

Los Windsor The Royals

David Charter

Los Windsor The Royals:

A Royal Passion Anne M. Lyden, 2014-02-04 In January 1839 photography was announced to the world Two years prior a young Queen Victoria ascended to the throne of Great Britain and Ireland These two events while seemingly unrelated marked the beginnings of a relationship that continued throughout the nineteenth century and helped construct the image of an entire age *A Royal Passion* explores the connections between photography and the monarchy through Victoria's embrace of the new medium and her portrayal through the lens Together with Prince Albert her beloved husband the Queen amassed one of the earliest collections of photographs including works by renowned photographers such as Roger Fenton Gustave Le Gray and Julia Margaret Cameron Victoria was also the first British monarch to have her life recorded by the camera images of her as wife mother widow and empress proliferated around the world at a time when the British Empire spanned the globe The featured essays consider Victoria's role in shaping the history of photography as well as photography's role in shaping the image of the Queen Including more than 150 color images several rarely seen before drawn from the Royal Collection and the J Paul Getty Museum this volume accompanies an exhibition of the same name on view at the J Paul Getty Museum from February 4 to June 20 2014

The Rough Guide to the Royals Rough Guides, 2012-04-05 Britain's royals are the official face of the state and the center of a worldwide media circus This entertaining *Rough Guide to the Royals* explores the paradox of one of the world's oldest monarchies It casts a quizzical eye over the current royal family from former Olympic horse rider Anne and industry ambassador Andrew to current favorites William and Kate It answers such burning questions as what they do where they get their money from how fundamentally British are they and just who is twelfth in the line to the throne One year old Savannah Phillips is the answer This book looks at the most extravagant royal ceremonies and the most controversial figures from wife murderer Henry VIII to the scandalous Caroline of Brunswick who was banned from her husband's coronation but turned up anyway The best and the worst monarchs are reassessed with investigations into how the likes of alleged nephew killer and hunchback Richard III achieved their villainous reputations The image of the monarchy is also examined whether it's in commemorative ceramics respectful movies such as *The King's Speech* or more critical fare

Inside the Royal Wardrobe Kate Strasdin, 2017-10-05 Queen Alexandra used clothes to fashion images of herself as a wife a mother and a royal a woman who both led Britain alongside her husband Edward VII and lived her life through fashion *Inside the Royal Wardrobe* overturns the popular portrait of a vapid and neglected queen examining the surviving garments of Alexandra Princess of Wales who later became Queen Consort to unlock a rich tapestry of royal dress and society in the second half of the 19th century More than 130 extraordinary garments from Alexandra's wardrobe survive from sumptuous court dress and politicised fancy dress to mourning attire and elegant coronation gowns and can be found in various collections around the world from London Oslo and Denmark to New York Toronto and Tokyo Curator and fashion scholar Kate Strasdin places these garments at the heart of this in depth study examining their relationships to issues such as body

politics power celebrity social identity and performance and interpreting Alexandra's world from the objects out Adopting an object based methodology the book features a range of original sources from letters travel journals and newspaper editorials to wardrobe accounts memoirs tailors ledgers and business records Revealing a shrewd and socially aware woman attuned to the popular power of royal dress the work will appeal to students and scholars of costume fashion and dress history as well as of material culture and 19th century history

The Polo Encyclopedia, 2d ed. Horace A. Laffaye, 2015-03-24 In its greatly expanded second edition this definitive reference work on the sport of Polo includes more than 18 000 alphabetical and cross referenced entries covering players teams national and international tournaments rules of the game books on polo and their authors as well as painters and sculptors of polo subjects No other book includes as much information about the game in a single volume

The New Royal Family - Prince George, William and Kate: The Next Generation Robert Jobson, 2014-08-07 A fully updated insider's account of the royal romance from trusted journalist Robert Jobson NBC's royal correspondent It is the love story which captivated the world and after 8 years together William and Kate married in spectacular style at Westminster Abbey on April 29th 2011 This is a true insider account of Prince William's amazing love affair with Kate Middleton from their initial meeting at university in Scotland to married life in North Wales while William pursues his RAF career He is the confident young Prince who is the future of the Royal family She is the royal bride and future Queen Consort who is thoroughly modern and confounds all the stereotypes of how a royal partner should be Since the Palace announced the Duchess's much anticipated pregnancy in 2012 speculation has gone into overdrive about the pitter patter of tiny feet This in depth book chronicles the next chapter in this modern day fairy tale and is packed with beautiful photographs fascinating facts and expert analysis into the most pivotal royal romance of our time An intriguing insight and unrivaled souvenir this is an essential read for royalists and romantics alike

Shakespearean Objects in the Royal Collection, 1714–1939 Kirsten Tambling, 2025-09-22 The British royal collection includes nearly 2 000 objects with a connection to Shakespeare What stories do these objects tell of the relationship between the man often described as Britain's national poet and Britain's royal family Royal collecting of Shakespeare did not really begin until 1714 and has therefore broadly tracked the development and entrenchment of the Hanoverian and latterly the Saxe Coburg Gotha royal family Not entirely coincidentally this period also saw a general increase in public interest in objects associated with Shakespeare's life and biography often to the detriment of Shakespeare's works a development partially spearheaded by the Shakespeare Jubilee masterminded by the actor David Garrick at Stratford upon Avon in 1769 The histories of specific works of art in the royal collection from Thomas Gainsborough's painting of Mary Robinson to a collection of relic objects relating to Herne's Oak and Shakespeare's mulberry tree reveal how royal engagement with Shakespearean objects between 1714 and 1939 contributed to the development of a new constitutional settlement between the monarchy and its subjects under George IV Queen Victoria and George V and Queen Mary During this period objects relating to Shakespeare increasingly regarded by

the royal family as nostalgic souvenirs from a fantastical national past were useful tools in shoring up these ideas and in yoking the fortunes of the British monarchy to a new vision of shared national history
