Robert Goldstein And The Spirit Of 76

Marc Milner

Robert Goldstein And The Spirit Of '76:

Robert Goldstein and 'The Spirit of '76' Robert Goldstein,1993-06 An essay and collection of primary documents on the making of the 1917 film The Spirit of 76 and the arrest and trial of its producer Goldstein for treason The US government had no use for the glorification of rebellion as it plunged into World War I Publishes for the first time Goldstein s own 1927 account of the film the trial the prison term and his later suffering Annotation copyright by Book News Inc Portland OR

American History through Hollywood Film Melvyn Stokes,2013-12-05 American History through Hollywood Film offers a new perspective on major issues in American history from the 1770s to the end of the twentieth century and explores how they have been represented in film Melvyn Stokes examines how and why representation has changed over time looking at the origins underlying assumptions production and reception of an important cross section of historical films Chapters deal with key events in American history including the American Revolution the Civil War and its legacy the Great Depression and the anti communism of the Cold War era Major themes such as ethnicity slavery Native Americans and Jewish immigrants are covered and a final chapter looks at the way the 1960s and 70s have been dealt with by Hollywood This book is essential reading for anyone studying American history and the relationship between history and film D.W. Griffith's the Birth of a Nation Melvyn Stokes,2008-01-15 In this deeply researched and vividly written volume Melvyn Stokes illuminates the origins production reception and continuing history of this ground breaking aesthetically brilliant and yet highly controversial movie By going back to the original archives particularly the NAACP and D W Griffith Papers Stokes explodes many of the myths surrounding The Birth of a Nation 1915 Yet the story that remains is fascinating the longest American film of its time Griffith s film incorporated many new features including the first full musical score compiled for an American film It was distributed and advertised by pioneering methods that would quickly become standard Through the high prices charged for admission and the fact that it was shown at first only in live theaters with orchestral accompaniment Birth played a major role in reconfiguring the American movie audience by attracting more middle class patrons But if the film was a milestone in the history of cinema it was also undeniably racist Stokes shows that the darker side of this classic movie has its origins in the racist ideas of Thomas Dixon Jr and Griffith s own Kentuckian background and earlier film career The book reveals how as the years went by the campaign against the film became increasingly successful In the 1920s for example the NAACP exploited the fact that the new Ku Klux Klan which used Griffith s film as a recruiting and retention tool was not just anti black but also anti Catholic and anti Jewish as a way to mobilize new allies in opposition to the film This crisply written book sheds light on both the film s racism and the aesthetic brilliance of Griffith s filmmaking It is a must read for anyone interested in the cinema

Beyond Free Speech and Propaganda Jay Douglas Steinmetz,2017-11-24 In Beyond Free Speech and Propaganda The Political Development of Hollywood 1907 1927 Jay Douglas Steinmetz provides an original and detailed account of the political developments that shaped the American Film Industry in the silent years In the 1900s and

1910s the American film industry often embraced the arguments of film free speech and extolled the virtues of propagandistic cinema the visual art of persuasion seen as part and parcel of deliberative democracy The development of American cinema in these years was formatively shaped by conflicts with another industry of cultural consumption liquor Exhibitors battled with their competitors the ubiquitous saloon while film producers often attacked the immorality of drink with explosive propaganda on the screen But the threat of censorship and economic regulation necessitated control and mastery over the social power of the cinema its capacity to influence the public through the visualization of ideas not an open medium of expression or an explicitly political instrument of molding public opinion By the early 1920s big producer distributors based in Southern California sidelined arguments for film free speech and tamped down the propagandistic possibilities of the screen Through their trade association the Motion Picture Producers and Distributors of America headed by Republican insider Will H Hays the emerging moguls of Hollywood negotiated government regulation prohibition and the insurgency of the Ku Klux Klan in the turbulent 1920s A complex and interconnected work of political history this volume also uncovers key aspects in the development of modern free speech propaganda in American political culture the modern Republican Party cultural developments leading up to prohibition and the rise and fall of the Ku Klux Klan in the 1920s This work will be of particular interest to film and political historians interested in social movements economic development regulation and the evolution of consumer capitalism in the early 20th century *This Was Hollywood* Carla

Valderrama,2020-11-17 In this one of a kind Hollywood history the creator of Instagram s celebrated ThisWasHollywood reveals the forgotten past of the film world in a dazzling visual package modeled on the classic fan magazines of yesteryear From former screen legends who have faded into obscurity to new revelations about the biggest movie stars Valderrama unearths the most fascinating little known tales from the birth of Hollywood through its Golden Age The shocking fate of the world s first movie star Clark Gable s secret love child The film that nearly ended Paul Newman s career A former child star who at ninety three reveals her metoo story for the first time Valderrama unfolds these stories and many more in a volume that is by turns riveting maddening hilarious and shocking Drawing on new interviews archival research and an exhaustive library of photographs This Was Hollywood is a compelling and visually stunning catalogue of the lost history of the movies

Dirty Words and Filthy Pictures Jeremy Geltzer,2016-01-04 Boxing porn and the beginnings of movie censorship The rise of salacious cinema State regulations emerge Mutual and the capacity for evil War nudity and birth control Self regulation reemerges Midnight movies and sanctioned cinema Sound enters the debate Tension increases between free speech and state censorship Threats from abroad and domestic disturbances Outlaws and miracles State censorship statutes on the defense Devil in the details film and the Fourth and Fifth Amendments Dirty words profanity and the patently offensive Filthy pictures obscenity from nudie cuties to fetish films The porno chic from Danish loops to Deep throat Just not here content regulation through zoning Is censorship necessary The politics of profanity **Liberty and Freedom** David

Hackett Fischer, 2005 The bestselling author of *Washington's Crossing* and *Albion's Seed* offers a strikingly original history of America's founding principles Fischer examines liberty and freedom not as philosophical or political abstractions but as folkways and popular beliefs deeply embedded in American culture 400 illustrations 250 in full color *Pennsylvania's Revolution* William Pencak, 2010-01-01 A collection of essays on the American Revolution in Pennsylvania Topics include the politicization of the English and German language press and the population they served the Revolution in remote areas of the state and new historical perspectives on the American and British armies during the Valley Forge winter Provided by publisher *George Washington on Screen* Leigh Ehlers Telotte, 2023-07-17 One of the most moving narratives from the American Revolution is the first presidential administration and the many precedents set by George Washington While media historians have extensively analyzed screen portrayals of the more sensational events of America in the 1750s to the 1790s far less attention has been paid to portrayals of the first presidency and the character of George Washington in film television and other formats This book addresses that gap by providing the most comprehensive analysis of the character of George Washington on screen Divided into two parts the book begins with an analysis of how the Washington character has evolved through time and screen media from early silent films to modern multimedia products In Part II a filmography documents each piece of screen media that features a representation of Washington It includes silent films theatrical films cartoons television and screen media from the 21st century such as streaming video games and multimedia presentations Arranged alphabetically each entry includes format type production details crew and cast lists and a brief description of Washington's character in relation to the plot *The Progressive Magazine*, 1923 [The 1300 Year's War](#) Robert Maddock, 2016-12-19 The book in two volumes describes the evolution of Judeo Christianity and Islam and 1 300 years of warfare between them Islam and Christianity follow gods with different characteristics and differing doctrines free will vs determinism They were engaged in bloody conflict from 632 AD until 1856 Crimean War when the Ottoman Empire became the sick man of Europe It reignited with Egyptian encouragement backed by Soviet money the arming of Fedayeen terrorists in 1956 and the Six Day War following Egypt's seizure of the Suez Canal and has become progressively more serious ever since **Chicago Transformed** Joseph Gustaitis, 2016-07 14 Taking New Heart Organized Labor and the Postwar Strikes 15 Eyes to the Future Chicago in 1919 Notes Index About the Author Back Cover [Why America Fights](#) Susan A. Brewer, 2011-03-17 Why America Fights explores how the U S government has sold war aims designed to rally public support throughout the 20th century [California at War](#) Diane M. T. North, 2018-12-04 World War I propelled the United States into the twentieth century and served as a powerful catalyst for the making of modern California The war expanded the role of the government and enlarged the presence of private citizens associations Never before had so many Californians taken such a dynamic part in community state national and international affairs These definitive events unfold in California at War as a complex richly detailed historical narrative Historian Diane M T North not only writes about the transformative battlefield and nursing

experiences of ordinary Californians but also documents how daily life changed for everyone on the home front factory and farm workers housewives and children pacifists and politicians Even before the United States entered the war California s economy flourished because its industrialized agriculture helped feed British troops The war provided a boost to the faltering Hollywood film industry and increased the military s presence through the addition of Army and Navy training camps and air fields ship construction contracts to local businesses coastal defenses and university sponsored scientific research In these stories North traces the roots of California s global stature The war united Californians in common humanitarian goals as they supported war related charities funded the nation s war machine conserved food and enforced rationing Most citizens embraced wartime restrictions with patriotic zeal and did not foresee the retreat into suspicion loyalty oaths and unwarranted surveillance all of which set the stage for the beginnings of the modern security state California at War raises important questions about what happens when a nation goes to war This book illuminates the legacy of World War I for all Americans

Second Front Marc Milner, 2025-04-22 A revelatory new account of the Second World War and how bitter competition between the Allies would shape the postwar world In June 1944 an Allied army of British American and Canadian troops sought to open up a Second Front in Normandy But they were not only fighting to bring the Second World War to an end After decades of Anglo American struggle for dominance they were also contending with one another to determine who would ascend to global hegemony once Hitler s armies fell Marc Milner traces this bitter rivalry as it emerged after the First World War and evolved during the fragile peace which led to the Second American media and domestic politics dominated the Allied powers military strategy overshadowing the contributions of Britain and the remarkably critical role played by Canada in establishing this Second Front Culminating in the decisive Normandy campaign Milner shows how the struggle for supremacy between Churchill and Roosevelt changed the course of the Second World War and how their rivalry shaped our understanding of the Normandy campaign and the war itself

Theodore and Woodrow Andrew P. Napolitano, 2012-11-12 The New York Times bestselling author and Fox News judicial analyst examines the effects of two US presidents on personal freedom Either the Constitution means what it says or it doesn t America s founding fathers saw freedom as a part of our nature to be protected not to be usurped by the federal government and so enshrined separation of powers and guarantees of freedom in the Constitution and the Bill of Rights But a little over a hundred years after America s founding those God given rights were laid siege by two presidents caring more about the advancement of progressive redistributionist ideology than the principles on which America was founded Theodore and Woodrow is Judge Andrew P Napolitano s shocking historical account of how a Republican and a Democratic president oversaw the greatest shift in power in American history from a land built on the belief that authority should be left to the individuals and the states to a bloated far reaching federal bureaucracy continuing to grow and consume power each day With lessons rooted in history Judge Napolitano shows the intellectually arrogant anti personal freedom even racist progressive philosophy driving these men to poison the American system of

government And Americans still pay for their legacy in the federal income in state prescribed compulsory education in the Federal Reserve in perpetual wars and in the constant encroachment of a government that coddles special interests and discourages true competition in the marketplace With his attention to detail deep constitutional knowledge and unwavering adherence to truth telling Judge Napolitano moves through the history of these men and their times in office to show how American values and the Constitution were sadly set aside leaving personal freedom as a shadow of its former self in the grip of an insidious Nanny state progressive ideology

Atlantic understandings Claudia Schnurmann,Hartmut Lehmann,2006 In honor of the German historian Hermann Wellenreuther this volume explores the Atlantic world in all its many facets and extraordinary scope Experts from different fields address economic problems as well as religious convictions on the social differences and the everyday life experiences of the ordinary people as well as the aristocracy and the politics of princes Taken together the articles weave together German English and American history and help us to understand the Atlantic societies on both sides of the ocean from the Middle Ages to the present Claudia Schnurmann is professor at the Department of History at the University of Hamburg Germany Hartmut Lehmann is professor at the Max Planck Institute for History Goettingen Germany

A Century of Repression Ralph Engelman,Carey Shenkman,2022-10-04 A Century of Repression offers an unprecedented and panoramic history of the use of the Espionage Act of 1917 as the most important yet least understood law threatening freedom of the press in modern American history It details government use of the Act to control information about U S military and foreign policy during the two World Wars the Cold War and the War on Terror The Act has provided cover for the settling of political scores illegal break ins and prosecutorial misconduct

Hearst Over Hollywood Louis Pizzitola,2002 As a feature film producer Hearst was responsible for some of the most talked about movies of the 1920s and the 1930s Behind the scenes in Hollywood Hearst had few equals he was a much feared power broker from the Silent Era to the Blacklisting Era

Poetry Night at the Ballpark and Other Scenes from an Alternative America Bill Kauffman,2015-06-15 Bill Kauffman has carved out an idiosyncratic identity quite unlike any other American writer Praised by the likes of Gore Vidal Benjamin Schwarz and George McGovern he has with a distinctive and slashingly witty learnedly allusive style illumed forgotten corners of American history articulated a defiant and passionate localism and written with love and dark humor of his repatriation Poetry Night at the Ballpark gathers the best of Bill Kauffman s essays and journalism in defense and explication of his alternative America or Americas Its discrete pieces are bound by a thematic unity and propulsive energy and are full of unexpected yet startlingly apposite connections and revelatory linkages Whether he s writing about conservative Beats backyard astronomers pacifist West Pointers or Middle America in the movies Bill Kauffman will challenge maybe even change the way you look at American politics and the American provinces

Robert Goldstein And The Spirit Of 76 Book Review: Unveiling the Magic of Language
