Lost And Found In Acadie:

Acadia, Missing Links of a Lost Chapter in American History Edouard Richard, 1895 Relates to the deportation of the Acadians the author considers the work of earlier historians and is especially critical of T B Akins the compiler of Nova Scotia archives I and Francis Parkman **Lost and Found in Acadie** Clive Doucet, 2004 Draws connections between such diverse events as le Grand D rangement and the suppression of the Maetis in Western Canada between the Seven Years War and the current global political climate In tracing these connections the author discovers that Acadie is not lost in a painful past The true Acadie is found in our relationships to the past to the future and to anyone who cares about both **Lost in the Crowd** Gregory M.W. Kennedy, 2024-02-13 In December 1915 as the First World War wore on Acadian leaders meeting in New Brunswick deplored how soldiers from their communities were lost in the crowd of the Canadian Expeditionary Force They successfully lobbied the federal government for the creation of an Acadian national unit that would be French speaking Catholic and led by their own More than a thousand Acadians from across the Maritime provinces Quebec and the American northeast answered the call In *Lost in the Crowd* Gregory Kennedy draws on military archives census records newspapers and soldiers letters to present a new kind of military history focusing on the experiences of Acadian soldiers and their families before during and after the war He shows that Acadians were just as likely to enlist as their English speaking counterparts across the Maritimes though the backgrounds of the volunteers were quite different Kennedy tackles controversial topics often missing from the previous historiography such as underage recruits desertion and army discipline With the help of the 1921 Canadian Census he explores the factors that influenced post war outcomes both positive and negative for soldiers families and communities *Lost in the Crowd* offers a completely new and replicable approach to the traditional regimental history reconstituting the lives of soldiers and their families The focus on the Acadians a francophone minority group in the Maritime provinces significantly shifts our understanding of French Canada and the First World War

Independence Lost Kathleen DuVal, 2016-04-12 A Pulitzer Prize winning historian offers a significant new global perspective on the Revolutionary War with the story of the conflict as seen through the eyes of the outsiders of colonial society Winner of the Journal of the American Revolution Book of the Year Award Winner of the Society of the Cincinnati in the State of New Jersey History Prize Finalist for the George Washington Book Prize Over the last decade award winning historian Kathleen DuVal has revitalized the study of early America s marginalized voices Now in *Independence Lost* she recounts an untold story as rich and significant as that of the Founding Fathers the history of the Revolutionary Era as experienced by slaves American Indians women and British loyalists living on Florida s Gulf Coast While citizens of the thirteen rebelling colonies came to blows with the British Empire over tariffs and parliamentary representation the situation on the rest of the continent was even more fraught In the Gulf of Mexico Spanish forces clashed with Britain s strained army to carve up the Gulf Coast as both sides competed for allegiances with the powerful Chickasaw Choctaw and Creek nations

who inhabited the region Meanwhile African American slaves had little control over their own lives but some individuals found opportunities to expand their freedoms during the war Independence Lost reveals that individual motives counted as much as the ideals of liberty and freedom the Founders espoused Independence had a personal as well as national meaning and the choices made by people living outside the colonies were of critical importance to the war's outcome DuVal introduces us to the Mobile slave Petit Jean who organized militias to fight the British at sea the Chickasaw diplomat Payamataha who worked to keep his people out of war New Orleans merchant Oliver Pollock and his wife Margaret O'Brien Pollock who risked their own wealth to organize funds and garner Spanish support for the American Revolution the half Scottish Creek leader Alexander McGillivray who fought to protect indigenous interests from European imperial encroachment the Cajun refugee Amand Broussard who spent a lifetime in conflict with the British and Scottish loyalists James and Isabella Bruce whose work on behalf of the British Empire placed them in grave danger Their lives illuminate the fateful events that took place along the Gulf of Mexico and in the process changed the history of North America itself Adding new depth and moral complexity Kathleen DuVal reinvigorates the story of the American Revolution Independence Lost is a bold work that fully establishes the reputation of a historian who is already regarded as one of her generation's best Praise for Independence Lost An astonishing story Independence Lost will knock your socks off To read this book is to see that the task of recovering the entire American Revolution has barely begun The New York Times Book Review A richly documented and compelling account The Wall Street Journal A remarkable necessary and entirely new book about the American Revolution The Daily Beast A completely new take on the American Revolution rife with pathos double dealing and intrigue Elizabeth A Fenn Pulitzer Prize winning author of Encounters at the Heart of the World Acadian Passage Jeanne Register, 2014-07-23 Acadian Passage a tale of flight and rendezvous love and loss is rich with detail The story of Acadia and the beauty of the place are vividly drawn as the tale unfolds Readers will savor this seldom revisited corner of history now brought to light Elizabeth Pomeroy historian and author of John Muir A Naturalist in Southern California An enjoyable blend of history romance and anthropology Register brings the idyllic then brutal story of the Acadians to life Steven A LeBlanc author of Constant Battles The Myth of the Peaceful Noble Savage Jeanne Gleason Register is descended from French Acadians through her mother Marie Daigle She began writing ACADIAN PASSAGE after she retired from teaching history and eleven years as Head of Mayfield Senior School She graduated from Wellesley College and lives in Altadena California *Nova Scotia's Lost Communities* Joan Dawson, 2021-04-06 Stories and photos that bring the people and places of Nova Scotia's historic past to life Beaubassin was once a prosperous farming community at the head of the Cumberland Basin Africville was the vibrant home of Black Nova Scotians who struggled to make a living and found spiritual solace in their church Both are now gone one a casualty of long ago colonial warfare and the other a victim of misguided urban renewal In this fascinating book author Joan Dawson looks at thirty seven of this Canadian province's lost communities places like Electric City Indian Gardens and the Tancook Islands

Some were home to ethnic groups forced to leave Others once dependent on factories mills or the fishery died as the economy changed or resources were depleted But they were all once places where Nova Scotians were born married worked and died Featuring over 60 archival and contemporary photos and illustrations Nova Scotia s Lost Communities preserves those memories with fascinating insights *Sketches of Acadie* James Hannay,1867 Acadian Geology Sir John William Dawson,1878 *Acadian Reminiscences* Felix Voorhies,1907 Kouchibouguac Ronald Rudin,2016-04-06 In 1969 the federal and New Brunswick governments created Kouchibouguac National Park on the province s east coast The park s creation required the relocation of more than 1200 people who lived within its boundaries Government officials claimed the mass eviction was necessary both to allow visitors to view nature without the intrusion of a human presence and to improve the lives of the former inhabitants But unprecedented resistance by the mostly Acadian residents many of whom described their expulsion from the park as a second deportation led Parks Canada to end its practice of forcible removal One resister Jackie Vautour remains a squatter on his land to this day In Kouchibouguac Ronald Rudin draws on extensive archival research interviews with more than thirty of the displaced families and a wide range of Acadian cultural creations to tell the story of the park s establishment the resistance of its residents and the memory of that experience
