Seeking Purity Of Heart The Gift Of Ourselves To God:

Seeking Purity of Heart Joseph Breault, 1975 from Amazon Reviewer This little work of Joseph Breault is probably one of the almost lost gems of the 1970 s In a short booklet he captures in Seeking Purity of Heart a core disposition of the heart and its associated concepts with a clarity that can be as spelling binding in terms of sharpness as it is breath taking to anyone who would live in the true freedom of God s Love Simply but adequately he brings together in one book the wisdom and its reflections from Genesis to the end of the second Millenia great in its information but more significant in its impact upon any heart that would seek to live life in its fullest

The Dysfunctional Church Michael H. Crosby, 2011-04-01 Reduced to its simplest form The Dysfunctional Church maintains that The Catholic church is an addict an institutional addict It s addicted to preserving the male celibate clerical model of the church Many Catholics exhibit patterns of classic codependency which reinforce this addiction The result is a dysfunctional church unable to confront a problem many members know is there Michael Crosby breaks the silence to talk openly about the abuse of authority in the Catholic church He does this in a way that offers comfort hope and challenge to the frustrated but caring members of its family He traces the historical gathering of powers by the hierarchy into its own hands and its ramification for today Applying the approach that Matthew s Jesus took to the church leaders of his day Crosby brings the discerning light of scripture into the dark corners of growing addiction The Dysfunctional Church is a clear loving and unequivocal intervention The author calls on church leaders and all other codependents in the church to face their addiction and seek recovery through spiritual conversion Acknowledging that he himself is a recovering codependent he invites us all to turn to God to fill the hole in our wholeness This involves coming under the authority of a higher power as well as finding support in prophetic communities modeled on the Twelve Steps For those who left the church in anger Crosby s analysis invites compassion for those who remain in frustration it offers hope and for the many who feel condemned to the church s use of authority if offers a way of recovery

The God of Intimacy and Action Mary Albert Darling, 2019-03-05 Acclaimed evangelical speaker and writer Tony Campolo teams up with spiritual director and teacher Mary Albert Darling to reveal some gems from the liturgical Christian tradition to Protestants who may be ready for a refreshing change While steeped in their own evangelical tradition the authors are not afraid to venture back into Christian history and reclaim practices that have long been considered exclusively

Catholic including Centering Prayer along with works by Ignatius Loyola and Catherine of Siena as excellent spiritual tools to help evangelicals grow in faith and love for the poor A vital theme in Campolo and Darling s work is that spirituality is not solely an individualistic practice but must lead Christians to love and help the oppressed True Christian mysticism they posit is not an either or proposition That s because the nexus between evangelism and justice is to be found in Christian mysticism
