La huella del crimen Mónica Quijano Velasco, 2020-08-24 Dada la amplia gama gen rica de la ficci n sobre el crimen la cual incluye las narrativas de detecci n el thriller el crimen de Estado el crimen organizado el true crime etc nos centraremos en estas p ginas en la narrativa de detecci n Es por ello que no trabajaremos con toda la ficci n vinculada con el crimen sino con aquella caracterizada por plantear un proceso de investigaci n realizada por un detective que puede ser amateur privado o pertenecer a la polic a Esta decisi n se sustenta en la importancia centralidad e impacto que este g nero ha tenido a lo largo del siglo XX y lo que llevamos del XXI Para tratar las caracter sticas del g nero y su desarrollo en el primer cap tulo avanzaremos una definici n formal estructural y gen rica de la narrativa de detecci n en sus dos vertientes o subg neros m s importantes la novela de enigma y la novela negra y plantearemos de manera general su relaci n con los g neros populares Como consideramos que una revisi n de cualquier g nero que no tome en cuenta la materialidad del texto su historia sus formas de producci n circulaci n y la relaci n con el p blico lector quedar siempre trunca y no lograr explicar por el simple m todo de la influencia su xito ni la fijaci n de sus elementos formales los cap tulos 2 3 y 4 estar n dedicados a un acercamiento hist rico del g nero As en el segundo cap tulo nos centraremos en la emergencia de la narrativa del crimen hacia fines del siglo XVIII su v nculo con la prensa y otros g neros discursivos que permitieron la fijaci n literaria de la f rmula narrativa del detective cl sico con Poe y Gabirau El tercer cap tulo est dedicado al afianzamiento del subg nero enigma que inicia con Arthur Conan Doyle y se asienta con lo que ahora se conoce como la poca dorada del g nero a la que pertenecen autoras como Agatha Christie o Dorothy L Sayers Finalmente el cuarto y ltimo cap tulo est dedicado al subg nero negro donde se analiza el surgimiento en la tradici n detectivesca norteamericana del hard boiled cuyos mayores representantes son Dashiell Hammett y Raymond Chandler En estos tres cap tulos se incluyen tablas con una selecci n representativa de los relatos y novelas de los distintos subg neros se trata como toda selecci n de una propuesta inevitablemente incompleta de las producciones que se han hecho a lo largo de la historia

A History of Infamy Pablo Piccato, 2017 *A History of Infamy* explores the broken nexus between crime justice and the truth in mid twentieth century Mexico Facing the violence and impunity that defined politics policing and the judicial system in post revolutionary times Mexicans sought truth and justice outside state institutions During this time the criminal news beat and crime fiction flourished Civil society s search for truth and justice lead paradoxically to the normalization of extrajudicial violence and neglect for the rights of victims As Piccato demonstrates ordinary people in Mexico have made crime and punishment central concerns of the public sphere during the last century and in doing so have shaped how crime and violence took form over time Provided by publisher
