Los Muertos Tambien Hablan:

Los muertos también hablan William R. Maples, Michael Browning, 2001 Los Muertos También Hablan R. A. Ramírez-Báez, 1999 Prose writings by the Dominican author *Los muertos tambien hablan* Carlota O'Neill, 1971 Es la continuaci n de su autobiograf a comenzada con *Una mujer en la guerra de Espa a* Relata los avatares que sucedieron despu s de su salida de la c rcel c mo recuper a sus hijas tuvo que firmar con seud nimo sus obras al impedirle el regimen franquista ejercer su oficio y al final tuvieron que exiliarse en M xico The Bride in the Cultural Imagination Jo Parnell, 2020-11-13 This essay collection examines the cultural and personal world of girls and women at a time when their lives their person their realities and their status are about to change forever Together the chapters cleverly create an in depth study of the subject and look at several cultural forms to offer a different approach to the popularly held views of the bride The critical essays in this edited collection are thematically driven and include global perspectives of the portrayals of the bride in the films stage productions and pop culture narratives from Nigeria Kenya Uganda Tanzania Spain Ancient Greece and Ancient Rome Tajikistan India Egypt and the South Eastern Indian Ocean Islands This multinational approach provides insight into the intricacies customs practices and life styles surrounding the bride in various Eastern and Western cultures Living the Death of Democracy in Spain Susana Belenguer, Ciaran Cosgrove, James Whiston, 2017-10-02 This volume brings together new interdisciplinary perspectives on the Spanish Civil War its victims its contentious ending and its aftermath In exploring the slow demise of the Spanish Republic and the course of the Civil War the authors have chosen to range in turn over cinematic literary and historical depictions of the era In addition reactions elsewhere in Europe to the Spanish conflict are examined the role of the International Brigades is looked at afresh the fate of children displaced during the Civil War is explored and the Spanish anarcho syndicalist movement is revisited The volume shows that to be any kind of soldier in the armies of the Republic or even to be seen as a Republican sympathiser was to become a non person in the new order in Spain under Franco and sets what supporters of the Republic had to endure within the wider European and international context of the period This book offers timely fresh insights into the failure of the Spanish Republic and into a society that tried in vain to unite its divided people during what was a seismic era in Spain s history This book was originally published as a special issue of *Bulletin of Spanish Studies* *Women Political Prisoners after the Spanish Civil War* Ruth Fisher, 2020-11-24 At the end of the Spanish Civil War the Nationalist government instigated mass repression against anyone suspected of loyalty to the defeated Republican side Around 200 000 people were imprisoned for political crimes in the weeks and months following 1st April 1939 including thousands of women who were charged with offences ranging from directing the home front to supporting their loved ones engaged in combat Many women wrote and published texts about their experiences seeking to make their voices heard and to counteract the dehumanising master narrative of the right wing victors that had criminalised their existence The memoirs of Communist women such as Tomasa Cuevas and Juana Do a have heavily influenced our

understanding of life in prison for women under franquismo while texts by non Communist women have largely been ignored This monograph offers a comparative study of the life writing of female political prisoners in Spain focusing on six texts in particular the two volumes of *Círcel de mujeres* by Tomasa Cuevas *Desde la noche y la niebla* by Juana Do a R *quien por la libertad* by ngeles Garc a Madrid *Abajo las dictaduras* by Josefa Garcia Segret and *Aquello sucedi as* by ngeles Malonda All the texts share common themes such as describing the hunger and repression that all political prisoners suffered However the ideologically driven narratives of Communist women often foreground representations of resistance at the expense of exploring the emotional and intellectual struggle for survival that many women political prisoners faced in the aftermath of the Spanish Civil War This study nuances our understanding of imprisoned women as individuals and as a collective analysing how women political prisoners sought recognition and justice in the face of a vindictive dictatorship It also explores the women s response to the spirit of *convivencia* during the transition to democracy which once again threatened to silence them

Latin American Literature in Transition 1930-1980: Volume 4 Amanda Holmes,Par Kumaraswami,2022-12-08 Latin American Literature in Transition 1930 1980 explores the literary landscape of the mid twentieth century and the texts that were produced during that period It takes four core areas of thematic and conceptual focus solidarity aesthetics and innovation war revolution and dictatorship metropolis and ruins and employs them to explore the complexity heterogeneity and hybridity of form genre subject matter and discipline that characterised literature from the period In doing so it uncovers the points of transition connection contradiction and tension that shaped the work of many canonical and non canonical authors It illuminates the conversations between genres literary movements disciplines and modes of representation that underpin writing form this period Lastly by focusing on canon and beyond the volume visibilizes the aesthetics poetics politics and social projects of writing incorporating established writers but also writers whose work is yet to be examined in all its complexity

Past and Power: Public Policies on Memory. Debates, from Global to Local Jordi Guixé,Coromines,2016-05-26 The public authorities have not successfully resolved the management of the traumatic memory of the wars dictatorships and massacres to which the European project was always intended to be a counterpoint The conflict of memories and the public discourses about the past are latent on ideological political and cultural levels However if in the past the conflict concerning memories tended to develop inside the borders of countries it has now leapt into the European arena This has also led to the confrontation and questioning of the great narratives established in the common memory especially with countries of the East joining the European Union Each community group or nation maintains common memories that do not always fit in or converge with a general overall account The origins of the UB Solidarity Foundation s European Observatory on Memories lie in these debates and through this book which includes the contributions of specialists in multiple disciplines and the speeches that were given at the first international symposium *Memory and Power A Transnational Perspective* it hopes to present some of the key challenges that this conflict of memories has in store for us in

the present and in the future **Autobiographical Writings on Mexico** Richard D. Woods,2024-10-14 This is the definitive bibliography of autobiographical writings on Mexico The book incorporates works by Mexicans and foreigners with authors ranging from disinherited peasants women servants and revolutionaries to more famous painters writers singers journalists and politicians Primary sources of historic and artistic value the writings listed provide multiple perspectives on Mexico s past and give clues to a national Mexican identity This work presents 1 850 entries including autobiographies memoirs collections of letters diaries oral autobiographies interviews and autobiographical novels and essays Over 1 500 entries list works from native born Mexicans written between 1691 and 2003 Entries include basic bibliographical data genre author s life dates narrative dates available translations into English and annotation The bibliography is indexed by author title and subject and appendices provide a chronological listing of works and a list of selected outstanding autobiographies

Memories of Resistance Shirley Mangini,Shirley Mangini González,1995-01-01 She discusses the factors that provoked the war and how they affected Spanish women both the visible women who during the turbulent 1920s and 1930s tried to become part of mainstream politics and the invisible women who came to the fore during the revolutionary years of the Second Spanish Republic from 1931 to 1936 and became activists in the protest against the military insurrection of 1936

Deadly Embrace Sebastian Balfour,2002-05-23 Combining military political cultural social and oral history Sebastian Balfour narrates for the first time the development of a brutalised interventionist army that played a crucial role in the victory of the Francoists in the Spanish Civil War Spain s new colonial venture in Morocco in the early twentieth century turned into a bloody war against the tribes resisting the Spanish invasion of their lands After suffering a succession of heavy military disasters against some of the most accomplished guerrillas in the world the Spanish army turned to chemical warfare and dropped massive quantities of mustard gas on civilians Dr Balfour exposes this previously closely guarded secret using evidence from Spanish military archives and from survivors in Morocco He also narrates the daily life of soldiers in the war as well as the self images and tensions among the colonial officers After looking at the motives that drove Moroccans to resist or cooperate with Spain the author describes the contradictory pictures among Spaniards of Moroccan collaborators and foes Finally he examines the Spanish colonial army s response to the Second Republic of 1931 1936 and its brutal march through Spain in the Civil War QUOTES FROM PAUL PRESTON S READERS REPORT This is a book of very considerable significance the work of a first rate historian working at his peak This is the most complete and wide ranging account to date of the Spanish involvement in Morocco and of the consequences of that involvement inside Spain itself written with a compelling blend of elegance and immediacy this is a major work one of which any historian would be proud **El holocausto español** Paul Preston,2011-04-08 La represión durante la guerra y en la inmediata posguerra contada por el más prestigioso hispanista de la actualidad Durante la Guerra Civil española cerca de 200 000 hombres y mujeres fueron asesinados lejos del frente ejecutados extrajudicialmente o tras precarios procesos legales y al menos 300 000 hombres

perdieron la vida en los frentes de batalla. Además un número desconocido de hombres, mujeres y niños fueron víctimas de los bombardeos y los xodos que siguieron a la ocupación del territorio por parte de las fuerzas militares de Franco. En el conjunto de España tras la victoria definitiva de los rebeldes a finales de marzo de 1939 alrededor de 20 000 republicanos fueron ejecutados. Muchos más murieron de hambre y enfermedades en las prisiones y los campos de concentración donde se hacían en condiciones inhumanas. Otros sucumbieron a las condiciones esclavistas de los batallones de trabajo. A más de medio millón de refugiados no les quedaba otra salida que el exilio y muchos perecieron en los campos de internamiento franceses. Varios miles acabaron en los campos de exterminio nazis. Todo ello constituye lo que a mi juicio puede llamarse el holocausto español. El propósito de este libro es mostrar en la medida de lo posible lo que aconteció a la población civil y desentrañar los porqués. Paul Preston Reseña Debiera ser de lectura obligada no solo para los interesados por nuestro pasado sino y sobre todo para los educadores de las generaciones futuras. **El lenguaje de las series**

de televisión Luis García Fanlo, 2018-01-19 La hipótesis planteada por Luis García Fanlo en este libro afirma que existe un lenguaje propio y exclusivo de las series de televisión. Para ello desarrolla un profundo estudio desde un enfoque sociológico y relacional. Propone un recorrido por la historia de las series de televisión y demuestra que el verdadero origen de la narrativa de las series no se encuentra en el cine sino en los radioteatros. El libro incluye un análisis de series paradigmáticas: Dexter como paradigma de las series de psychokillers, Battlestar Galactica como paradigma de las series de ciencia ficción y Lost como paradigma de las series fantásticas. Luego de desarrollar teóricamente las características del lenguaje de las series se aplica la teoría a un análisis de caso: Breaking Bad. También se observa cómo el fenómeno de Internet atraviesa este campo y cuáles son las perspectivas de cara al futuro. **¿Es eso cierto?** Alberto Granados, 2010-12-10 Fraudes, errores, experimentos inauditos. Todas las respuestas a tus preguntas sobre el mundo científico. Desde los albores del mundo el ser humano ha satisfecho sus ansias de conocimiento con la experimentación y la observación de su entorno para encontrar respuestas a preguntas aparentemente obvias que marcarían el rumbo de su existencia para hacer realidad sus propios sueños o para entender el legado de los pueblos antiguos. A partir de ese impulso de esa curiosidad inherente surgen infinitas teorías, fórmulas, hallazgos, experimentos, ciencia y gracias a esta pulsión el hombre ha sido capaz de volar, de conquistar el espacio, de mejorar su calidad de vida. Pero toda cara posee una cruz y a veces el ardor científico se empuja de ambición o de fama y se convierte en generador de historias escabrosas que es mejor olvidar. Granados, autor de éxito de Leyendas urbanas, ha reunido para su mundo curioso un recorrido por los errores, los fraudes y las curiosidades científicas a través del tiempo que no nos dejará indiferentes y que nos hará experimentar momentos irrepetibles. Es eso cierto, demuestra que ciencia y entretenimiento son en ocasiones un binomio perfecto. **Morir no es poco II** Celeste Castiglione, Cristina Barile, Liliana Navarro Ibarra, Leandro Tua, Lorena Mendoza, Sofía Maniús, Ceferino Bavasso y Ayala, María Rosa Catullo, Patricia Sánchez, María Carlota Sempé, Olga Flores, Guillermo Bertani, Mariana Mensegues, Julián Arroyo, Daniel Imfeld, Ana Clara Picco
