Misogyny in American Culture Letizia Guglielmo Ph.D., 2018-10-01 This set surveys American misogyny in all its cultural forms from popular music film and education to healthcare politics and business The work also assesses proposals to confront and reduce such expressions of hatred The essays contained in this two volume set explore misogyny within various areas of American culture to demonstrate its pervasiveness and identify common foundations of its many presentations Beyond a basic definition of misogyny which includes hatred of women and girls and the ways in which this hatred and distrust influences action speech discrimination policy and culture in the United States this project also aims to expand and complicate definitions of misogyny in order to provide readers with a robust introduction to and understanding of

the larger topic Given the current political and cultural climate and the more frequent and widespread use of the term misogyny by various media outlets and voters during the 2016 presidential election this book has the potential both to contribute to ongoing conversations on misogyny and among its intended audience of advanced high school beginning college students and the general public to inform a shift currently unfolding in public conversation on the topic

Renegotiating the Body Kathy Battista, 2012-11-20 What makes art feminist art Although feminist artists do have a unique aesthetic there can be no essential feminist aesthetic argues Kathy Battista in this exciting new art history Domesticity the body its traces and sexuality have become prominent themes in contemporary feminist practice but where did these preoccupations begin and how did they come to signify a particular type of art Kathy Battista's re engagement with the founding generation of female practitioners centres on 1970s London as the cultural hub from which a new art practice arose Emphasising the importance of artists including Bobby Baker Anne Bean Catherine Elwes Rose English Alexis Hunter Tina Keane Hannah O Shea Kate Walker and Silvia Ziranek and examining works such as Mary Kelly's Post Partum Document Judy Clark's 1973 exhibition Issues Carolee Schneemann's Meat Joy and Cosey Fanni Tutti's Prostitution shown in 1976 Kathy Battista investigates some of the most controversial and provocative art from the era This book not only deals with the famous art events but includes analysis of lesser known exhibitions and performances and explains why so much feminist art has been both marginalised in art history and grossly under represented in institutional archives and collections *Female*

Body Image in Contemporary Art Emily L. Newman, 2018-05-23 Numerous contemporary artists particularly female artists have chosen to examine the idealization of the female body In this crucial book Emily L Newman focuses on a number of key themes including obesity anorexia bulimia dieting self harm and female body image Many artists utilize their own bodies in their work and in the act of trying to critique the diet industry they also often become complicit as they strive to lose weight themselves Making art and engaging eating disorder communities in real life and online often work to perpetuate the illnesses of themselves or others A core group of artists has worked to show bodies that are outside the norm paralleling the rise of fat activism in the 1990s and 2000s Interwoven throughout this inclusive study are related interdisciplinary concerns including sociology popular culture and feminism *Local Invisibility, Postcolonial Feminisms* Laura Fantone, 2018-03-22

This book offers gendered postcolonial insights into the poetic and artistic work of four generations of female Asian American artists in the San Francisco Bay Area Nancy Hom Betty Kano Flo Oy Wong Trinh T Minh ha Theresa H K Cha and Hung Liu are discussed in relation to the cultural politics of their time and their art is examined in light of the question of what it means to be an Asian American artist Laura Fantone's exploration of this dynamic understudied artistic community begets a sensitive and timely reflection on the state of Asian American women in the USA and in Californian cultural institutions

The Modern Woman Revisited Whitney Chadwick, Tirza True Latimer, 2003 Between the two world wars Paris served as the setting for unparalleled freedom for expatriate as well as native born French women who enjoyed unprecedented access

to education and opportunities to participate in public artistic and intellectual life Many of these women including Colette Tamara de Lempicka Sonia Delaunay Djuna Barnes Augusta Savage and Lee Miller made lasting contributions to art and literature *Artists in My Life* Margaret Randall, 2022-04-10 A collection of intimate and conversational accounts of the artists that have impacted the poet activist Margaret Randall on her own creative journey As makers of art social commentators women in a world dominated by male values and in solitude or collaboration with communities each artist is seen in the context of the larger artistic arena Through her reflections Randall also takes on questions about visual art as a whole and its lasting political influence on the world
