"Losing My Virginity" Cut Out Virgin Books, 1998-09 **Losing My Virginity** Richard Branson, 1999-10 Not long ago the Big Thicket of East Texas was still one of those places singular in its southernness like the Mississippi Delta or the Carolina Low Country Now its old timers and their ways are nearly gone They will not be forgotten though for in My Grandfather's Finger Edward Swift recalls a Big Thicket populated by family and friends as gloriously vibrant and enigmatic as the land itself From Camp Ruby to nearby Woodville and all the swamps bayous and forests in between Swift shows us a place and time so fecund with humor tragedy and good talk that in growing up there he had no choice but to become a novelist We meet among many others Mother a widowed war bride who would spring clean the inside of her house with a garden hose and Aunt Coleta childlike and always surrounded by an entourage of kids half enchanted by her and half scared witless Then there are Uncle Frank who with self fulfilling flair would have drawn a pistol at the merest suggestion that his family was dysfunctional and of course Grandfather who lost his finger to a machete and his mind to cough medicine A mystical world of carnivals talking fiddles houses on wheels atomic bombs and total immersion baptisms Edward Swift's Big Thicket was also a world in which he was loved unconditionally and that alone makes it worth getting to know How I Lost My Virginity Ellen Richardson, 2019-08-02

Losing My Virginity is the unusual frequently outrageous autobiography of one of the great business geniuses of our time When Richard Branson started his first business he and his friends decided that since we're complete virgins at business let's call it just that Virgin Since then Branson has written his own rules for success creating a group of companies with a global presence but no central headquarters no management hierarchy and minimal bureaucracy Many of Richard Branson's companies airlines retailing and cola are good examples were started in the face of entrenched competition The experts said Don't do it But Branson found golden opportunities in markets in which customers have been ripped off or underserved where confusion reigns and the competition is complacent And in this stressed out overworked age Richard Branson gives us a new model a dynamic hardworking successful entrepreneur who lives life to the fullest Family friends fun and adventure are equally important as business in Branson's life **Losing My Virginity** is a portrait of a productive sane balanced life filled with rich and colorful stories **Handbook of Sexuality-Related Measures** Terri D. Now she's living in one of Boston's wealthiest neighborhoods with her mom's fiancé and his daughter, Eloise. But India's not alone in struggling to control the secrets of her past. Eloise and Finn, the school's golden couple, aren't all they seem to be. In fact, everyone's life is infinitely more complex than it first appears. And as India grows closer to Finn and befriends Eloise, threatening the facades that hold them together, what's left are truths that are brutal, beautiful, and big enough to change them forever. The Girl-Positive Library Mary Ann Harlan, 2018-12-07 Providing a model of critique useful in readers advisory collection development and book clubs, this title encourages the inclusion of young adult titles advancing a positive representation of girls in programming and instruction. Even in an era in which there are multiple and wide-ranging conversations about representations of diverse groups in literature, the depiction of girls in young adult literature has received inadequate attention. This text provides a model for understanding how girls are represented in young adult literature that will aid school and youth services librarians in their personal understanding and awareness as they build collections and create programming. It provides practical suggestions for how to use and implement a feminist lens while reading, discussing, and reviewing titles. Included are a list of recommended annotated titles and discussion questions for use in developing appropriate instructional and interesting programs that explore concepts of girlhood, media literacy programs, and diverse collections.
