Seeking The Spirit A Dialogue Of Discovery:

Seeking the Spirit George Sanders,2002-01-15 What is the meaning of life and spirituality for western peoples in the 21st century This book is an attempt to discover the answer to this big question The book is written in a Socratic dialogue format meaning that the characters are not actual people *O Lord, I Seek Your Countenance: Explorations and Discoveries in Pope Benedict XVI's Theology* Emery de Gaál Gyulai,Fr Emery de Gaal,2018-10-03 Joseph Ratzinger's Pope Benedict XVI's list of accomplishments is unparalleled in modern times in both theological and academic terms He held prestigious teaching positions in Europe's finest universities He played a pivotal role in the deliberations of Vatican II and the formulation of its teachings His theological publications number above fifteen hundred And he served the Catholic Church as its Pontiff for eight years In *O Lord I Seek Your Countenance* Fr Emery de Gaál contends that Ratzinger Benedict is reminiscent of a Church Father in his theological virtuosity But beyond his brilliant intellect Benedict's deep Christ centered spirituality is what gives life and verve to his academic pursuits Through essays that explore Benedict's rich and varied theological thought and achievements from the 1950s through his Jesus of Nazareth trilogy de Gaál apprehends Ratzinger as a theologian with philosophical sensitivity whose insights have shaped and will continue to shape the course of Catholic theology for years to come

The Church-as-family and Ethnocentrism in Sub-Saharan Africa Gerald K. Tanye,2010 Ethnocentrism is one of the greatest obstacles to peace on the African continent Taking the Church as Family of God as a model of evangelization this work explores means of inculturating the Gospel message in African cultures in order to transform them make them blossom and enable Africans to live as authentic Christians in their cultures It examines the values of African extended families and the prospects of interreligious dialogue as means through which the various religious bodies can effectively work together to overcome ethnocentrism and its evil effects and thus establish a wholesome African society where every human person is at home irrespective of family orientation or tribal background

The Seeking Heart Ian Mobsby,2025-01-28 In the contemporary church the word mission has become synonymous with pace expansion and results Yet such an approach can often leave those with responsibilities in mission or ministry feeling exhausted and overwhelmed Not only that but mission which focuses on the rapid and the growing fails to recognise the rich resources the more contemplative Christian traditions can offer our post secular society and especially those who would call themselves spiritual but not religious

Discover Your Divine Purpose Margaret Mutandwa,2017-09-22 A divine pathway recoups the neglected youths suffering from broken hearts the victimized parents and all those who are vulnerable to abuse

despite their age Ironically without judging everybody is biblically guiltless Regrettably conspiracy and disorderly pressure from community is tarnishing lives of the young generation Some children are victims of decisions made by parents and it has affected their lives though with some it is by own choice and peer pressure from bully friends The devil is also gravely flirting with teenagers corrupting their mindset through social media especially internet Teenage pregnancy drugs magazines and bullying the innocent is the devils work because teenagers of today are the witnesses of coming of Christ Knife and gun gangs are roaming the world streets at an unprecedented rate and fear of muggers is tormenting and crippling the society 24 7 Some single parents blame their status because of the behaviour of their children Some couples are also failing to control their teenage children As a result the Victorian times of high opinion of elders is now regarded as a thing of the ancient Parents are neglecting their children because of parenting ineffectiveness and at times out of fear Presumably lacking of common ground with teenage children is a grey area impediment As a parent I urge all parents by the love of Christ to amalgamate and save the young generation from the spineless world for today is their tomorrow Truthfully only the incorruptible Spirit of God can regenerate the bruised inner being of the deprived teenagers that is if their passion is Christ like The same Spirit moulds parents to be real models to youths Every day is a learning curve No one is perfect and learning does not end Parents should not blame themselves or the children for bad behaviour though there is always a cause They should leave no stone unturned and find the root cause first
