

A close-up photograph of a violin and a lit candle on a wooden surface. The violin is positioned diagonally across the frame, with its ornate silver-colored metal tailpiece and f-hole clearly visible. The body of the violin is a dark, polished wood. To the right of the violin, a small, dark, textured candle holder contains a single lit candle, which casts a warm, yellow glow. The background is dark and out of focus, showing the spines of several old books. The overall atmosphere is intimate and classic.
