essay called *Novices A Study of Poetic Apprenticeship* addressed to the poet who is just starting out Subsequent sections take up the art of translation poets and their work and literary magazine editing The title is drawn from an extraordinary visionary experience which the author had which becomes a potent metaphor for the creative process Through the variety of poets and artists to whom he pays homage Eshleman suggests a community which is not of a single place or time rather there is mutual recognition and responsiveness so that the reader becomes aware of a range of artistic practices s he might explore
