The Camorra & Organised Crime TOM BEHAN

"The true story of the Neapolitan Mafia's power and influence"

See Naples And Die The Camorra And Organized Crime

Alan Wright

See Naples And Die The Camorra And Organized Crime:

See Naples and Die Tom Behan, 2002-08-23 Publisher Description *Mafia and Antimafia* Umberto Santino, 2015-07-23 The mafia is the impenetrable and seemingly infallible embodiment of notoriety and criminality Umberto Santino one of Italy's leading mafia experts here provides a new perspective on the mafia as a polymorphic organization which encompasses crime the accumulation of corruptly acquired wealth and power the cultural code of omerta and consensus Exploring the movements which strive to fight against the powers of the mafia such as the campaigns of civil society organizations like the Centro siciliano di documentazione the author also provides a fresh look at the mechanisms and struggles of the antimafia movement *Mafia Movies* Dana Renga, 2019-07-05 The mafia has always fascinated filmmakers and television producers Al Capone Salvatore Giuliano Lucky Luciano Don Vito and Michael Corleone and Tony Soprano are some of the historical and fictional figures that contribute to the myth of the Italian and Italian American mafias perpetuated onscreen This collection looks at mafia movies and television over time and across cultures from the early classics to the Godfather trilogy and contemporary Italian films and television series The only comprehensive collection of its type Mafia Movies treats over fifty films and TV shows created since 1906 while introducing Italian and Italian American mafia history and culture The second edition includes new original essays on essential films and TV shows that have emerged since the publication of the first edition such as Boardwalk Empire and Mob Wives as well as a new roundtable section on Italy's other mafias in film and television written as a collaborative essay by more than ten scholars The edition also introduces a new section called Double Takes that elaborates on some of the most popular mafia films and TV shows e.g. The Godfather and The Sopranos organized around themes such as adaptation gender and politics urban spaces and performance and stardom *Organised Crime in Europe* Cyrille Fijnaut, Letizia Paoli, 2007-01-21 This volume represents the first attempt to systematically compare organised crime concepts as well as historical and contemporary patterns and control policies in thirteen European countries These include seven old EU Member States Denmark France Germany Italy The Netherlands Spain and the United Kingdom two new members the Czech Republic and Poland a candidate country Turkey and three non EU countries Albania Russia and Switzerland Based on a standardised research protocol thirty three experts from different legal and social disciplines provide insight through detailed country reports On this basis the editors compare organised crime patterns and policies in Europe and assess EU initiatives against organised crime Its informed analyses and unprejudiced assessments will make Organised Crime in Europe an indispensable resource for scholars students practitioners and policy makers interested in understanding the complex phenomenon of organised crime and its related control policies in Europe *Women of the Mafia* Felia Allum, 2024-07-15 Women of the Mafia dives into the Neapolitan criminal underworld of the Camorra as seen and lived by the women who inhabit it It tells their life stories and unpacks the gender dynamics by examining their participation as active agents in the organization as leaders managers foot soldiers and

enablers Felia Allum shows that these women are true partners in crime The author offers an innovative interdisciplinary analysis that demystifies the notion that the Camorra is a sexist male centric organization She links her analysis of Camorra culture within the wider Neapolitan context to show how mothers and women act and are treated in the private sphere of the household and how the family helps explain the power women have found in the Neapolitan Camorra It is civil society and law enforcement agencies that continue to see the Camorra using traditional gender assumptions which render women irrelevant and lacking independent agency in the criminal underworld In *Women of the Mafia* Allum debunks these assumptions by revealing the power and influence of women in the Camorra

The Camorra Tom Behan, 2005-08-18 Over the last twenty years the camorra of Naples and the surrounding region has risen to a level of strength rivalling that of the Sicilian mafia This is not a new organization the Camorra first emerged in the last century several decades before the mafia Tom Behan traces the history of the organization from its inception to the present Until the 1970s the extent of its influence fluctuated although it always maintained close relationships with the politicians of the region However since the 1970s new and more powerful forms of camorra have developed Raffaele Cutola's mass camorra of unemployed youth specialise in protection rackets Lorenzo Nuvoletta's business camorra has reinvested drug money into construction following the 1980 earthquake and Carmine Alfieri's political camorra has become extremely profitable through its ability to obtain public sector contracts The Camorra is a fascinating account of the transformation of the small time cigarette smugglers of the 1960s to the international entrepreneurs of the 1990s

Organised Crime Alan Wright, 2013-06-17 This text provides a broadly based introduction to the increasingly important subject of organised crime It explores all facets of organised crime and contains case studies illustrating the growth of organised crime at national international and transnational levels

Global Organized Crime Mitchel P. Roth, 2017-01-20 In the maelstrom of globalization and cyberspace organized crime continues to defy definition A diverse array of activities is perpetuated by criminal organizations criminal groups and associations and gangs and it is clear that one specific label is no longer adequate This book offers a uniquely global approach to organized crime and the multitude of forces that shape it in the 21st century As well as discussing definitions of and the historical roots of organized crime this book examines various forms of organized crime around the world in the US Mexico Latin America and the Caribbean Russia and Europe Asia and Africa This revised and updated new edition includes coverage of the rise of the Ndrangheta in Italy and their global expansion the impact of drug legalization on organized crime and the problem of methamphetamine organ trading money laundering and animal poaching changes in gang traditions and gangland penitentiaries the decentralization of Mexican cartels the growth of opium production in Myanmar and the drug war in Africa and the advancement of ISIS and the emergence of the Silk Road and the Dark Net This book is essential reading for students engaged in the study of global and transnational organized crime with features including chapter overviews key terms critical thinking questions and case studies

Criminality and Power in the Postcolonial City Maria

Ridda,2022-11-21 This book investigates the literary imaginings of the postcolonial city through the lens of crime in texts set in Naples and Mumbai from the 1990s to the present Employing the analogy of a black hole it posits the discourse on criminality as a way to investigate the contemporary spatial manifestations of coloniality and global capitalist urbanity Despite their different histories Mumbai and Naples have remarkable similarities Both are port cities gateways to their countries and regional trade networks and both are marked by extreme wealth and poverty They are also the sites and symbolic battlegrounds for a wider struggle in which the North exploits the South and the South fights back As one of the characters of the novel The Neapolitan Book of the Dead puts it a narrativisation of the underworld allows for a discovery of a different city from its forgotten corners Crime provides a means to understand the relationship between space and society culture in a number of cities across the Global South by tracing a narrative of postcolonial urbanity that exposes the connections between exploitation and the ongoing coloniality of power

Mafia Violence Monica Massari,Vittorio Martone,2018-11-08 Using in depth field research and analysis of case studies Mafia Violence Political Symbolic and Economic Forms of Violence in Camorra Clans focuses attention on the phenomenon of violence performed by Italian organised crime groups devoting specific attention to the Camorra which has been responsible since the mid 1980s for almost half of all mafia homicides documented in Italy The Camorra has acquired increased visibility at an international level due to its intense use of violence and high level of dangerousness but until now the study of the different forms of violence implemented by mafias has not received systematic attention at the scientific level Hence this book fills this gap by providing a both theoretical and empirical contribution toward the analysis of one of the most unknown although highly visible and dangerous dimension of mafias action This collection of work by distinguished scholars provides a unique overview of the multifaceted characteristics of violence currently performed by mafia groups in Italy by focusing on specific actors i e Camorra clans but also other traditional mafia organisations such as Cosa Nostra and Ndrangheta specific contexts i e different territories and different markets both legal and illegal and specific practices and performances Part I takes a diachronic and comparative perspective to provide an overview of mafias violence during the past 30 years focusing on the three most prominent criminal organisations active in Italy Camorra Cosa Nostra and Ndrangheta Based on the outcomes of a major project carried out by a research group at the University of Naples Federico II from 2015 to 2017 Part II looks at the use of violence by Camorra clans incorporating information from case studies judicial files law enforcement investigations wiretappings interviews with privileged observers firsthand empirical data and historical documents and social sciences literature Using a multi disciplinary approach drawing from criminology sociology history anthropology economics political science and geography this book is essential reading for international researchers and practitioners interested in piecing together the full picture of modern organised crime

Unveiling the Energy of Verbal Beauty: An Emotional Sojourn through **See Naples And Die The Camorra And Organized Crime**

In a global inundated with displays and the cacophony of immediate transmission, the profound energy and emotional resonance of verbal art frequently diminish into obscurity, eclipsed by the constant onslaught of sound and distractions.
