My Journey with Church Folk Bernestine McGhee Ed.D., 2019-08-27 Here are basically three reasons for writing this book 1 To leave a legacy 2 To present some personal church experiences 3 To introduce actions on differing crimes against society I have many thoughts and reflections on how I have been treated by church folk One Sunday a mentor approached me and handed me a journal saying Here you will need this to keep record of your journey One day you will look back and wonder how you accomplished so much For a while I was journaling on a regular basis Then it dawned on me to take notes or journal in church so I could study more later After looking back and reflecting I was inspired to write a book It is a way to share some awareness of church activities that can really leave you feeling disappointed The revolution presently going on revealed unlawful acts including some that have been questioned and shut down such as job and sexual harassment along with fraternity initiation crimes In my opinion these are shameful acts against society Our advanced and global world must not ignore these actions Speak out be heard even if it is your church folk
