WARLOCK PATRON: ACCURSED

While there are always those ready to pledge their allegiance to dark fiends, powerful celestials and other-worldly beings, it takes a depraved person to swear their fealty to beings whom even the deities have spurned. These accursed exiles seek nothing less than the complete conquest of the mortal realms in order to rule the charred remains, using those who would be their acolytes to hasten this destruction.

BLACKENED HEART

Starting at 1st level, having sworn loyalty to an accursed, your heart is black and broken. You gain Advantage on saving throws against charms, enchantments, and compulsion effects.

BLOOD SUMMONS

Beginning at 6th level, as a reaction when you kill creature a creature, you may spend a spell slot to summon a demon from the corpse. The demon is of a CR equal to or less than the spell slot expended. You do not control it, though it is friendly to you. On each of its turns it will use the attack action on the nearest creature. If no creature is within range of any of its attacks, it will walk towards the nearest creature and use the attack action if able, though it will not attack you. The demon remains for for 1d4+1 rounds before it is called back to its realm.

CORRUPTED RESSURECTION

Beginning at 10th level, you may spend a spell slot to animate a large or smaller corpse. As an action, chose a corpse within 30 feet that you can see. The corpse magically animates into a zombie of the same size category as the corpse. The creature is not under your control and attacks the nearest creature at the start of each of its turns. If no creature is within range of any of its attacks, it will walk towards the nearest creature and use the attack action if able. The corpse collapses after 1 minute. At 17th level the size of the corpse you can reanimate increases to huge.

The curse lasts for 24 hours, and you may only have one curse active at any time. When the cursed creature dies, it immediately animates as a ghoul under your control, with its own initiative. As an action on each of your turns you can command the ghoul, and it will continue to follow your directions until it is complete. If you ghoul has no direction, it will defend itself.
