Road Show:

Roadshow! Matthew Kennedy, 2015-09-02 In *Roadshow The Fall of Film Musicals in the 1960s* film historian Matthew Kennedy explores the downfall of a beloved genre caught in the hands of misguided creators who glutted the American film market with a spate of expensive and financially unrewarding musicals between 1967 and 1972 In doing so it offers an alternative view of this era in the world of American popular entertainment telling of the cultural importance of the studios death grip on the film business rather than dwelling on the failures of the flops themselves **The Traveling Jesus**

Roadshow Stephen Brown, 2008-02 A discontented Peter McCloud contemplates his office job employers and romantic relationship when a large mold growing in his office window is recognized by a local zealot as looking like Jesus Interpreted as a Sign from God word of the mold spreads through the religious underground The multi national consumer goods company for whom Peter works is appalled upon discovering that the resulting national publicity has led to a giant tent city of pilgrim merchants dubbed the Traveling Jesus Roadshow encamping outside the company s building selling Jesus related merchandise such as What Would Cheesus Do fondue sets and Shroud of Turin beach towels Unable to remove the Mold out of fear of offending the religious community the company finds itself stuck Inspired Rebecca Peter s ruthless corporate ladder climbing girlfriend steals the idea of a soap made in the shape of the Jesus Mold from a colorful Roadshow merchant and uses it to get promoted Disgusted at the company s exploitation of the faithful and their abuse of him personally Peter sets out to undermine the company s Jesus soap product a task made all the more complicated when Rebecca is set up to head the launch of the new Jesus soap Antiques Roadshow Behind the Scenes Marsha Bemko, 2009-12-01 An all access pass to America s first and favorite reality television program boasting over ten million viewers each week *Antiques Roadshow* If you re a fan of PBS s top rated *Antiques Roadshow* you ve probably wondered what would it take to get your family treasure on the program What happens to the antiques after the show airs Are the appraisers ever wrong And will *Antiques Roadshow* come to my hometown In this four color fully illustrated guide to America s favorite treasure hunting program *Antiques Roadshow Behind the Scenes* reveals inside information about the participants the appraisers the fans and the antiques that make up the show direct from the woman who makes it all happen executive producer Marsha Bemko Learn what it really takes to put on a Roadshow event and why certain cities are more likely to get a visit from the show than others who gets chosen to be on air and what items producers are really looking for what it takes to be an appraiser and how even the experts make mistakes and what happens when things go terribly wrong such as the occasional antique that turns out to have been stolen In addition learn which books websites and resources your favorite appraisers recommend and get updates on some of the most popular and notorious items ever featured on the show From priceless tips to the juicy family secrets hidden in dusty heirlooms *Antiques Roadshow Behind the Scenes* is both an invaluable resource and a fascinating slice of Americana Antiques Roadshow Collectibles Carol Prisant, 2003-01-01 Offers tips on identifying collecting and

caring for furniture photographs posters and illustration art costume jewelry and wristwatches dolls toys advertising and sports memorabilia and glass and pottery **Code of Federal Regulations** ,2008 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries Antiques Roadshow Primer Carol Prisant,1999-01-01 Tells how to investigate the history of furniture silver jewelry clocks toys and books and how to select an appraiser **Escape Velocity** Bradley Schauer,2017-01-03 Today movie theaters are packed with audiences of all ages marveling to exciting science fiction blockbusters many of which are also critically acclaimed However when the science fiction film genre first emerged in the 1950s it was represented largely by exploitation horror films lurid culturally disreputable and appealing to a niche audience of children and sci fi buffs How did the genre evolve from B movie to blockbuster *Escape Velocity* charts the historical trajectory of American science fiction cinema explaining how the genre transitioned from eerie low budget horror like *It Came from Outer Space* to art films like *Slaughterhouse Five* and finally to the extraordinary popularity of hits like *E T* Bradley Schauer draws on primary sources such as internal studio documents promotional materials and film reviews to explain the process of cultural aesthetic and economic legitimation that occurred between the 1950s and 1980s as pulp science fiction tropes were adapted to suit the tastes of mainstream audiences Considering the inescapable dominance of today s effects driven blockbusters *Escape Velocity* not only charts the history of science fiction film but also gives an account of the origins of contemporary Hollywood *Offerings of Asset-backed Securities* John Arnholz,Reed D. Auerbach,Edward E. Gainor,2016-01-01 Regulation AB has made a tremendous impact on the asset backed securities markets Where only imprecise interpretive regulation previously existed the new Regulation and related rules changes have imposed an extensive array of disclosure requirements presents the only detailed guidance on the recently adopted securities offering reform rules and their effect on asset backed securities offerings It is the first genuine practice manual for this area of the law covering the critical issues that arise in all relevant areas including securities law tax bankruptcy accounting and more *Offerings of Asset Backed Securities Third Edition* tells you how to do asset backed deals from a very practical perspective It does not concern itself with legal theory Instead this unique resource focuses on real world know how delivering A step by step approach to spotting issues and solving problems Practical transaction oriented advice from the perspective of experienced practitioners Insights into specific issues that frequently arise in transactions Solutions to common problems Includes andquot issue spottingandquot checklists and other formatting tools to ensure that this resource serves as a reliable quick reference *Offerings of Asset Backed Securities Third Edition* is the only practical accessible easy to use guide to the new SEC rules and the key issues associated with structuring and executing securitization transactions **Managing Change Initiatives** Cenred Harmsworth,Dr Jack Jacoby,2015-06-04 This book has a simple philosophy that makes it uniquely different in the market It makes managing change real relevant and practical and It makes it simple to find what you are looking for This book is not intended to be a textbook on managing change per se for two

reasons firstly which practicing manager has the time to read a text book And secondly just because its a textbook doesnt mean the answers that managers may have are readily available especially when needed by the manager Many organizations not only have internal skilled resources to draw on for the conduct of change projects but they also have the resources to hire expensive change consultants when needed But what about those companies that dont have the internal resources to expertly handle change projects and that dont have the funds to pay expensive consultants This book addresses this gap It also provides invaluable assistance to all managers since all managers need to manage change and all change consultants because there are very few who know it all or have all the answers This book does not align itself to any particular school of thought regarding the management of change however it does draw on the practical experience of professionals in the area as well as fundamental principles common to many change methodologies *Broker-Dealer Law and Regulation, 5th Edition*
