## **Seeking Gods Hidden Face When God Seems Absent:**

Seeking God's Hidden Face Cecil Murphey, 2001 Cecil Murphey shares the personal story of his journey out of spiritual darkness in this book that offers comfort and encouragement for those times when God seems so absent from our lives

*BROKEN TO REDEEMED MANHOOD RESTORED* Edward Nurge, 2024-11-13 Broken to Redeemed Manhood Restored is meant for anyone who's asked questions like how do I deal with my emotions or relationships in healthy ways Okay I know I'm not in the best place because of fear pain or shame but how do I move forward Why does my past keep holding me back What's the benefit of counseling or support groups Are they enough I'm ready to give up on church or a relationship with Mom or Dad or a friend what can I do Nothing is held back in poetry as I wrestle with God with my feelings and thoughts and with my desires to heal and become whole It includes insights from other authors too in living as a single adult along with the difference between facade and persona It should be encouraging for anyone who is healing or knows someone who is healing from life's setbacks

*Religion* Christian Smith, 2019-03-26 A groundbreaking new theory of religion Religion remains an important influence in the world today yet the social sciences are still not adequately equipped to understand and explain it This book advances an innovative theory of religion that goes beyond the problematic theoretical paradigms of the past Drawing on the philosophy of critical realism and personalist social theory Christian Smith explores why humans are religious in the first place uniquely so as a species and offers an account of secularization and religious innovation and persistence that breaks the logjam in which religious scholarship has been stuck for so long Certain to stimulate debate and inspire promising new avenues of scholarship Religion features a wealth of illustrations and examples that help to make its concepts accessible to readers This superbly written book brings sound theoretical thinking to a perennially thorny subject and a new vitality and focus to its study

**Finding God's Presence in Our Life** Peter M. Kallistos, 2016 Finding God's Presence in Our Life invites us to meet God in person and to sense his presence It offers the opportunity to look into our hearts and to verify our

*God's Silence Isn't His Absence* Margaret Light, 2025-10-20 God's Silence Isn't His Absence is a deeply moving exploration of faith in the quiet seasons of life It guides readers through the mystery of divine silence showing that when God seems distant He is often working most profoundly Through biblical examples personal reflection and spiritual insight this book reveals that silence is not abandonment but transformation a sacred space where faith is refined hearts are strengthened and love is deepened It encourages readers to trust that even in stillness God is present purposeful and preparing them for greater revelation and renewal

**The Presence and Absence of God** Ingolf U. Dalferth, 2009 Safeguarding the distinction between God and world has always been a basic interest of negative theology But sometimes it has overemphasized divine transcendence in a way that made it difficult to account for the sense of God's present activity and experienced actuality Criticisms of the Western metaphysics of presence have made this even more difficult to conceive On the other hand there has been a widespread attempt in recent years to base all theology on religious experience the

Christian church celebrates God's presence in its central sacraments of baptism and Eucharist process thought has re conceptualized God's presence in panentheistic terms and some have argued that God might be poly present not omnipresent But what does it mean to say that God is present or absent For Jews Christians and Moslems alike God is not an inference an absentee entity of which we can detect only faint traces in our world On the contrary God is present reality indeed the most present of all realities However belief in God's presence cannot ignore the widespread experience of God's absence Moreover there is little sense in speaking of God's absence if it cannot be distinguished from God's non presence or non existence So how are we to understand the sense of divine presence and absence in religious and everyday life This is what the essays in this volume explore in the biblical traditions in Jewish and Christian theology and philosophy and in contemporary philosophy of religion

**The Female Face of God in Auschwitz** Melissa Raphael, 2003 The first full length feminist dialogue with Holocaust theory theology and social history Considers women's reactions to the holy in the camps at Auschwitz

*What Can Be Known About God Is Plain* Tyler Taber, 2024-12-16 Why is God's existence not more obvious Why does he seem hidden This is commonly known as the Problem of Divine Hiddenness In *What Can be Known about God is Plain* Tyler Taber seeks to elucidate these questions from a Christian perspective Drawing from the work of noted Christian philosopher Alvin Plantinga Taber addresses the Problem of Divine Hiddenness with theological acumen as well as with resources from the Reformed tradition Taber argues that the problem has an answer when these questions are analyzed in conjunction with Plantinga's epistemology and alongside certain Reformed doctrines for instance the doctrines of general revelation sin's noetic effects the internal witness of the Holy Spirit and so forth

**God's Absence and the Charismatic Presence** Roy D. Kindelberger, 2017-05-17 The author's theological inquiry is intended to raise questions of interpretation within the camp of openness theology and to direct a discussion on the implications of this movement for the charismatic Pentecostal community Open theism or openness theology affirms that the universe is open the future is not settled God is essentially relational love and the risks of love and the threats against it are real The author digs deep into this area of doctrine in order to question how far openness theology is willing to go Is it only the future that is open to God or are there perhaps unknown aspects to the past and present as well What does God know about sin and when does he know it Is it possible for God to be totally absent from a person's life or even from an entire nation If God can be absent can he also be exceptionally present in the lives of believers What would the divine presence and the charismata spiritual ministries look like in an open universe

*Lost, Hidden, Small* KATE HAYNES. MURPHY, 2025-10-14 Living faithfully in a culture of violence hierarchy and supremacy means following Jesus into weakness loss and even despair In this indelible book of spiritual formation pastor Kate Murphy asks What if the abundant life lies in finding what's been lost uncovering what is hidden and learning to hope in what is small
