religions and why do Muslims reject Christianity the Bible and Jesus as the Son of God but still accept Jesus as a prophet of God For non devout and ex Christians this book will explain the problems with Christianity from an Islamic perspective It will also explain that the Prophet Muhammad was sent to replace Jesus as the next person in a succession of prophets that started with the Prophet Adam and finished with the Prophet Muhammad For Muslims who grew up without a strong religious education this book will explain that all religions are not the same that Christianity is no longer valid or accepted by God and that we should use the logical brains that God gave us to understand Islam In this book you will discover that Islam is simply the continuation of Judaism and Christianity that Islam is the One True Religion of Almighty God and always has been since the time of Adam and Eve and that the Prophet Muhammad is the next messenger and also the Final Messenger from God that Jesus promised to his followers Gene Netto
