SECULAR LIVES, SACRED HEARTS: THE ROLE OF THE CHURCH IN A TIME OF NO RELIGION. ALAN. BILLINGS, 2004

Mission-Shaped Parish Paul Bayes, Tim Sledge, John Holbrook, Mark Rylands, Martin Seeley, 2010-09-01 This is a practical how to guide introducing new mission shaped practices in a traditional parish setting This book looks at the church's bread and butter activities worship pastoral contacts civic and public responsibilities faith formation administration and leadership and creatively points out how to reframe them with a focus on God's mission

The Sociology of Religion Grace Davie, 2007-05-09 Grace Davie is one of the best analysts of religion in contemporary sociology This book caps a distinguished record of studies of religion first of Britain then of Europe then globally This is a magisterial work which should be read by anyone interested in the place of religion in the modern world Peter L Berger Boston University This book offers both an expert survey of contemporary sociology of religion and the personal reflections of one of the leading scholars in the field Grace Davie is a good model for students and their teachers she is clear engaging and fair minded but unafraid to express a point of view David Voas University of Manchester Grace Davie has written a book about what is currently happening in the sociology of religion which is clear accessible devoid of jargon and authoritative Though addressed to the educated reader it also provides an ideal text for students If you want expert guidance about what is going on in the sociology of religion and to have useful indications about what is going on in religion on the global scene this book does the job extremely well

Theology Why is religion still important Can we be fully modern and fully religious The Sociology of Religion works at two levels First it sets out the agenda covering the key questions in the sociology of religion today At the same time it interrogates this agenda asking if the sociology of religion as we currently know it is fit for purpose If not what is to be done This book describes the origins of the sociology of religion demystifies secularization as a process and a theory relates religion to modern social theory unpacks the meaning of religion in relation to modernity and globalization grasps the methodological challenges in the field provides a comparative perspective for religions in the west introduces questions of minorities and margins sets out a critical agenda for debate and research In a single volume Grace Davie captures the nature and forms of modern religion the current debates in the field and the prospects for future development

Chaplaincy and Practical Theology Stephen B. Roberts, Sarah Dunlop, 2022-02-23 Chaplaincy has emerged as a highly significant form of ministry in the twenty first century and chaplaincy studies is growing as a field of study that learns from the experience and work of chaplains in their diverse sectors Chaplains from a range of different faith traditions pioneer ministry within the secular yet religiously plural contexts of contemporary life with often considerable creativity and skill generating a wealth of insight to be gleaned for understanding the place of faith in the modern world One of the disciplines that has been most concerned with gleaning those insights and developing the field of chaplaincy studies is practical theology The journal Practical Theology formerly Contact is a key repository for much of the wisdom gained through such study and this book

draws on the archive of the journal to trace the development of chaplaincy research and provide a resource for those seeking to join the conversation about the nature and significance of chaplaincy as a form of ministry and mission today Drawing on different sectors of chaplaincy and different methodological approaches this book is invaluable for those engaged in chaplaincy work those seeking to research that work and for anyone interested in contemporary pioneering forms of ministry

Worship that Cares Mark Earey, 2013-01-03 An introduction to the principles and skills of pastoral liturgy Inter denominational this text can be used across different Christian traditions in both formal and informal contexts and to meet traditional and non traditional pastoral needs *Thinking Again About Marriage* John Bradbury, Susannah Cornwall, 2016-02-28 What is involved in the practice of thinking theologically about marriage Key writers and thinkers offer an informed considered and constructive guide to a number of central questions including Mike Highton on marriage gender and Christian doctrine Charlotte Metheun on what we can learn from the history of marriage Ben Fulford on thinking about marriage with scripture Julie Gittoes on the liturgical theology of marriage John Bradbury on marriage as vocation Brett Gray on reproduction and the body's grace Susannah Cornwall on being faithful to our sexuate bodies Rachel Muers on developing a contemporary theology of marriage and much more Reflecting a broad theological and ecclesiological spectrum within the Christian tradition *Thinking Again About Marriage* offers a vital resource for critical thinking and reflective practice

Crossover City Andrew Davey, 2010-08-05 Reflections on key themes in missiology and theology from an urban perspective *Lost Church* Alan Billings, 2013-01-17 In trying to understand the relationship of the British people to religion specifically Christianity we tend to say that people believe or do not attend or do not The argument of *Lost Church* is that the majority of people do not really fit either of these categories Rather they belong in the sense that they feel some affinity to Christianity and the Church they are not hostile to its ministers they do not find churches alien places to be and they turn to the Church and its clergy on specific occasions But they do not want to attend regularly and their beliefs may be incoherent or even nonexistent and often flicker on and off like a badly wired lamp This absorbing and encouraging volume is a call to lay Christians and clergy to take stock of what is happening and to recover an understanding of the Church that will not alienate those who belong but rather enable ministry to them to continue **Approaches to Monasticism in the Context**

of Christian Responses to Modern Culture Kevin Maddy, 2022-06-20 *Approaches to Monasticism in the Context of Christian Responses to Modern Culture* is a study of how the values and practices of monasticism are being shaped by the shift to a cultural understanding of Christianity in modern times The values and practices of traditional monasticism are contrasted with those of various expressions of new monasticism against the background of a multicultural and fluid social environment in an effort to find some reciprocal illumination The study aims to describe monasticism in terms of authenticity and lived religion Kevin Maddy was educated at Cambridge University and has recently completed a PhD at Radboud University Nijmegen He currently works in Canterbury as an Anglican parish priest and is a probationary member of the

Society of the Resurrection **For the Parish** Andrew Davison, 2014-04-15 Fresh Expressions of Church are most significant development in the Church of England Parishes are the mainstay of the inherited church The authors demonstrate that the traditions of the parish church represent ways in which time space community are ordered in relation to God and the gospel
