*Catalogue of Music* British Museum,1884      **For the Love of Mary** Christopher Meades,2016-05-01 Fifteen year old Jacob feels almost on the inside almost smart almost funny almost good looking almost worthy of falling in love His sister is too busy dating guys in Whitesnake jackets to notice and his best friend is occupied with his own painful pubescent crisis Jacob's mother has just started a curious and rather un-Christian holy war with the church across the street while his father has secretly moved into the garage Everything changes when Jacob meets Mary Jacob thinks Mary is the most beautiful girl in the world If only Mary's father wasn't the minister at the enormous rival church If only she wasn't dating a youth pastor

with pristine white teeth and impeccably trimmed hair If only Jacob could work up the courage to tell Mary how he feels As the conflict between the churches escalates a peeping Tom prowls the neighborhood a bearded lady terrorizes unsuspecting Dairy Queen customers a beautiful young girl entices Jacob into a carnal romp in a car wash and the church parishioners prepare their annual reenactment of Operation Desert Storm For the Love of Mary is sidesplitting satire with a surprising amount of heart

**The Metaphysics of Self-realisation and Freedom** Colin Tyler, 2017-03-22 This first part of Colin Tyler's new critical assessment of the social and political thought of T H Green 1836-1882 explores the grounding that Green gives to liberal socialism Tyler shows how for Green ultimately personal self-realisation and freedom stem from the innate human drive to construct a bedrock of fundamental values and commitments that can define and give direction to the individual's most valuable potentials and talents This book is not only a significant contribution to British idealist scholarship It highlights also the enduring philosophical and ethical resources of a social democratic tradition that remains one of the world's most important social and political movements and not least across Britain Europe North America India and Australia Dr Colin Tyler is Reader in Politics at the University of Hull and joint convenor of the Centre for British Idealism

**Scotland's Harvest** Richie McCaffery, 2023-07-24 This study is the first exploration of the impact of World War Two on Scottish poets of both the front line and the home front World War One has always been thought of as a poet's war one of horror and futility The poetry of World War Two by contrast has long languished in its shadow though there was a much greater amount of it written This book asks whether these poets felt they were grown for war or rather that they grew through war experience with an emphasis on the possibilities of the future instead of cataloguing the senseless horror of the battlefield How were the hopes of Scottish poets different from their English counterparts How was their poetry different and how did it impact on their later lives
