

Robert Und Clara Schumann

Nancy B. Reich

Robert Und Clara Schumann:

Clara Schumann Nancy B. Reich, 2001-06-28 This absorbing and award winning biography tells the story of the tragedies and triumphs of Clara Wieck Schumann 1819 1896 at once artist composer editor teacher wife and mother of eight children

The Marriage Diaries of Robert & Clara Schumann Robert Schumann, 1993 The Schumann Marriage diaries provide a vivid portrait of the unique artistic and personal union between two renowned musicians For the first four years of their marriage Robert and Clara Schumann kept a joint diary recording their entries at least initially on alternate weeks Begun on September 13 1840 the day after their marriage the diary opens with guidance from Robert This little book has a very intimate meaning it shall be a diary about everything that touches us mutually in our household and marriage The diaries reflect the harmony as well as the discord in their marriage Robert and Clara describe in intimate detail their honeymoon period the births of their children their busy social lives travels throughout Europe financial problems separations and reunions The book also evokes the artistic milieu of nineteenth century Germany The Schumanns came in contact with many musicians including their close friends Felix Mendelssohn and Franz Liszt and recorded their insightful reactions to the artists and their music The marriage diaries cover a fertile period in Robert Schumann's life during which he wrote the Spring Symphony the Piano Concerto most of his chamber music his first oratorio Paradise and the Peri and numerous songs They reflect the frenetic pace at which he worked as well as his growing bouts of depression his ambivalent response to Clara's decision to return to the concert stage after a prolonged hiatus and her anxiety in the face of Robert's changing moods This edition includes the couple's travel book written during their stressful concert tour of Russia in 1844 which marked the end of the marriage diaries Robert Schumann's descriptions of Russian customs and the poems he wrote in Moscow all of which provide a fascinating and uniquely detailed glimpse at what it was like to travel in Russia at the time

The Complete Correspondence of Clara and Robert Schumann Clara Schumann, 1994 **Robert Schumann** Ronald Taylor, 1982 Becoming Clara Schumann Alexander Stefaniak, 2021-11-02 Well before she married Robert Schumann Clara Schumann was already an internationally renowned pianist and she concertized extensively for several decades after her husband's death Despite being tied professionally to Robert Clara forged her own career and played an important role in forming what we now recognize as the culture of classical music Becoming Clara Schumann guides readers through her entire career including performance composition edits to her husband's music and teaching Alexander Stefaniak brings together the full run of Schumann's concert programs detailed accounts of her performances and reception and other previously unexplored primary source material to illuminate how she positioned herself within larger currents in concert life and musical aesthetics He reveals that she was an accomplished strategist having played roughly 1 300 concerts across western and central Europe over the course of her six decade career and she shaped the canonization of her husband's music Extraordinary for her time Schumann earned success and prestige by crafting her own playing style selecting and composing

her own concerts and acting as her own manager By highlighting Schumann's navigation of her musical culture's gendered boundaries *Becoming Clara Schumann* details how she cultivated her public image in order to win over audiences and embody some of her field's most ambitious aspirations for musical performance *Robert Schumann* Martin

Geck, 2022-12-22 Robert Schumann 1810-56 is one of the most important and representative composers of the Romantic era Born in Zwickau Germany Schumann began piano instruction at age seven and immediately developed a passion for music When a permanent injury to his hand prevented him from pursuing a career as a touring concert pianist he turned his energies and talents to composing writing hundreds of works for piano and voice as well as four symphonies and an opera Here acclaimed biographer Martin Geck tells the fascinating story of this multifaceted genius set in the context of the political and social revolutions of his time The image of Schumann the man and the artist that emerges in Geck's book is complex Geck shows Schumann to be not only a major composer and music critic he cofounded and wrote articles for the controversial *Neue Zeitschrift für Musik* but also a political activist the father of eight children and an addict of mind altering drugs Through hard work and determination bordering on the obsessive Schumann was able to control his demons and channel the tensions that seethed within him into music that mixes the popular and esoteric resulting in compositions that require the creative engagement of reader and listener The more we know about a composer the more we hear his personality in his music even if it is above all on the strength of his work that we love and admire him Martin Geck's book on Schumann is not just another rehashing of Schumann's life and works but an intelligent personal interpretation of the composer as a musical literary and cultural personality *Her Piano Sang* Barbara Allman, 2011-08-01

At the age of nine Clara Wieck gave her first public performance as a concert pianist She played beautifully When the concert was over she felt as if she were dancing on a cloud As she grew older Clara's concerts took her all over Europe Audiences adored her and she became friends with other famous musicians including her father's student Robert Schumann Robert and Clara fell in love and eventually married Robert took some of Clara's melodies and shaped them into compositions and Clara performed his pieces introducing them to new audiences Throughout her life Clara Schumann's performances set the standard for piano music The greatest composers of her time impressed with the power and beauty of her playing wrote music for her Clara was a pianist composer and mentor as well as an inspiration to the romantic movement that was her life She made the piano sing

Clara Schumann Clara Schumann, 1972-01-01 **The Cambridge Companion to the Lied** James Parsons, 2004-07

Beginning several generations before Schubert the Lied first appears as domestic entertainment In the century that follows it becomes one of the primary modes of music making By the time German song comes to its presumed conclusion with Richard Strauss's 1948 *Vier letzte Lieder* this rich repertoire has moved beyond the home and keyboard accompaniment to the symphony hall This is a 2004 introductory chronicle of this fascinating genre In essays by eminent scholars this Companion places the Lied in its full context at once musical literary and cultural with chapters devoted to focal composers as well as

important issues such as the way in which the Lied influenced other musical genres its use as a musical commodity and issues of performance The volume is framed by a detailed chronology of German music and poetry from the late 1730s to the present and also contains a comprehensive bibliography **Letters of Clara Schumann and Johannes Brahms, 1853-1896** Clara Schumann, 1927

Uncover the mysteries within Explore with is enigmatic creation, Discover the Intrigue in **Robert Und Clara Schumann** . This downloadable ebook, shrouded in suspense, is available in a PDF format (*). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
