the pent up bigotry and rage that found its release at Fort Pillow Andrew Ward brings to life the garrison's black soldiers and their ambivalent white comrades and the former slave trader Nathan Bedford Forrest and his ferocious cavalry in a fast paced narrative that hurtles toward that fateful April day and beyond Destined to become as

controversial as the battle itself River Run Red establishes Fort Pillow's true significance in the annals of American history

Siberian River Run-off in the Kara Sea Stein Ruediger, 2003 Within the joint German Russian research project Siberian River Run off SIRRO multidisciplinary studies were carried out in the Ob and Yenisei estuaries and adjacent southern Kara Sea Arctic Ocean The overall goal of the project was to extend knowledge on understanding the freshwater and sediment input by the major Siberian rivers and its impact on the environments of the inner Kara Sea The main results of oceanographical biological geochemical geological and modelling studies are presented in four main chapters *Routledge Library Editions: Feminist Theory* Various, 2021-04-28 Routledge Library Editions Feminist Theory brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from The Liberation of Women to Feminists and State Welfare from Married to the Job to Julia Kristeva this set provides in one place a wealth of important reference sources from the diverse field of gender studies **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1973 *space.time.narrative* Frank den Ouden, 2016-12-05 Making exhibitions is a collaborative art producing is a multi layered unity of ideas and objects of invention and manifestation of content and form However there is an antagonistic dimension to it because content and form are traditionally represented by the entirely different realms of curator and designer Future successful developments in exhibition making are dependent on whether this gap of antagonism can be bridged space time narrative calls for a paradigmatic shift of focus It puts forward a unique approach breaking down traditional barriers and offering a wide ranging theoretical context redefining and expanding the parameters and the dynamics of the exhibition format in terms of an open narrative environment which at its roots displays deep similarities with performance on stage or installation in urban and rural space The book breaks new ground by looking at the exhibition as a cultural format firstly within a great sweep of the arts in general weaving a web of philosophical museological linguistic and media theoretical references which expands the contextual field of the profession It then offers unique and important insights from within in extreme close up by bringing together interviews with six of the leading exhibition designers who discuss the dynamics of the medium its interactive dimensions the soft parameters of the

exhibition and how to get to grips with the format as a complex narrative space in which the public takes part Curator and designer should reposition themselves professionally at the heart of the axis which divides or connects content and form

Contemporary Western European Feminism (RLE Feminist Theory) Gisela Kaplan, 2012-11-12 Contemporary Western European Feminism is a ground breaking history of feminism Gisela Kaplan invites a critical analysis of current ideas terms and assumptions about our modern world Written confidently and with compassion this is the story of a long revolution that has set out to change predominant attitudes and transform value hierarchies and human lifestyles By outlining the postwar histories of individual countries Kaplan contextualises women s movements and documents a significant chapter of European social history She poses questions about the interrelationship between the new movements and the parliamentary democracies in which they occurred while analysing the contradictions of living in modern capitalist countries Contemporary Western European Feminism also tackles important contradictions such as those between the welfare state and the free market economy industrialisation and religious value systems social engineering and the production of wealth and dissent and patrimonial systems of democracy For those wanting to know more about Europe without the intimidating barriers of language and for those already experts in its social history Contemporary Western European Feminism is essential reading
