wrenching that is what that is Before I could answer he said Is he your brother and is he homeless I smiled and said He s my friend like a brother He s homeless and I do this because I love him To that he said This is some kind of love When life is on the line each breath of life becomes very real Options run out and grasping for control is futile because when our time is up it s up We spend most of our lives wrestling with this reality Life doesn t always play out the way we plan for it and we really do a lot of planning don t we When that ugly thing shows up and takes our breath away we are faced with a reality that is mind bending and heart wrenching What are we to do We get to choose What will we do Can we know before that unthinkable thing happens It haunts us because it s daunting to the core When dying is a real possibility what should one expect What does one hope for What does one think about I was about to find out It s wasn t like in the movies It was quiet Time stood still and our eyes did a lot of the talking I recall saying I am not exactly sure what the doctor means but I think I know My hubby just shook his head yes as we looked at each other through FaceTime on our phones I was getting tired I couldn t feel my legs but they were there because I had to touch them to believe it My husband and my baby girls flashed through my mind Our lives our laughter and our long talks and walks This true story is a portrait of human frailty and the reality of this life filled with disruptions and interruptions beyond our control It s daunting and filled with authentic fear replaced by unspeakable peace in the journey It is filled with humor in the hard and trauma that shows up uninvited It s a beautiful walk in the depths of agony and struggle colliding with an overcoming peace that paralyzes one s ability to reason It s a journey an adventure it s chaotic and calm It s worth sharing with a world that hands out the hard stuff May you find this power packed peace in the midst of the real hard stuff too

The One Year Book of Amish Peace Tricia Goyer,2013 Let the simplicity of the Amish draw you closer to God In this instantly connected world it s surprisingly easy to lose our connection to God What s admirable about the Amish lifestyle is that it intentionally slows the pace of life so there s an opportunity to see the everyday grandeur of our great God Not everyone can or should adopt an Amish lifestyle But the Amish can inspire all of us to slow down and simplify our lives We need to learn to let go of our glittering gadgets in order to grab hold of something of infinitely greater value the Divine The One Year Book of Amish Peace will inspire you to set a sustainable pace of life so that you too can take the time to enjoy God s gifts each and every day

Faith and Seed Erin Daniel Bryant,2024-01-02 In the middle of the most pitiful hell I have ever known God broke the chains of sin and set me free while sitting in Arizona State Prison for a terrible crime Jesus made a way for me I was without hope recently divorced and facing eight years in prison when I was set free from a lifetime of pain I was broken thirsty and lost and this is where I was blessed with salvation in a New International Version NIV Bible with plenty of time to read I was blessed to learn about the new life that I had heard so many Jesus freaks talk about This is the very real testimony of the Lord s power to change a heart from evil to righteousness from damnation to salvation and from hopelessness to infinite hope My testimony is of our God s awesome power to save He is reaching into the darkest prisons and the bleakest of places with a message of forgiveness and love No one has walked in my shoes but the

Lord has numbered my steps for his glory If being saved from hell is too hard for you to believe then maybe this book will change your mind I once was sure I would certainly die and go to hell until God showed me his Son Jesus Christ I sing a constant song of gratitude from the heart and now I am a Jesus Freak born again child of God too Many blessings to you
