A Boy in the South Arthur J. Solomon,2021-02-16 Sometimes life is like a revolving door As a teenager when I left Georgia to pursue a better life and to see the world I told myself I would never live here again 70 years later after all my travels and being in so many places I accomplished my dream with many prayers I was determined not to return but somehow I found myself back in Georgia where I started Life has changed a great deal since my younger days Many loved ones the homes where I lived and the places I use to go are gone One thing that remains is my memory of them and the times we shared I still enjoy a drive to the country visiting the old places and on occasion I take my children and grandchildren
