Blood Secrets he demonstrates how detectives and forensic experts use blood spatter analysis to solve real cases How can the police tell what type of murder weapon was used when the body is missing and all that s left is a trace of gore How can they tell if a victim was moved or which person in a room fired the fatal shot Englert lays out what he s learned on a variety of intriguing cases from puzzling murders in tiny remote towns to the highest profile celebrity trials including O J Simpson Robert Blake and many others Filled with fascinating details of forensic science and real life CSI stories Blood Secrets shows the techniques and tools used to decipher blood spatter s code Praise for Blood Secrets A fascinating journey into the study of crimson drops Englert deftly balances real life examples and detailed scientific analysis giving readers a richer understanding of this developing avenue of forensic science Publishers Weekly Rod Englert is the ideal forensics professional Blood Secrets shares many special insights and lessons learned from his long and storied law enforcement career The reader will appreciate his honesty and conviction as he weaves his way through the world of forensics and criminal investigation

Dayle Hinman criminal profiler host of Body of Evidence from the case files of Dayle Hinman **Blood Bonding :**
Protector and Secrets Pradip Bendkule,2020-04-03 It is the Story of Secrets Behind various strange things as well as the Secret Protector who saves Gima Gima fell in love with him She wants to find him Gima s Best friend Nitya Genius minded Punarvasu and Author try to help her But Talia is a girl who has Extraordinary Intelligence come into Story Suddenly two Different Love Triangles are made and they collide Each other The Secret Protector Punarvasu and Whole Story Surprises all of them Again and Again with various Beautiful Thought and Adventures Events Everyone Realises that There are reasons behind every moment and persons come in life and if there is a war between love destiny and nature Nature will need to win The Question Have They Found a Secret Protector What happened to those Love Triangles How and Who Bounded Each other As a Story Called Blood Bonding That s why Not Every time the Blood Bonding is Genetical or With Relation Sometimes it s Love Sometimes it s more than Emotions Blood Bonding is not only a love story but it also contradicts the thoughts and prejudiced thoughts of society Often the term blood Bonding is defined as genetic or Relational This book is also incapable of considering this because two or more characters in the book are linked in a strange way The characters who are part of the story continue to express the personality of the beautiful and strange thoughts that help them it is also about Gima s close or best friend nitya who seeks the mysterious Protector Genius and clever Punarvasu who helps them Talia who is an intelligent soldier Chandrashekhar a retired father of Talia from the army Blind but Skillful Shin who was lived with ship worker Bhimaji and Bhanuji who is Social worker as well as Caring for the poor The seminar of the book has been diverted through various aspects and ideas of the personality of all of them Various occasions and thoughts in the book are different ways of opposing wrong or traditional ideas regarding blood bonding love prejudice misunderstanding society so on various seminars and pasts show the way to take Gima to her mysterious Protector But on this journey two strange triangles of strangely intertwined love form which continue to impress the characters in the book or story How these people solve these triangles and the

mystery of the Protector as the different secrets are revealed In all these instances it has been shown in seminars that the nature of what happens is a long way The characters the mysterious Protector and the various secrets that come with the moments astonished all of them the strange personality of Punarvasu the true reason behind it his skill and the character of the mysterious Protector continue to amaze everyone Both of them succeed in proving themselves very important in the story It involves the triangle of love and the emotions of the characters built into this triangle A lot of secrets eventually come out All of them take great lessons from this seminar which will last for a lifetime The Big Question is How do they solve all the stories Not every time the Blood Bonding is Genetical or in Relations Sometimes it s Love Sometimes it s more than Emotions When Two love triangles collide Each other There is a Great possibility of damaging the innocent Hearts But Nature is always superior to anything in the Universe Therefore If there is war between Love Destiny and Nature Nature must win Some secrets are important and some are meaningful From time to time we should Realize that Every individual and incident comes in life for some kind of Reason But In very few cases that reason should become The ultimate goal for Lifetime
