Cosmic Ascension Joshua David Stone, 1998-02-01 Cosmic Ascension Your Cosmic Map Home Almost all the books on the planet on the subject of ascension are written about planetary ascension However because of the extraordinary times in which we now live in terms of Earth's history there is a new opening and potentiality to also begin one's cosmic ascension process This has never before been available It must be understood as Vywamus has said that in completing our planetary ascension we are no more than one tenth of the way up a ten inch ruler in terms of our cosmic ascension process This includes most of the ascended masters We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father Mother God at the top of creation Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation This is not a criticism just a simple statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small feat in and of itself It is for this purpose that the author was guided to write this book
